Out came a girl with purple hair and purple eyes and had black clothes and wings and a tiara with Ultimate Alien X on it!

But then we saw a figure run fast and bashed Anubis down and it was a Dodrio!

Me: WHOA! A Dodrio!

Nico: Where did that come from?

Me: I think I know. It's one of Dark Gale's work.

Raimundo: Let me see.

He used Telepathy and gasped!

Raimundo: AY CARAMBA! It's my sister Carmen!

Me: The last of the Xiaolin Grandmasters no doubt. Lets go!

Me and Raimundo faced her.

Raimundo: Carmen calm down! It's me Rai!

Horsea closed her eyes waiting for the attack...but opened them when she realized she was offering her a ride on her back.

Horsea: Oh thank you.

She rode on her and Dodrio and Horsea bashed and blasted Anubis.

Me: That is a first.

Horsea: WEEEEEE!

Horsea blasted him with ink.

Then I snapped my fingers and she reverted back and was a girl with green hair, green eyes, green angel wings and had the Xiaolin

Dragon with the wind kanji in the middle on her forehead and had Dodrio on her arm.

We wrapped her in a blanket.

Carmen Pedrosa: (Groans) Ay caramba! What hit me?

Me: Ugly story Carmen.

Raimundo: Hola sis.

Carmen Pedrosa: Rai!

They hugged!

Raimundo: I've missed you sis.

Carmen Pedrosa: Me too.

Me: You were turned into a Dodrio by Dark Gale.

Carmen gasped.

Carmen Pedrosa: (GASP) I remember!

* * *

She was in a green suit and injected and turned into Dodrio!

She busted out.

FLASHBACK ENDS

Carmen Pedrosa: It was awful.

Me: I know but we destroyed Dark Gale.

Carmen Pedrosa: Good. I am the Aeromancer of Sonya's team and outside I am the Xiaolin master of Wind.

Me: Wow! But also we're in the middle of a battle right now.

Carmen Pedrosa: Oh man! I can see that.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new green clothes and she had the Sword of The Storm with her.

Carmen Pedrosa: Wow! I look great!

Me: You sure do.

Horsea hopped over to her

Horsea: I had fun with you.

Carmen Pedrosa: I'm glad.

Me: Lets end this.

Carmen: Like old times?

Raimundo: You know it!

Carmen and Raimundo: ULTRA WINDSTORM BLAST!

They fired a massive blast of wind and blasted him all over!

Eli: NOW FOR THE GRAND FINALE! ALL MONSTERS! COMBINE NOW FOR INFINITE POWER!

They joined up and masive torrents of lava shot up out of the ground and lightning struck all over! IT FELT LIKE THE PLANET WAS GOING TO EXPLODE!

Anubis: NOOOOOO!

Me: WHOA! THAT WAS POWERFUL!

Qin: INCREDIBLE!

The Pyramid of Light Shattered. But the red orb was left.

It started glowing.

Anubis: (EVIL LAUGHTER)

Me: Uh oh!

But then a massive blast of darkness exploded out!

Anubis: SHADOWS TAKE LIFE! CREATURES BE BORN! NOW LETS SEE HOW YOU PLAY THIS GAME WHEN THE MONSTERS ARE REAL!

Romin: MONSTERS!?

Luke: FOR REAL!?

DEMONIC SCARY JACKAL HUMANOID CREATURE WITH DEMONIC WINGS!

Me: Now we have the one card that can destroy you! I SUMMON BLUE EYES SHINING DRAGON!

I summoned it!

But then a figure appeared and it was a girl with green hair and red eyes and black wings and clothes and had Terroranchula on her tiara.

Me: (GASP) Tina Terroranchula!

Tina Terroranchula: HURRY! DESTROY HIM!

She punched him down!

Me: SHINING NOVA ATTACK! DESTROY ANUBIS!

He released a blast of light and it enveloped him!

Anubis: NOOOOOOOOOOO!

HE ROARED IN PAIN AS HE MELTED AND WAS REDUCED TO A MUMMY!

He weakly chanted something in Egyptian!

Zahlia Zvezda: Now to banish him to the Warp till Yugi's big day!

She did so and he was in the Warp!

Me: WHOA!

The sky reverted back. But the City was completely reduced to rubble!

Me: WHOA! That was intense!

Tina lost control and fired force field-like webs at Jet.

He dodged them.

I fired the Cure Ray and injected her.

Me: We just got one last thing to do.

Jared fired waves of lightning and electrocuted her.

Jet then kicked her in her face.

Lexx fired blasts of fire and blasted her. Then he used his Raise Buckle and got a Gold Ray!

Lexx: THE GOLD RAY OF GREED!

He fired a gold ray and turned her clothes into solid gold!

Carmen: I got this!

She fired waves of wind and knocked her down and the antidote took effect and she was back to normal. Her green eyes were normal.

Tina Terroranchula: (GROANS) Oh man! What hit me?

Me: Ugly story.

Tina Terroranchula: Wow. OH MAN! What the hell happened here?

Me: Intense battle that nearly tore the planet apart.

Qin: Yeah.

Yuga: That was awesome!

Me: YEAH! Are you guys alright?

Yuga: We're fine.

Nico: Let's fix it up

We fixed the city and it was back to normal.

Me: Well the good news is that the city is fixed up. The better news is that the entire Goha Corps network has been completely destroyed and erased from the world. The bad news though is that most of Yuga's enemies are all still out there. But we'll find them and bring them to the M.O.E.

Lincoln: Yeah but that was intense!

Yugi: Fighting Anubis was a good warmup for us.

Me: It sure was! We were really on a roll with warmups for upcoming battles.

Yuga: You sure were!

Lola: Yeah!

Yuga: Gallus, ever since I met you, Allenby, and Penelope, I've seen you guys as siblings.

Gallus: You already said that earlier Yuga and we accepted that.

Yuga: Thank you.

They hugged.

Jared: I guess that makes Yuga one of my in-laws.

Nico: It sure does.

Me: Man this was an awesome way to close out Gallus's missions with a bang!

Qin: You got that right!

Romin: Man! That was intense!

Luke: That was the massively intense!

Me: Just wait till we face the main target for you guys. That will be just as awesome.

* * *

We later came back.

Me: HOLY CRAP!

I rested on the sofa.

Me: Man that was intense!

May: That was explosive!

Qin: MY GOD! What a battle!

Camie: It was intense!

Ymir: Yeah!

Xenia: That was epic!

Lola: I'll say!

Nico: Lori, you, Jessie Knudson, and Joan are next for Ambassador missions.

Lori: OMG! This is gonna literally be fun!

Me: That means you are the only one of the Loud Siblings left for it.

Lori: Yep.

Jessie Knudson: I'm looking forward to that!

Joan: This is gonna be fun.

Nicole: Me and Lisa are heading out.

Me: Okay. Have fun.

They went down to the planet.

* * *

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the big battle against Treagar starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Nicole and Lisa were walking.

Sunset Shimmer: Maybe some of us should go with you two

Nicole: Okay.

Pipp Petals: I'll go too.

Nicole: All right then.

They were walking and they came to the construction site.

Nicole: This is where the newest German Vietnamese fusion restaurant is going up.

Lisa Loud: It'll be interesting to see.

Man: Hey guys! We found something! It looks like an ice cave!

Nicole: (GASP) We better check this out!

They went and checked it out.

Down under the site underground was an ancient ice cave!

Nicole: WOW!

Lisa Loud: Gadzooks! Look at this!

Nicole: This has to be an ancient ice cave from the Great Ice Age. Totally untouched after thousands of years.

Sunset Shimmer: Amazing!

They looked around and in a block of ice they found a PERFECTLY PRESERVED CAVEWOMAN!

Nicole: (GASP) Oh wow! It's a Cavewoman! She is a perfectly preserved Cro Magnon Cavewoman! She must be over 35,000 years old.

Sunset Shimmer: That is amazing!

They brought her up.

At the estate, we were watching TV.

Dr. Alvarez: "Good morning, members of the scientific community. Today, we have made an exciting scientific discovery: Workers have uncovered an ancient ice cave under this very construction site. That's not all. They've also unearthed a fully-preserved prehistoric woman! She'll be transported to the Gotham Royal York History Museum and put on display in a sub-zero exhibit."

Manny: OH WOW!

June Carrington: We got to check this out!

Me: Yeah! This looks amazing!

We went to see her.

We went in.

Nicole: This is an amazing discovery.

Dr. Alvarez: You guys found an amazing find.

Me: That is so cool!

Eli: I'll say!

Nicole: She's a perfectly preserved Cro Magnon Cavewoman. She must be over 35,000 years old and has been there in that ice cave for years.

Kru'll The Eternal: This is amazing that one of my kind of here after so long.

Me: It sure is. Wow!

Pipp Petals: How do we thaw her out?

Mordecai: Well it will either be like what happened with Greg and Diana.

Nice: I remember that.

Ymir: What happened?

Me: Well Mordecai and Rigby found Greg and Diana and they were cave people they found in a cave in the park.

Emerald Goldenbraid: It was before my big day.

We told them what happened.

Ymir: WHOA! So she went on a rampage!?

Me: Yeah. It was brutal. But we helped Diana. Greg was adapted to our time very fast.

Mordecai: It's true. But it was cool.

Thunderblast: Yoshi, what are you doing?!

Yoshi licked the ice. But then the ice cracked.

Me: Uh oh.

We stood back and then it broke open and she roared!

SHE WAS ALIVE!

Nico:...hi.

June Carrington: It's okay.

We then decided to help her. We named her Frances. We helped her adjust to life 35,000 years from her time and more and thankfully she didn't go on a rampage. We showed her events that took place over the eons. She was adjusted.

Frances: Frances still have lot to learn here. But Frances be honored to join friends frenemies and friends on adventures.

Tailgate: Here's some food for you.

Frances: Thank friends.

She was eating brontosaurus burgers like Fred Flintstone.

Frances: Food good.

She was going to take a while to get used to it with us.

Itachi: And we'll teach you all about technology

Frances: Thank friends.

We taught her all about life with us and more.

* * *

Later we came back home.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Treagar, and he's causing havoc. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: So, you're finally on the move, Treagar.

Eli: It's time.

Lincoln: That it is, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Treagar, and he's causing havoc.

EVERYONE GASPED!

Pipp Petals: I knew it was him!

Derpy Hooves: Now, we can stop him once and for all.

Anita Johansson: And end him forever. But, wait, Isami and Katsumi are in danger! Dark Sebastian is no doubt there along with Alaister Necroshade, Aragon Necroshade, Michael Ondrushko, and Malphas!

WE GASPED!

Nico: Oh shit, then we need to head to Japan at once! Team, it's time to move, this is where Treagar meets his end!

Lincoln: He's going to pay for everything he's done.

The previous group came.

Onyx: Can me, Box Ghost, Ssserpent, Trickster, Tri-Klops, Red Ghost, Bizarro, Enchantress, Killer Croc and Black Manta go with you guys?

Nico: Yes you can come with us.

Me: Yep.

Onyx: We saw the battle with Anubis on the news! That was amazing!

Qin: It was!

Tania: Nico, which Gene Slammer do you think you'll meet next?

Nico: Number 84: Pain Gainer and Number 83: Galaxy Queen next.

Me: Wow! Those are gonna be awesome.

Lola: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Dr. Nefarious, and he's also with Treagar. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Sunset Shimmer: Dr. Nefarious is also there too?! Anti-Monitor brought him back.

Ratchet: Hmm, as much as I want to kill him once more, Sunset, I think it's best he serves the rest of his life in prison.

Clank: That's a logical idea, Ratchet.

Sunset Shimmer: I agree too. But, where are we going to throw him in?

Lincoln: We'll figure out which prison to throw him into, Sunset. Right now, Isami and Katsumi need us.

Nico: Right, Lincoln. Alright, team, let's go, we got to save Isami and Katsumi from Dark Sebastian and Malphas and drive them back to the shadows where they belong.

Lincoln: And put an end to Treagar once and for all, and once we get done with him, you're next Dr. Nefarious.

Pipp Petals: That mad scientist's going straight to prison for good after we get done with Treagar. Isami, Katsumi, hang on.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and all of us headed to Japan to help Isami and Katsumi destroy Treagar after we save them from Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Michael Ondrushko, and Malphas and drive those demons back to the darkness, and once we got done with Treagar, Dr. Nefarious, your time is done! Soon, you'll be rotting in prison for all eternity.

We were off to Japan.

We were flying in the air, and we spotted Isami Minato and Katsumi Minato, and they're fighting Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Michael Ondrushko, and Malphas as we heard their demonic and deranged laughter.

Nico: There's Isami and Katsumi! Oh man, they're already fighting Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Michael Ondrushko, and Malphas!

Lincoln: Selena.

Selena Mendez, Camie Elextor, Wendy Sauron, Varie Yulinova, Lorena Cavenstein, Solla Nexcrota, Kira Textington, Gina Thunderton, Xenia Vola Dappra, and Tania Tornadora raised their staves as they chanted an incantation and we then saw the symbol of The Nightflame Sun appear in the sky and a magic circle appeared, and it glowed with purple energy as we saw it through a viewing window. Then, we saw the chaos erupt as beams of purple energy and magic were fired from nowhere and they forced out the many armies of demons and monsters hiding and got destroyed in a split second. Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Michael Ondrushko, and Malphas lost it as they screamed and roared in anger and fury!

Me: Nice one.

Lincoln: Now, to give Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Michael Ondrushko, and Malphas what for.

Lincoln fired beams of light that hit Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Michael Ondrushko, and Malphas and they got burned badly, and we landed.

Me: At it again, Dark Sebastian?!

Nico: You really don't know when to quit, do you?!

Lincoln: Even after the thrashing we gave you and Queen Bansheera on Tenochtitlanoia, you really don't know when to quit! You're lucky our main targets are Treagar and Dr. Nefarious today, but don't consider yourself lucky, tomorrow, your last two minions, Michael Ondrushko and Aragon Necroshade, are going to die. Now, scram!

Dark Sebastian: (DEMONIC SCREAM) (DEMONIC VOICE) WE WILL DESTROY ALL OF YOU IF IT'S THE LAST THING WE EVER DO! ATTACK!

Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Michael Ondrushko, and Malphas went at us completely insane, but Lincoln chanted an incantation, and Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Michael Ondrushko, and Malphas vanished back into the darkness.

Isami Minato: Phew, thanks for the assistance, guys. I just can't believe Dark Sebastian, Alaister Necroshade, Aragon Necroshade, and Michael Ondrushko showed up out of nowhere.

Kasumi Minato: And that huge demon with them, was that...!?

Lincoln: That was Malphas, Demon Prince of Hell.

Lincoln told them of what Dark Sebastian and his minions did in bringing Malphas into our world yesterday, and when he was done, they were absolutely horrified!

Isami Minato: I can't believe they did that! That hideous monster!

Nico: He was also responsible for pissing us off many times in the past few days, he and his minions, The Order of The Dark Universe, the enemies of The Hunters of The Nightflame Sun.

Me: And my old enemies, The Dark Church of Malphas.

Eli: We drove those snakes away. Now we can get after Treagar.

Kasumi Minato: And we also saw a robot mad scientist with him.

Sunset Shimmer: That's my old enemy, Dr. Nefarious, and we're not gonna kill him, we're sending him to prison forever after we kill Treagar, but he is going to get his butt handed to him.

Nico: Yep. Now, let's get after Treagar and Nefarious, and since we drove those Satanic demons back into the darkness, we won't have any nasty surprises from them.

Qin: YEAH!

Me: After we have a nice chat.

Nico: Okay.

Trickster: Let's call El Oso.

Me: Good idea!

El Oso came.

El Oso: (Spanish Accent) I'm here amigos.

Me: Cool!

Isami Minato: Thanks for arriving guys.

Me: Anytime Isami.

Katsumi Minato: We saw what happened with Goha City! Man that was intense!

Me: It was!

Fisticuffs: Let's go to your base.

They nodded.

We went to their base.

We arrived later.

Isami Minato: Here we are.

Me: Awesome.

Camie: Cool!

Katsumi Minato: You guys have been busy haven't you?

Me: All that and more. It was one eventful day for us.

Red Ghost: Katsumi, what's it like being Ultraman Rosso?

Katsumi: It's awesome. I have amazing fire powers and it's amazing.

Isami: I have amazing water and ice powers too and that is cool.

Lola: I can relate.

Maria: Me too.

Lana: Same here.

Asahi: I think it's fun too. As Ultrawoman Grigio I like using all the powers of light.

Katsumi: We also fought some robots yesterday.

Sour Sweet: Really?

Me: Wow! What did they look like?

Katsumi: See for yourself.

We saw the head of one of the robots.

Enchantress: Uh oh. We know where that's from.

Sunset Shimmer: That's Dr. Nefarious's robots!

Me: I had a feeling he was coming too. Also Lincoln had a premonition on who was with Tregear.

Isami: Wow!

Me: I know. Oh we almost forgot. We owe you guys big for helping us on Lincoln's day

Ghuul: You guys helped fend off Kei Fukuide

Isami Minato: We sure did. That was fun. And Lincoln congratulations on getting justice for your ancestors.

Lincoln: Thank you.

Asahi: Earlier, Sunset told us about the prophecy you are apart of and we had no idea that you held such an immensely powerful form of importance to the world.

Lincoln: I know. It's a big job for me.

Me: Same with me. I'm part of a similar prophecy. An extremely rare planetary alignment is coming in a few weeks and I was chosen to destroy Opaline Arcana.

Asahi: WHAT!? I thought you guys got rid of her?

Me: So did we.

Lincoln: One of my old enemies used the last of her dark magic to bring her back.

Me: Ugly story.

DANCE OF THE SUGAR PLUM FAIRY PLAYS

Poromon came out in a fairy costume carrying two bottles of beer.

Poromon: (to the R/B team) Hello there! I'm the beer fairy! Come to give you guys two bottles of beer!

Black Manta: You get some under your pillows if you're good.

Me: Yeah.

Asahi: Oh Poromon looks so cute in a fairy costume.

Me: He sure does.

Isami: We could go for some beer.

Katsumi: Me too

They drank the beer.

Katsumi: Ahh needed that!

Freon: Didn't expect that.

Poromon: Yes. Drink the beer!

Me: (LAUGHS)

Asahi: (LAUGHS) It must not be every day you see this.

Me: No it's not.

Lilja: Yeah.

Katsumi and Isami drank it down.

Me: Cool.

Katsumi: So what is it like being in a huge tree?

Me: The view of the planet is amazing.

Nico: Also the city is cool too. And it's Abomination free.

Asami: What do you mean by that?

Me: And cue Mascot Craziness in 3...2...1...

Manaphy: WE MEAN THIS! (shows trailer close to Isami's face) HERE! LOOK AT IT! IT'S UGLY, ISN'T IT?!

Isami: (SCREAMS) Wait is that? Winnie the Pooh!?

Poromon: (shows trailer close to Katsumi's face) YOU LOOK AT IT!

Katsumi: OH MAN! It's Blood and Honey!

Poliwag: (shows trailer close to Asahi's face) YOU LOOK AT IT!

Asahi: OH MAN! THAT IS HORRIBLE!

Horsea: (shows trailer close to Makato's face) LOOK AT IT!

Makoto: JEEEZ!

Jirachi: (shows trailer close to Mio's face) LOOK AT IT!

Mio: HOW CAN THEY DO THIS!?

Ushio: GEEZZ!

Mascots: LOOK AT IT! LOOK AT IT! LOOK AT IT! WE WANT ALL OF YOU... TO FUCKING LOOK AT IT!

Killer Croc: Sorry about this!

THEY SCREAMED IN FRIGHT.

I calmed the mascots down!

Asahi: OH MAN! Pooh, Piglet I can't believe that happened to you!

Pooh: I know. It was bad.

Me: What you saw was the trailer for Winnie The Pooh Blood and Honey. It's a Dark version of Winnie The Pooh. Christopher Robin goes to college and Pooh and friends turn into bloodthirsty killing machines.

Laney: It's true.

Isami: You guys should beat the crap out of who made this!

Hood Sickle: That would be a no.

Me: Believe me we get asked to do that to them EVERY TIME and the answer is always no because they are innocent people. So we went with Blu's idea and that was a huge lawsuit.

Blu: That's right.

Isami: Oh I see what you mean.

Bizarro: That movie was very good!

Isami: (Confused) Huh? What do you mean?

Evil Solar Man: Oh Bizarro speaks in Opposite. He means the movie was bad.

Isami: Oh I think I understand.

Nico: Yeah.

Maria: Although we usually get asked to use the Black Gates.

Me: Yeah.

Katsumi: I think I see what you mean. I understand you have reasons and morals for making sure people are safe.

Me: Yeah we have a huge code.

Xenia: Yep.

Me: Anyway it should be time for the fun part of the day. Battling the Akuma.

Poromon: And the real deals are dead.

Me: Oh yeah the Mascots did really well in that a few weeks ago.

Luan: Take a look.

Luan showed a video of it and it was awesome.

Asahi: WHOA! That is cool!

Gira: That was on our world and the mascots day to shine was then.

Me: Yep.

Isami: That is cool!

Me: It sure is.

Lincoln: (GASP) Oh man! This akuma is gonna be hot! I just had a Premonition and the next Akuma is Sunset Shimmer's Akuma. Her name is Flamebane! The Hypothetical Akuma of Sunset Shimmer and she is a Shapeshifting Fire Elemental. She can turn into anything made entirely out of pure fire. She was made because of Twilight and friends in the human world abandoning her because of the Memory Stone Incident and she vowed to BURN EVERYTHING!

WE GASPED IN SHOCK!

He showed a sketch of her and she was a fire elemental that can turn into anything and she was burning everything!

Me: OH MAN!

Qin: Another hot one!

Me: We've been battling a lot of Akumas made of pure fire and intense lightning lately.

Mokuba: I hope water works this time.

Me: Yeah.

Eli: I sense her in the park!

Me: Lets go!

Nico: You heard him!

We went to the park and we saw lots of trees on fire! We absorbed the flames.

Nico: WHOA! LOOK!

We saw FLAMEBANE!

Me: WHOA! THAT IS HOT!

Flamebane: (TURNS INTO A GHOST) (GHOSTLY WAIL)

Shaggy: ZOINKS! (SCREAMS!)

Tri Klops: Sunset? Is that you?

Flamebane: (GHOSTLY DEMONIC VOICE) WHERE IS WALLFLOWER!?

Me: WHOA! SPOOKY!

Nico: HELLISH!

She fired numerous blasts of fire and we absorbed them.

Eli: I think I found her!

ZOOM!

He grabbed Evil Wallflower.

Me: Well well well.

I took the Memory Stone and smashed it!

Evil Wallflower Bloom: NO!

Me: Now to the prison of Tartarus for you!

Princess Celestia's guards came and took her.

Flamebane: NO! I MUST BURN HER!

Me: NOT THIS TIME!

I fired waves of water and it hit her and she screamed!

She turned into a FIRE SNAKE AND HISSED! She breathed intense fire and we absorbed it!

El Oso charged at her and bashed her down and got burned on his arm!

El Oso: OW! Ay caramba that is hot!

Flamebane: My turn!

She fired massive blasts of fire and we absorbed it all

Maria: Time for you to cool off!

She fired a massive blast of water and put her out! She was nothing more than a lump of coal.

Me: WHOA! That did it!

Isami: Wait is Tartarus like in the Greek Underworld?

Me: It shares the same name as that but this is Equestria's version of it. This is a magical prison reserved only for the most evil of villains ever to terrorize all of Equestria.

Tirek: It's for people like me and Cozy Glow here.

Cozy Glow: It's a long story. We were there and it was awful.

Me: Yeah. Because Opaline duped them. Another ugly story.

Pam: We already have one memory stone.

Me: Yeah that's right and we keep it in our vault only to be used when needed.

Qin: Yep.

Camie: Thank goodness.

Isami: I agree there.

Sunset Shimmer: I told them all about it and it is true.

Nico: Good.

Me: Now comes the fun part.

Me: Mean Screen. Boy you sure are a glutton for punishment.

Mean Screen: I sure am!

Me: Cool.

Mean Screen: So, did the cave woman you found earlier go on a rampage?

Me: No thank goodness for that.

Qin: Yeah we dodged a bullet on that one. We don't want to have another repeat of what happened on the day before Emerald's big day.

Isami Minato: That was awesome!

Me: Yeah it was!

Yagura: Now to go after Tregear

Me: This is gonna be good!

Box Ghost: I wonder where he is

Eli: (Concentrates) Over by Mount Fuji.

Me: Okay.

Nico: Lets go. Get ready Tregear, (EYES GLOW RED) Your final hour has come!

Me: (EYES GLOW RED) We're going to destroy you!

We took off, and we got there in time to see Treagar and Dr. Nefarious raging, raving, and screaming and shrieking like monsters and our energy auras flared up extremely as we grew stronger from their toxic hate, but it grew even stronger because of the hatred of Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Michael Ondrushko, and Malphas in the shadows.

Lincoln: Those snakes are still here?! I knew he was insane, but this...! That's the last straw.

We landed and crept up to the area they were in and then we were stopped by GUE-BASSER!

Me: Gue-Basser! I remember you.

Gue-Basser: If you want Tregear, you'll have to go through me!

?: You won't be a problem!

Me: I know that voice.

Out came Zak Storm and crew!

Me: Zak Storm and Crew!

Zak: I'll take care of him!

Xion: Me, Misty, and The Pipsqueaks will help!

Zak Storm: Thanks girls!

Me: Be careful.

Pipp Petals: Good luck girls.

Seashell: We'll be alright Pipp.

We pressed on.

Then Jasper, Cheese Monster and Allure came.

El Oso: (to Jasper, Cheese Monster, and Allure) Thanks for coming, amigos.

Jasper: Yeah whatever.

Cheese Monster: We're ready.

We hid behind a rock.

Then the 4 of them went up to TREGEAR AND NEFARIOUS!

Tregear: Ah El Oso, Jasper, Cheese Monster and Allure. So good of you to come.

El Oso: You better be ready.

Tregear: The four of you made a big mistake standing against me. Now you will die!

El Oso: Oh I don't think so!

Suddenly, the spirits of the Ultraman R/B team appeared and they attacked Treagar, Dr. Nefarious, Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Michael Ondrushko, and Malphas who got forced out of the shadows again and they really thrashed them all over the place showing them no mercy whatsoever, and then, the spirits converged and they crashed down and then...

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive explosion erupted as a Thunderbird Screech and Phoenix Cry was heard and we appeared, and this made Treagar, Dr. Nefarious, Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Michael Ondrushko, and Malphas pissed off!

Lincoln: You psychopathic deranged monsters, I've had it up to hear with you!

Suddenly, Lincoln's deep sapphire eyes and the rainbow iris of his Third Eye turned golden yellow as heavenly lights shined down and a divine force surrounded him as the Angels and Archangels of Heaven descended and unholstered their broadswords.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) Malphas, I knew you were just as evil as Lucifer, but what you did with creating The Black Ooze of The Eldritch and scheming to come into the world of man to destroy mankind and all life on Earth, this is the final straw.

Malphas: (Demonic Voice) You should've done so the day Lucifer and all of us turned against you, now you can regret the decision you made to spare us eons ago for soon, all of mankind will be destroyed and the earth will belong to Lucifer.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) I may have regretted the decision to banish all of you to Hell after the war eons ago, but you should consider yourself lucky that I shall show you mercy for one final time. Because, once Dark Sebastian and Alaister Necroshade make their move along with you, there shall be no mercy. Now, leave, Malphas.

Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Michael Ondrushko, and Malphas let out a demonic scream as they transformed into black mist and flew back into the darkness where they belong.

Me: Ultraman Tregear. So we meet at last. Now we're going to make sure you pay!

Sunset Shimmer: Remember me Nefarious!?

Nefarious: I remember you Sunset! You humiliated me!

Sunset Shimmer: You brought all that on yourself!

Isami: You're the only one who will die, Tregear!

Tregear: We'll see about that you fucked up monster!

POW!

I punched Tregear down!

Me: That first punch is the least of your worries!

Dr. Nefarious: You fools won't defeat me this time! My robots are bigger and badder.

Ratchet: You know what they say, Nefarious. The bigger they are, the harder they fall!

Clank: And they always fall the heaviest!

Me: Into a million pieces!

Tregear: Batlings, attack!

Dr. Nefarious whistled and his robots appeared with the Batlings.

Then numerous Batlings and robots appeared!

Me: WHOA! Batlings and Nefarious Robots! Now we're talking!

Erica Haddock: Always love kicking Batling butt!

I fired massive blasts of lightning and electrocuted the robots and Batlings and blasted them all over!

Erica then jumped and kicked and bashed numerous Batlings all over the place and reduced them into pulp with intense speed and strength!

Nico: WAY TO GO ERICA!

Then the Batlings and Robots jumped the R/B team and held them down!

The R/B team lay defeated at the hands of the Batlings and Nefarious Robots.

Tregear: (laughs evilly) And now, to get rid of you pests once and for all.

Dr. Nefarious: (laughs evilly) You do that, Tregear. I'll be busy destroying Ratchet and Clank.

POW!

I punched Tregear down!

Me: You want them you got to get through me!

Poromon: (pecks Batling) Oh no! What do we do?!

Anita, Derpy, and Pipp got an idea.

Pipp: Everyone in the audience! Lend the R/B team your strength!

Derpy: They get stronger with your support!

Anita: When I give the signal, share your energy with the R/B Team! Okay? Ready... go!

Everyone in the audience began sharing their energy with the R/B team. And soon, Isami and Katsumi found the strength to get up.

Isami: We're not giving up! Right, Katsumi?

Katsumi: No, we aren't!

Tregear: WHAT!?

Isami punched a Batling and Katsumi punched a Nefarious Robot, knocking both to the ground.

Nefarious: IMPOSSIBLE!

Isami: Thanks for the help, everyone.

Katsumi: It means a lot to us

Asahi Minato: I didn't think we were that popular.

Makoto Aizen: I'm not complaining

Mio Minato: Neither am I.

Ushio Minato: With that being said, it's time to settle this!

Me: YEAH!

Pipp Petals: I knew you'd finally make your move at long last, Treagar.

Derpy Hooves: Now, we're ready to take you down once more.

Anita Johannsson: Along with your minions.

Sunset Shimmer: And I'm surprised you've also come back, Dr. Nefarious, and to make a deal with Treagar, you really are an idiot.

Dr. Nefarious: You little...! You'll regret this! HELLHOUNDS, ATTACK!

Suddenly, hordes of male hellhounds loyal to Malphas arose from Hell and they charged at us.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) So, you made a deal with Malphas, big mistake, Dr. Nefarious.

Lincoln went after the massive 12'6" male hellhounds, and he really went wild on them showing them who's the top werewolf around here, and he was really working up a sweat, and finally, he knocked them down.

Then, Lincoln morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive 12'6" hellhound and its' massive pack of 12'6" massive hellhounds, and he began absorbing them and he assimilated their massive superhuman and demonic upper body and lower body strength, massive muscle mass, virility, testosterone, and immense demonic and dark powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange, golden yellow, and aurora tips underneath his massive white angel wings spread out even more and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings behind his head glowed.

Lincoln: (Thinking)(GROWLS) Oh man, the raw immense power of these beasts is incredible.

God: (Through Lincoln's body)(Divine Heavenly Godly Voice)(Thinking) In addition to the powers of Heaven and the Gods and Goddesses of the Pantheons of the ancient world, you have the power to absorb devils, demons, and hellhounds and assimilate their powers and abilities. Even that was more than enough to scare The Demon Princes of Hell.

Then, when Lincoln was done and the stingers changed back, nothing was left of the hellhounds and Lincoln drained the hellhounds' souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Now, you can either surrender and we can make it quick and painless, or if you choose to attack, you're gonna make it slow and painful. Either way, you're finished and you're going to die here.

Suddenly, the full moon appeared behind Andre Lupescu as darkness fell upon Japan only lit by the full moon and clusters of ice formed on the ground as we heard the sounds of wolves howling in the distance.

Me: You heard him, it's payback time!

Nico: The howling of the wolf means that justice is coming for you!

God: (Through Lincoln's body)(Divine Heavenly Godly Voice) There is no escape for you, Treagar, same with you, Dr. Nefarious. It is time for the both of you to face your judgement for all of your crimes.

HEAVENLY LIGHTS SHINED DOWN FROM THE HEAVENS AS WE SAW MORE OF HEAVEN'S ARMIES DESCEND ON EARTH: JUDGEMENT DAY'S COME FOR BOTH TREAGAR AND DR. NEFARIOUS.

Caleb Maxwell: What's with more of Heaven's armies descending on

Earth? You already drove Malphas and those monstrous demons back into the darkness forever.

God: (Through Lincoln's body)(Divine Heavenly Godly Voice) That may be true, but don't forget there are the other Demon Princes of Hell to worry about as well, Caleb Maxwell.

Nico: Along with Lucifer himself, and before you ask, yes, we've taken him down before.

Me: And we intend to banish him to The Black Abyss forever for the eons of pain and suffering that he caused to every last man, woman, and child on Earth, every last child that inhabit Earth, the kingdom of man that God had created.

Cocytus Malefic: There's gonna be major changes in Hell, and we'll start by getting rid of The Demon Princes of Hell along with Lucifer himself. The one we know and hate, not Charlie's dad.

Lucifer Morningstar (Hazbin Hotel): I already knew. Hope you let me join in too.

Derpy Hooves, Pipp Petals, Anita, if you would.

Pipp: Let me, Anita, and Derpy transform with you guys!

Carter: It would be our pleasure, Pipp.

Lightspeed Rescue Rangers: Lightspeed Rescue!

Ryan: Titanium Power!

Shoichi: (As strange energy consolidates into a red and gold belt, while he crosses his outstretched arms before him) Everybody suit up. Henshin!

With that, Shoichi slams his hands into two buttons on the side of his belt, and in a flash of light a gold and black suit with silver accents and red eyes, dominated by a golden beetle horn crest, generates on Shouichi

Makoto: (Removing his trenchcoat to reveal a black zipper front bodysuit as a panel on the wall opens up, revealing blue and silver armor): Would you mind helping me get in suit?

Shoichi: Glady.

With that, the process begins. Makoto steps into the exposed armor chamber, allowing the chestplate to fold across him while he throws on the blue and silver arm guards and leg pieces. As this happens, Shouichi grabs a silver belt and slings into onto Makoto's waist, causing the red panel on the front to light up section by section. Once it's fully lit up, Makoto takes his helmet, blue with silver face plate, antennae, and orange eyes, and places it in front of his face, somehow generating a back portion and locking tab.

Ryo Ashihara: Henshin!

With his battle cry known, Ryo Ashihara is surrounded by green energy, before the energy consolidates into a strange almost aquatic looking form of green and black with gold accents and huge red eyes.

Ryo Ashihara: Haven't done that in a while.

Kino: (As energy consolidates into a similar yet more monstrous version of Shoichi's belt) Henshin.

His calm battle cry known, Kino assumes his true form, a dark green and black monstrous version of Shoichi's Agito form with two red scarf like items flowing down his back.

Troy: Time to take you out!

Tsukasa: And to trash some bots!

Kamen Ride: Agito!

Kamen Ride: G3X!

Kamen Ride: Gills!

Kamen Ride: Another Agito!

Tsukasa turned into Agito and Daiki summoned clones of the Agito Riders.

Megaforce Rangers: LEGENDARY RIDER MODE! BEAST SPIRIT FORCE!

She summoned Melascula of Faith, Kamen Rider Ginga (X-Squad), Princess Chimera, Old Grand Ma, The Bellydancer Bandits and

Pipp Petals: I thought you'd never ask. (To Tregear) You disgust me to no end, Tregear, you caused so much trouble for Isami and Kasumi, and you also caused so much suffering across the entire universe in your desire to rule it.

Derpy Hooves: And now, we're going to make you pay for your crimes.

Anita Johannsson: That's for sure. As for you, Dr. Nefarious, you're also going to get beaten down once again, but we're not gonna kill you again, but by the time we get done with you, you're gonna wish you were dead once again.

Sunset Shimmer: Same with me. Your days of trying to take over the galaxy end here and now, you deranged psycho.

Ratchet: You're not getting out this alive, Nefarious, we're ending this here and now!

Clank: And this time, we're going to make sure you stay in prison for the rest of your life.

Dr. Nefarious: NEVER!

Then, we saw Dr. Nefarious' fleet of ships appear.

Me: You goddamn...!

Lincoln snapped his fingers, and...!

Ratchet: Hey, what's happening?! We're suddenly growing stronger!

Sunset Shimmer: Lincoln, you continue to amaze us!

When we were done, our rainbow, white, golden yellow, and blue energy auras and rainbow, white, golden yellow, and blue protective energy auras had raging rainbow flames surrounding them, and that alone freaked out Dr. Nefarious, and pissed off Treagar.

Time to end this, Dr. Nefarious.

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF DR. NEFARIOUS TO NO END! NOW, THE BATTLE TO TAKE DOWN DR. NEFARIOUS WAS ON!

Lincoln, Pipp Petals, Derpy Hooves, Anita Johannsson, Nico, and I went after Dr. Nefarious, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Dr. Nefarious, and they exploded with incredible power as they hit him.

Then, we attacked them with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Pipp Petals, Derpy Hooves, and Anita Johannsson did the same by firing colored, white, golden yellow, and blue energy slashes from their gold-armored dragon claws and their massive greatswords, and Lincoln, Pipp Petals, Derpy Hooves, Anita Johannsson, Nico, and I and all of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Dr. Nefarious even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Dr. Nefarious and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln's massive white angel wings and forty-nine sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Dr. Nefarious.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomach of Dr. Nefarious and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind him. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 10'9" massive, wide, double-edged gold blade of his massive greatsword.

El Oso (to Nefarious): Time to knock you out!

He bashed and smashed and pulverized him.

Then, Lincoln fired rainbow, white, golden yellow, and blue energy blasts at Dr. Nefarious that turn into a straitjacket and chains that wraps and ties up Dr. Nefarious, so he couldn't escape. Then, Lincoln had Dr. Nefarious beamed to The Uranus Prison where he's place in Supermax Solitary Confinement and he was chained to the wall of his doorless windowless cell for good.

We cheered as we holstered our weapons and powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, one-hundred massive and long crimson red wolf tails and longer tails and horns, large gold halos behind the heads and large Yata no Kagami mirrors behind the large gold halos and four large orbiting gold rings on each corner and four large Yata no Kagami mirrors behind the four large orbiting rings, one-hundred large colored planets orbiting around the legs, one-hundred smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and ninety-nine sets of large colored angel wings underneath the massive colored angel wings of Pipp Petals, Derpy Hooves, and Anita Johannsson are permanent.

Pipp Petals: We did it! Dr. Nefarious has been taken down!

Sunset Shimmer: And he's now going to spend the rest of his life in The Uranus Prison.

Ratchet: That's good.

Clank: He will never be free again.

Me: That's for sure. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the Vegvisir appear in the skies along with the Duel Monster, Garmr of the Nordic Beasts, and the Nordic dog himself, Garmr, and they howled.

Lincoln: The Vegvisir and the Duel Monster, Garmr of the Nordic Beasts, and the Nordic dog, Garmr.

Astrid Michelsen: (Norwegian Accent) There's one person who fits that: my younger sister, Ingrid Michelsen, Avatar and Gene-Slammer of Garmr of the Nordic Beasts, and you guys are going to love meeting her, Ingrid Michelsen, Avatar and Gene-Slammer of Garmr of the Nordic Beasts, is Lincoln's Guardian Angel from Norway and she's a skilled and very powerful warrior and master of war and battle and she's a powerful master of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Fenrir. Ingrid Michelsen is a member of a powerful group of Lincoln's Guardian Angels known as The Nordic Order of Odin's Justice, they're a group of girls from Norway who are skilled and very powerful warriors and masters of war and battle who are born with Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of the Nordic Gods and creatures of Norse Myth, and their goal: to hunt down and kill the most dangerous and irredeemable of souls and send them to Hel, the Norse version of The Underworld to suffer true eternal damnation, and they have hunted down many of these individuals all over Norway and sent them to Hel, and they were also tasked by Heaven and the Norse Gods to protect Lincoln. Ingrid Michelsen moved to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Garmr, and war and battle, and he gained omnipotent power and the powers of Cosmic Cryokinesis, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Garmr, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's kept all of Lincoln's enemies in line, but there is one person whom she'd been wanting to kill all her life: a psychopathic killer named Windsor Peterson, he's a cruel, selfish, psychotic sadistic serial killer driven by a sadistic lust for blood who murdered tens of thousands of innocent men, women, and children all across seven states in The U.S., and Ingrid Michelsen swore to kill Windsor Peterson when she got the word that cruel, selfish, bloodthirsty swore to kill Lincoln to slake his lust for blood, and she swore to tear him apart with the fangs of Gramr.

Me: Whoa! And I've heard about Windsor Peterson, he's a piece of shit!

Nico: And a monster. You know, I wouldn't be surprised if we caught him on your rescue tomorrow like we did with Brenda Dennehy.

Lincoln: I was about to say that.

Suddenly, heavenly lights shined down and Lincoln flew into the air, and his massive white angel wings and ninety-nine sets of large white angel wings underneath spread out as he absorbed the flames from our battle with Tregear and Dr. Nefarious.

Zak charged at Gue-Basser and they punched him and Misty and team bashed him down.

Misty Brightdawn: Take that!

We came back!

Mysterio: Tregear is gone for good.

Speed Demon: And Nefarious is in our prison.

Misty Brightdawn: That is awesome!

Qin: Yep.

Zak Storm: We saw the awesome new zords! That was so awesome!

Me: Thanks.

I contacted Ms. Fairweather.

Me: Ms. Fairweather, Project Lightspeed Rescue Infinity is a success!

Ms. Fairweather: That is great news to hear! Glad to know that it works perfectly!

Me: Thank you very much. We both did a great job.

Femme Fatale: (to Zak and his friends) You guys helped too.

Zak Storm: We sure did.

Isami (to Zak): See you in 7 days.

Zak Storm: I'll be waiting.

Isami and Katsumi held out their fists and Zak bumped them.

Me: We'll be ready.

Titanium Toenail: What now?

Grundy:...Grundy hungry

Our stomachs growled.

Me: I am hungry myself. Lets head to Lynn's Table.

Nico: Good idea. Great job today everyone! Pipp you and Derpy and Anita all did a great job today.

Pipp Petals: Oh my glitter! This was so fun!

Me: It sure was

Derpy Hooves: (To the viewers) We all had so much fun! We kicked butt!

Me: We sure did!

We returned home and had a great meal at Lynn's Table and it was fun. And we helped Isami and Kasumi Minato settle in, and hours later, night fell on the city, and Lincoln was heading to his room.

Lincoln: That was an awesome day, we sent Queen Bansheera to The Warp until Carter's big day and sent Ghost Vypra to The M.O.E, and we got rid of Brenda Dennehy in Versailles and resurrected the Universe 666 Loonatics, and we also got rid of Tregear and threw Dr. Nefarious in prison and pissed Dark Sebastian and the rest of those snakes off big time. That'll teach them.

Then, just as Lincoln was about to step inside, he caught the scent of roses in the air, and as he opened the door, there on his massive extra-extra-extra large never-ending expanding bed for him and his expanding harem was his entire harem dressed only in strapless bras and panties, and when he saw them, he had an atomic red blush on his cheeks and muzzle and his wolf nose gushed out blood.

Girl Jordan went up to Lincoln.

Girl Jordan: (Rubs Lincoln's massive pecs) I knew that old trick wound up getting you once more. (Seductive Voice) And it got you aroused once more. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him as he went up to his harem.

Amara Roshansa: (Seductive Voice) Uh oh, looks like someone's about to get really...wild.

Suddenly, Lincoln lifted Girl Jordan and brought her to the bed with him joining the rest of his harem and he was on top of Girl Jordan and the others.

Lincoln: (Seductive Voice) (Smirks) You said a mouthful.

Lincoln used his one-hundred massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

END OF THE ICONIC MISTRESS OF ALL EVIL

Maleficent Is Going Down after Everything She did since 1959

In the early morning hours at 12:10 AM, Lincoln had a dream, and he saw two figures hiding out and living in Sandy, Utah. But, this was no ordinary two figures, they were Thunder-Wing, daughter of Lincoln's future wife, J. and Blade-Hands, daughter of Lincoln's future wife, V. Lincoln woke up from the dream, but he wasn't the only one, J, V, Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We all did, Lincoln.

J: And it also means that we found out where our kids are at.

Me: They're at Sandy, Utah.

Nico: Oh man, that's not good at all.

Lincoln: I know right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Black Alpha: we're on it, Lincoln.

Lincoln, J, V, Black Alpha, Me, and Nico were heading to Sandy, Utah. Then, Lincoln saw a 14 years old Human-Disassembly Drone hybrid who has neon-yellow eyes and silver hair styled in high twin pigtails tied with black ribbons and wears a black headband adorned with five additional eyes. She also has a pair of large retractable wings with several long blades for feathers, and a thin black tail ending in a large syringe filled with Nanite Acid. She wears a short-sleeved black dress with side pockets, a black leather belt, and a black tie over a dark yellow collared shirt, and knee-high stockings with visible suspenders. And a 14 years old Human-Disassembly

Drone hybrid who has neon-yellow eyes and silver bob-cut hairstyle and wears a black headband with five sections of eyes. She also has a pair of large retractable wings with several long blades for feathers, sharp claw-like hands, and a thin black tail ending in a large syringe filled with Nanite Acid. Wears a black-gray short-sleeved crop coat with a fur collar and cuffs, and black thigh-high stockings with yellow and black stripes at the end of her legs. Lincoln saw who they were, they were Thunder-Wing and Blade-Hands.

Lincoln: Excuse me, are you Thunder-Wing and Blade-Hands?

Thunder-Wing: Of course we are. Who are you?

Lincoln: Well, I'm Lincoln Loud of Team Loud Phoenix Storm, and that's the Dark Knight and Leader of the Elemental Heroes, Black Alpha, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, J and V came out, and when Thunder-Wing and Blade-Hands saw them, they were stunned.

Blade-Hands: Mother?

V: I'm here, sweetie.

Thunder-Wing and Blade-Hands ran up to J and V, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, and Black Alpha.

Lincoln: And there's something you should know, J, V, your mothers are one of my many future wives.

Thunder-Wing and Blade-Hands: Does that mean...you're our father.

Lincoln: (smiled) What else I wouldn't be?

That filled Thunder-Wing and Blade-Hands with joy, as Lincoln picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Thunder-Wing and Blade-Hands to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting J and V with their kids, and Thunder-Wing and Blade-Hands now has a loving, strong, brave, and caring father in their life. We went back to sleep

* * *

In the early morning hours of 12:24 AM, Lincoln was asleep along with his harem and he had a dream as it took him to an underwater planet known as Planet Techwater. Suddenly, he saw a girl with long aqua blue hair with aqua blue eyes and aqua blue angel wings and dressed only in an aqua blue two-piece bikini in spirit sleep along with himself and his harem from 150,000 years hence. Lincoln woke up, and so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln: I just had a dream, and this is gonna shock J.D. when we tell him.

Lincoln explained everything, and when he was done, his harem were shocked.

Talia Houou Flameheart: (Irish Accent) Oh man, it's her: the first of your Guardian Angels!

Selene Arcangela: And we also found the Lincoln and his harem from 150,000 years hence, they were in spirit sleep this whole time.

Suddenly, Lincoln got up and got dressed along with his harem, then Nico and I came in.

Me: Lincoln, what is it?

Lincoln explained, and I was shocked.

Me: No way, you found the Lincoln and his harem from 150,000 years hence! No wonder I was unable to sense him.

Nico: They were in spirit sleep along with the very first of your Guardian Angels. But, I thought...!

Lincoln: Yeah, I know. Talia Houou Flameheart was the first one of my Guardian Angels who swore the oath 7,700 years later, Tara was the first of my Guardian Angels of the modern day who swore the oath in her timeline, the timeline the J.D. of 150,000 years hence came from.

Me: Oh. Right. So, what do you intend to do?

Lincoln: I'm going to bring Planet Techwater to our solar system, then, we're heading over to awaken Tara, and once that happens, that'll cause the Lincoln and his harem from 150,000 years hence to also awaken, but they'll eventually merge with me and my harem.

We headed outside, and...!

SNAPS FINGERS!

Lincoln brought Planet Techwater to our system, and we headed over, and it was an awesome planet of water and tech combined.

Me: Wow, this place is awesome.

Suddenly, Lincoln sensed it, and we headed on over to a hyperbolic spirit sleep chamber, and we saw Tara Toonamine asleep in one chamber.

Me: That's Tara Toonamine? Whoa, hubba hubba!

Nico: Dude, you know Lincoln's here, right? Watch it or he'll clean your clock.

Lincoln: Hey, be nice, he knows she's my Guardian Angel.

Then, we saw the Lincoln and his harem from 150,000 years hence in multiple chambers.

Nico: Whoa. Oh man...!

Michelle Emperyous: They're all asleep and despite being in their early 20s physically, they're still the same as all of us.

Lincoln: Being asleep for 150,000 years in that state of spirit sleep and not knowing what happened to the others...! Dark Chase Young, you really are an absolute monster.

Lincoln placed his hand on the pod where Tara Toonamine was sleeping. Suddenly, it started to glow and it opened up, and then, she started to awaken as Lincoln caught her in his arms.

Tara Toonamine: (Groans) W-where am I?

Suddenly, her eyes came into focus, and she saw Lincoln recognizing the deep sapphire blue eyes.

Tara Toonamine: L-Lincoln? Is that you?

Lincoln: Yes, it's me from the Earth that hasn't been destroyed by the asteroid, the one you found, though I've really grown up a lot.

Lincoln wrapped his abnormally massive and muscular arms around Tara Toonamine's waist and hugged her, and Tara Toonamine is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and ninety-nine sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, one-hundred massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Tara Toonamine: That you have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 12'6" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and ninety-nine sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and one-hundred massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome. But, wait, where am I?

Me: You're in our world. Lincoln brought the planet and all of you here to our world, and in our world, we destroyed the asteroid heading for Earth when we went after Tim Scam.

Nico: And foiled one of Dark Chase Young's schemes to prevent the prophecy from coming true in our world. Lincoln already fulfilled the first part of the prophecy by getting 403 years of divine retribution for his ancestors by taking down Morag and killing Aggie.

Lincoln: Now, all that's left is for the second part: killing the monster responsible for everything he did to my family in 1621 and for 1,500 years of pain and suffering, Dark Chase Young.

Tara Toonamine: Perfect.

Suddenly, Nicole came to us.

Nicole: Guys, I just saw a planet come into our solar system, and who is...?

Selene Emperyous: Nicole, meet Tara Toonamine, she's the first of Lincoln's Guardian Angels and possibly one of the most powerful of all of Lincoln's Guardian Angels, and she was born with omnipotent power, immortality, invincibility, and all the elements. Tara came from the Earth prior to its destruction in the other timeline. Tara was observing Earth and she found Lincoln and ended up falling in love to the point of swearing that she would do everything in her power to protect him, and God heard her swearing to do everything in her power to protect him, and she took The Sacred Oath, thus becoming the first of Lincoln's Guardian Angels. Before the Earth of the other timeline was destroyed, Tara came and rescued Lincoln and his harem from its destruction and got them to her home planet, Techwater, where she placed herself, Lincoln, and his harem in spirit sleep until she, Lincoln, his harem, and Planet Techwater can be transported to the time where the asteroid that was coming to destroy Earth was destroyed when we went after Tim Scam. Lincoln grateful to Tara for saving him and his harem, kissed Tara on the lips and even swore to marry Tara when he comes of age, and she despises Dark Chase Young with an extreme passion and she would stop at nothing to make sure he pays for everything he's done.

Nicole: (GASPS) Whoa! So, she saved her Earth's Lincoln and his harem before the Earth of that timeline got destroyed?! And they were in spirit sleep. Dark Chase Young, you vile monster.

Lincoln: Yep, and I brought the planet here. This is Planet Techwater.

Nicole: A planet of water and tech, nice.

Lincoln went up to the pods where his Lincoln of 150,000 years hence along with his harem were sleeping in, and as soon as he touched them, the pods glowed and they opened. Suddenly, they merged with Lincoln and his entire harem, and Lincoln and his entire harem here with us and all over the world grew stronger than ever gaining 150,000 years of experience in combat and power beyond any imagination.

Lincoln: Whoa!

Selene Emperyous: Incredible, we feel even stronger than ever!

Earth: Same here.

Lincoln then went up to Tara Toonamine and he pinned her to the seafloor and he kissed her deeply and passionately on the lips and she returned it after recovering from the shock, then, he leaned down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out even more and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed with intense light. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Tara Toonamine with blue gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Lincoln then helped her up and carried her bridal style as we came back home and went back to our rooms and Lincoln brought Tara Toonamine to his massive extra-extra-extra large never-ending expanding bed for him and his expanding harem and he had her sleeping on top with her head on his massive pecs.

Tara Toonamine: (Rubs Lincoln's massive pecs) This feels really nice, and it's so good to finally be home.

Lincoln: Us too.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. Guys, there's something I need to tell you guys. Last night, my dream took me to a planet called Techwater.

Then, Lincoln, Nico, and I explained everything that happened last night, and when we got done, everyone was floored.

Qin: HOLY COW! So, you guys found the Lincoln of 150,000 years hence along with his harem in spirit sleep on the planet?!

Then, Tara Toonamine came in.

Nico: Along with the first of Lincoln's Guardian Angels from the Earth of 150,000 years hence that got destroyed, and she's possibly one of the most powerful of all of Lincoln's Guardian Angels.

Me: Yep, she was born with omnipotent power, immortality, invincibility, and all the elements. Just like what happened to me, and Lincoln has added her omnipotent power, immortality, invincibility, and all the omnipotent powers of the elements to his arsenal when he fed on her blood last night.

May: But, that means if you were able to find her Lincoln from 150,000 years hence along with his harem, that means...!

Maria: Ourselves from 150,000 years hence must be on different planets that were from that same timeline. But, how can we find them?

Lincoln: Just leave that to us. When the Lincoln from 150,000 years hence merged with me, I gained 150,000 years of experience in combat and incredible power beyond anyone's imagination, same with my harem.

Sora woke up to see Poliwag 2 staring at him.

Poliwag: Morning Sora and Kairi! Time for breakfast!

Kairi: Oh boy!

Sora: Lets go.

They went and got dressed and went to the table.

Me: Morning guys!

Sora: Morning.

We gave them pancakes and waffles.

Suddenly, a demon from The Netherworld came to us.

Demon: Lady Brittney, Lord Lincoln, we have trouble! Pennywise the Dancing Clown has been sighted in Neo Phoenix Land.

WE GASPED!

Lincoln: I guess we know who we're going after today for Nico's rescue. Thank you for telling us.

The demon vanished.

Ymir: Who is Pennywise?

Sakura Knudson: He is the main bad guy from Stephen King's It. That story was really scary!

Me: Yep.

I went over his history

It, also known by its favorite form as Pennywise the Dancing Clown, is the titular main antagonist of the 2017-2019 film duology of the same name, and its upcoming 2025 television series prequel, Welcome to Derry.

It, like the original novel counterpart, is an ancient supernatural being who takes the form of one's worst fears (particularly children) before feeding on them. Having terrorized the Earth for generations, it's reign of terror soon comes to an end the moment it kills Georgie Denbrough, becoming the archenemy of his older brother Bill Denbrough, who seeks to avenge Georgie's death by killing It at all costs with assistance from his friends, thus is the reason for the Losers Club's formation in the first place.

In It's Pennywise form, it was portrayed by Bill Skarsgård, who also played Richard Persson in The Crown Jewels, Willard Russell in The Devil All The Time, Kro in Eternals and the Marquis de Gramont in John Wick: Chapter 4.

Like the novel, It was part of the disasters that occurred every 27 years in the very town of Derry. It was presented as a ravenous cosmic entity with eldritch attributes instead of the enemy of Maturin, who is totally absent from this universe.

It will appear in the prequel television series Welcome To Derry where it will take place in the 1960's, 27 years before the events of It: Chapter One. The story will also explore the origin story of Pennywise The Dancing Clown.

It first appears to Georgie and talks friendly with him to gain his trust, until it reveals it's true colors when Georgie was about to get back his boat, by ripping off his arm and dragging him into the sewer to finish him.

Mike, escaping from Henry Bowers' gang runs off into an alley and as he walks through a locked door, he hears screaming and pounding. The door opens a little and several burned hands start to come out alongside the cries for help from Mike's parents (who died in a fire when Mike was little). A little later, the hands were hidden and the screaming stopped, but suddenly the door swings open and Mike watches Pennywise murdering a sheep behind plastic curtains. Stanley is in a synagogue studying for his bar mitzvah. As he walks through the rabbi's office, he observes a painting showing a woman with a deformed face in the style of Amedeo Modigliani. The paint falls off, and when Stan picks it up, the woman is no longer there. When Stanley turns, the woman from the painting manifests as the woman and smiles at him with her fangs, but Stanley manages to run away.

Ben is in the library looking for Derry's story. From a series of articles, he learns that Derry's children have been disappearing under mysterious circumstances for centuries. The book contains a representation of Pennywise and the head of a missing boy in a tree. After observing a red balloon floating towards the library corridor, Ben follows it only to discover an Easter egg that begins to follow the trail down the hall to the basement. When Ben goes down to the basement, he is suddenly chased by It, turned into a headless boy, then the librarian appears to ask Ben what he is doing in the basement, while It disappears without a trace, leaving Ben totally scared.

It then appears when Mike is bullied by Henry Bowers and his gang behind trees, eating a bloody arm. It salutes him by making greetings movements with the arm. Mike is pursued by Patrick Hocksetter in the sewers. The latter, separated from the rest of his friends, gets lost and meets some demonic-looking children who make him run, but he reaches a dead end. A red balloon appears before him with the phrase: "I love Derry", when it explodes reveals It, as Pennywise, with a bloody mouth. It immediately brutally murders Patrick.

Later, Eddie is walking back home when he passes an abandoned house on Neibolt Street, he is suddenly frightened by a leper, causing Eddie to run around the courtyard of the house. Upon reaching a fence, It tries to lure him with balloons but a horrified Eddie runs under the fence and escapes. It then attacked Beverly from the bathroom, by making voices of some children coming from the bathroom and when she goes to observe, the strands of her hair come out of the bathroom and hold her by the neck before a source of blood shoots out of the washbasin and stains the entire bathroom. Bill is sleeping inside his house when he sees Georgie running to the basement. Surprised, he enters the basement, which is flooded. Georgie appears and invites Bill to join him saying, "We all float here." Georgie repeats the words "You'll float too" until he screams and decomposes. So, It emerges from the water and tries to catch Bill, but he runs back upstairs.

The children go to Bill's garage where they observe Derry's map through a projector. They discover that all the sewers in the town are attached to the Neibolt Street house, where they believe It lives. The projector then begins to show images of Bill and Georgie with their parents, but with Pennywise's face appearing above their mother. Mike kicks the projector in order to turn it off, but he continues to display images until Pennywise (with a giant size and a very terrifying and disturbing smile) comes off the screen and tries to attack them. But they manage to get out of the garage before the creature can harm them.

The Losers Club goes to the Neibolt house to confront It. It first attacks Eddie, again in the form of the leper, causing Eddie to fall in the kitchen of the house, breaking his arm in the process. Meanwhile, Bill and Richie try to help him but Richie finds a door, revealing a room full of clown dolls. Richie observes a coffin where he finds a doll of himself. After closing the coffin, Pennywise jumps out of it and utters the phrase, "Beep-beep, Richie", before attempting to attack him, but Richie manages to flee the room with the help of Bill, causing It to turn its attention back to Eddie, who sees it exit from a refrigerator and backs away from him. Meanwhile, Bill and Richie try to go help him, but they find three doors in which the following bloody phrases are written: "Not scary" in the first, "Scary" in the second and "Very scary" in the third. They open the first door, revealing a girl with no legs. After this Richie panics, but Bill tries to calm him by saying that none of it's real, when they open the second door they discover the clear hallway and hear Eddie's screams in the kitchen asking for help and they run to help him. They get to where It and Eddie meet and prevent the clown from murdering him. The creature reveals to Bill that it was Georgie's killer, then tries to kill them. Suddenly, Beverly appears and sticks a spear into It's head. However, all three are cornered while It is willing to murder them. It manages to hurt Ben and runs away from the building in anger.

Henry finds a red balloon in his mailbox. Inside, he finds a box with his father's knife, sent by It. Henry enters his house, where he finds his father sleeping with the television on. A woman with children (all victims of It) appears on the screen, prompting Henry to kill his father. He does so by driving the knife into his neck and letting him bleed to death. Then the kids on TV start singing, "Kill them all! Kill them all! Kill them all!" being followed by Pennywise with a macabre smile. After that, It kidnaps Beverly after she incapacitated her father. He then writes on the wall with blood: "You die if you try". Bill, entering Beverly's house, realizes that It kidnapped Beverly, so he decides to repair his friendship with Richie, Stanley, Ben, and Mike to rescue her.

Beverly wakes up in the sewer and observes a mountain of objects and all the children killed by It floating. She tries to leave the place until It appears dancing, she finds a way out, but the creature catches her and Beverly admits not being afraid of him. Unfortunately, It opens its mouth, revealing the Deadlights inside (if heard correctly, people can be heard screaming "Help!" "Help!") and this causes Beverly to go into a kind of trance. As the Losers walk down the sewers, Stanley is attacked by It in the guise of the misshapen woman. She bites her head, but the children manage to push her away from him while comforting a traumatized Stanley.

Finally, the children find It's lair: where they discover all the children that It once murdered floating in daylight under some kind of trance. The group finds Beverly floating and throws her down while Ben kisses her to free her from the trance. Bill watches Georgie emerge from the shadows. Georgie tells Bill that he missed him and that he was waiting for him to come and rescue him. Bill hugs his brother, but he knows he really isn't Georgie and shoots him in the head with Mike's nail gun. Georgie's body writhes on the floor until it becomes Pennywise. The creature attempts to kill all seven children, but the children fight it until It catches Bill. It gives them the option to leave and let it murder Bill or have everyone die together. Bill tells them to run away, but Richie decides not to leave his best friend and runs against It to attack the creature. All the children start beating It (it also fights with them transforming itself into their worst nightmares) with metal things until leaving it powerless and unable to hurt them because they no longer fear it. But It becomes scared of the Losers Club itself, as it crawls back trying to get away from them, but Bill tells Pennywise that he now knows why it did not kill Beverly and declares it will starve. Before Bill can deliver the final blow, the head of a badly wounded It begins to crack and the creature whispers: "Fear" before jumping down the well, seemingly killing itself.

All of the children killed by Pennywise begin to float down as Bill finds Georgie's waterproof jacket. He realizes that his younger brother really is dead and cries while his friends hug him to comfort him for his loss.

1 month later after their eventual triumph against It, Beverly informs the group of a vision she had while catatonic, where she saw them fighting It as adults. The Losers form a blood oath that if this evil that is It should ever revive, they will return to Derry in 27 years and destroy it once and for all. After the other Losers depart one by one, Beverly tells Bill that she is moving to live with her aunt in Portland, Oregon the following morning.

27 years later, It resurfaces when a group of homophobic teenagers beat up and toss a gay man named Adrian Mellon off the bridge. It then slaughters Adrian in front of his lover before presumably using his blood to write a message to Mike about his return. As such, It wasted no time in hunting the children of Derry, such as when it

uses empathy to lure a young girl named Victoria into getting closer to it under the false assumption that it'd help make the birthmark on her face disappear. To further torment an adult Bill, It sends him a skateboard, explicitly letting him know that it was going to go after a young boy named Dean next. Realizing that Dean was heading to the carnival, Bill chases after him into the hall of mirrors. Unfortunately, It gets the upper hand and gruesomely kills the young boy in front of him. Horrified to have lost another young boy after Georgie, Bill decides to head to the Neibolt house to personally kill the creature after Henry wounds Mike and Eddie.

After each member of the Losers Club went down their own quests to retrieve artifacts from their pasts to complete the Ritual of Chud, the ritual seems to work when it traps Its Deadlights inside of the vase, but it goes awry. A giant spider-like version of Pennywise emerges, revealing that the 7 members of the original natives known as the Shokopiwah tribe who had performed the ritual were immediately slaughtered by It itself. This version of it is a combination of it's default form Pennywise the Dancing Clown itself and the Giant Spider as described in the book. It then warps the Losers Club into different nightmarish scenarios, but they inevitably overcome their fears. It traps Richie in its Deadlights, forcing Eddie to grab the pole Beverly gave him earlier and attacks the creature with it under the belief that it could kill it. Unfortunately, It impales Eddie with one of its spider-like appendages, swings him around like a ragdoll, and tosses him, leaving him with a large wound in his abdomen.

This one-act proves to be its undoing, however, when the Losers Club realize that in order to defeat It, they had to make it believe that it was smaller, due to it's only true control being that fear it held over them as children. Despite of its insistence that it was the "eater of worlds", the remaining Losers taunt and insult until it realises they are no longer afraid of it, making it unable to psychically exist. The Losers continue to insult the creature repeatedly until It was forced into a smaller, infantile form. It attempts to lash out at Mike, but is too weakened. To It's horror, Mike reaches into its chest and grabs its beating heart. It tries to grab it to no avail and is left crying like a baby, It's final words being "Look at you… you've all grown up!" with weak laughter. The Losers each mutually take a hold of the heart and crush it slowly. It reacts in pain until the heart explodes into a pasty substance, finally killing it and ending its reign of terror. Its body disintegrates as the Deadlights vanish which erases it from existence, implying heavily that the Deadlights were revealed to be It's true form. With IT's death, everything IT caused have been avenged.

After It's death, Richie tries to coerce Eddie's corpse awake, not accepting that he was truly gone till near the film's end after jumping into the lake with his partners. He attempts to take the body with him, but fails when It's lair and the Neibolt house start to crumble and collapse in response to IT's demise. The Losers are forced to leave Eddie's body in It's lair and the Neibolt house collapses on itself, sinking into a hole in the ground. After Richie accepts Eddie's death, he writes "R+E" on this fence shortly later in memory of his best friend.

When I was done everyone that hadn't heard about it was horrified!

Ymir: OH MAN! That is crazy!

Qin: It was!

Me: Always love coming to Neo Phoenix Land.

Camie: Same here.

Ymir; Me too! It's awesome.

Laney: It sure is.

Qin: I agree there!

Ground Scaravich: I'm ready for some fun.

Lola: Me too!

Nico: Ground Scaravich, I want to thank you, Megatron, and your teams for coming.

Ground Scaravich: No problem Nico. This is gonna be so fun.

Gianna Buster: I'm ready to kick some butt!

Lola: We all are.

Nico: Gianna, what do you like to do in your free time?

Gianna Buster: Well I work as a martial arts teacher for the local dojo. In my spare time I like writing books for the adventures of me as the Avatar of Buster.

Me: Cool!

Gianna Buster: It sure is. Also I use Ryo Ogami's books for inspiration.

Me: Awesome!

Gianna Buster: Yep. Here's one of my books.

She showed a book and it was called Gianna of Genbu of The North and The Mountain Monsters of Terror Mountain. It showed her slashing and destroying numerous scary mountain monsters to get to treasures in a castle.

Me: Whoa that is awesome!

Lana: Awesome!

Laney: I read that book and it's really creative.

Touma: That's actually a good job to have

Gianna Buster: It sure is.

Qin: Cool.

Lana: Yeah.

Me: I agree.

Camie: Yep.

Nico: Awesome.

Pipp Petals: Oh my glitter! Yesterday was so fun for me, Derpy and Anita!

Me: Boy it sure was!

Ymir: Yeah! That was so awesome!

Sunset Shimmer: Don't forget me as well.

Pipp Petals: You too Sunset. Also it was awesome!

Laney: It sure was! And the new zords were amazing!

Me: Yeah it took me and Ms. Fairweather a month for that to make them.

Nico: But it was worth it.

Me: It sure was.

Luan: And the new zord you made for Vypra was really amazing!

Me: Yeah it took a while for that one too. It was long overdue for her to have her own zord as well.

Qin: I agree.

Xenia: And Sunset Shimmer's Akuma was scary!

Sunset Shimmer: She was a shapeshifting ball of fire!

Ratchet: And Nefarious is in prison.

Xenia: Good riddance.

Me: And Tregear is gone too.

Lola: Yep. Wow! We're doing really good as well with all the bad guys we're facing in the future as warmups.

Me: We sure are. First we faced Bansheera and then Anubis.

Nico: Who's next? Xandred?

Me: Don't jinx it Nico.

Nico: Sorry.

Me: But if it is Xandred he is gonna be ready for one helluva beatdown from you for that failed Kamikaze attempt.

Ymir: Really?

Me: Yeah he blew himself up and tried to take Nico with him. But in the end he blew himself up all for nothing.

Nico: We Saiyans have been known to survive practically anything.

Qin: Yeah.

Me: So it'll take more than a Kamikaze attempt from Xandred to kill Nico.

Nico: Yep.

May: That was back in 2020.

Sarah Gunnerson: I remember that! That was during one of the adventures we had in Perim.

Camie: Wow!

Qin: Yeah that was intense.

Lola: It was.

Varie: That was fun.

Lana: It sure was.

Me: For now lets just get this over with shall we?

Lincoln: Okay, guys, we're here for one awesome battle, we're here in Neo Phoenix Land to help Pinkie Pie unlock her Rainbow Power and send Pennywise to The Black Abyss forever.

The rest of the team's with us.

Me: Yep, we'll teach that monster a lesson he'll never forget.

Nico: He'll be the first of the horror movie villains we send to The Black Abyss forever.

Caleb Maxwell: And you guys have also dealt with the horror movie villains and horror slashers from the 1950s, 1960s, 1970s and 1980s before in the past. I know all those villains all too well same with Mom, and I know what's going to happen to them when we catch them. I've been wanting a chance to put those bastards out of their misery forever, and that includes Freddy Kreuger, Jason Voorhees, Leatherface, and Michael Myers, those three I remember from the movies back in the 70s and 80s in our world, and I've hated them with a blazing passion, those guys were absolutely pure evil.

Nico: Well, you're gonna get your chance to end them forever when October comes.

Me: That is for sure!

Suddenly, Lincoln had a premonition as his large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a one-way viewing mirror: it appears Dark Sebastian and those Order of The Dark Universe and Dark Church of Malphas dickheads have sent another massive 12'6" werewolf and massive pack of 12'6" massive werewolves after us!

Lincoln: Are you kidding me?! Dark Sebastian, you little...!

Me: He sent another massive 12'6" werewolf and massive pack of 12'6" massive werewolves after us?!

Nico: And there's no doubt Dark Sebastian's there too. Remember the stunt he forced Sebastian to pull when we were in The Water Sensei Realm?

May: None of us forgot.

Lincoln: Same here. But, I'm gonna enjoy pissing that snake off by absorbing the next werewolf and its pack and drain all their souls and send them to The Black Abyss. Now, let's get going.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: This is it.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I knew increasing the strength and potency of my Min's Egyptian Virility Drain Curse on those two was a good idea. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Pennywise) AHA! Gotcha! I just spotted Pennywise, he's 20 yards away, but he's already causing havoc.

Nico: Let's get him and tear that clown apart limb from limb.

Pyrrha heard a Pokemon cry.

Pyrrha: Look guys!

We saw a Thievul.

Me: Cool a Thievul!

Pyrrha: The poor thing is hungry.

Thievul: Yeah I'm hungry.

Pyrrha gave her some apples and she ate them.

Thievul: Thank you.

Pyrrha: Want to come with us?

Thievul: I would be honored.

Me: Cool.

But then...

ZZZZZZZAAAAAAAAAAAAAAAAAAAAAAPPPPPPPPP!

May got zapped by an intensely powerful blast of lightning!

MAY SCREAMED IN PAIN!

Me: GEEZ!

Ed: Zappity Zap Zap!

May was badly burned to a crisp!

May: Ow.

Universe 666 May: THAT had to hurt!

Me: No kidding!

Qin: YIKES!

Horsea: It's funny since we met a Thievul Gene Slammer recently.

Me: That is true. But guys who fired that lightning!?

Nico: YEAH!

Me: Okay who is the Wiseass!

Lola: Look!

We saw a Rotom!

Me: WHOA! A Rotom!

Nico: Where did that come from?

Me: It most be one of Dark Gale's work.

Static Shock: Let me see.

He used Telepathy and gasped!

Static: It's my twin sister Yvonne!

Carol and Maria gasped: YVONNE!?

Carol: Wow! We haven't seen her in a while!

Maria: You guys are gonna be shocked about her story!

Horsea: Let me help too.

Me: Lets go help her.

Me, Static, Carol, Maria and Horsea went to face her.

Static Shock: Yvonne it's me Virgil!

All she did was possess a Lawnmower and charge at us.

Me: WHOA!

We jumped out of the way and it crashed into a tree and she got out of it.

Me: I forgot that Rotom can do that.

Carol: That is cool.

Me: Okay then.

I fired waves of energy and Carol fired Atomic Rays and Maria fired waves of water and blasted her.

Static and Horsea fired waves of energy and lightning and blasted her.

I snapped my fingers and she reverted back. She had black hair, purple eyes, yellow angel wings and had Rotom on her forehead and had the planet Saturn with a thunderbird on her arm as a cutie mark.

We wrapped her in a blanket and brought her over.

Me: There.

She woke up To see Horsea staring at her.

Yvonne Hawkins: (Groans) Huh? A Horsea?

Horsea: Are you okay?

Yvonne Hawkins: I think so.

Virgil: I'm glad you're safe Yvonne.

Carol: Same here.

Maria: Yeah.

Yvonne: (GASP) Virgil? Carol? Maria!? It is you!

She hugged them.

Yvonne: It's great to see you! Maria you're back to normal? How?

Maria: You have Carol and the Power of Tefnut the Goddess of Water in Egyptian Myth to thank for that.

Carol: It's a long story on that.

Me: And you were turned into a Rotom by Dark Gale.

Yvonne: (GASP) I remember!

She was in a yellow suit and injected and turned into Rotom and flew out

FLASHBACK ENDS

Yvonne: It was awful.

Me: I know but we destroyed Dark Gale for good.

Yvonne: Good.

Laney: How did you meet Yvonne?

Carol: Me and Maria helped her when she was having problems with Racist Jerks at school and we beat them up and got them expelled and blacklisted from ever attendng school ever again. We have been good friends since then.

Me: Bunch of stupid jerks! They just never learn.

Carol: No they don't.

Maria: Also Yvonne has Saturnian Lightning Powers. She got them from the Quantum Vapor.

Yvonne: The Quantum Vapor?

Me: It's an experimental biohazardous mutagenic gas. A bunch of people including you and Virgil were in the wrong place and the wrong time when that gas was released. It mutated them and gave them incredible powers. Thus giving rise to an event called The Big Bang.

Virgil: It's true. I got lightning powers from it.

Maria: I was turned into pure water which made me Aquamaria.

Yvonne: Oh man! I was on my way back home when this weird purple cloud rolled in. Next thing I knew I got these intense lightning powers.

While we were taking, a certain clown was watching from the shadows before turning away and changing shape

Eli sensed it.

Eli: (In his head) Pennywise is watching us.

He saw Pennywise in the shadows.

Eli sneered.

Me: Yvonne, Saturnian Lightning is more powerful than Earth Lightning.

Yvonne: Wow! I became Lady Thundersaturn as a result and it's awesome.

Laney: Can you show us some of your powers?

Yvonne: Sure.

She held out her hand and fired a massive blast of yellow lightning and it hit a tree and it exploded in a massive blast of splinters!

Me: WHOA!

The tree was blown into a million pieces!

Nico: Powerful!

Me: Yep.

Yvonne: Yeah. Virgil I heard about how everyone knows you are Static Shock.

Virgil: Yeah. Everyone knows who I am now.

Me: Some people managed to figure it out and we backed Virgil up.

Richie: Yeah it's true.

Me: Yep.

Yvonne: Oh my role for Sonya's team is the Lightning Master and I use my powers to bring down our enemies. Outside the team I help bring in criminals and the Metabreed.

Lily: Wow! Well most of the Metabreed are with our frenemies in the M.O.E.

Poromon: (to Horsea) You're not angry at being attacked this time?

Horsea: Nope because I was with Maria.

Poromon: Cool.

Yvonne: Is that Horsea yours Maria?

Maria: She sure is. Horsea and I have been very close since we met in Narnia.

Me: Long story.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her orange and brown clothes.

Yvonne: I look awesome!

Me: You sure do.

Yvonne noticed Carol and Maria's rings.

Yvonne: Carol, Maria are you two married?

Carol: We sure are. I'm now Carol Pusateri.

Maria: And I'm Maria Dunbar.

Me: They got married to Vince Pusateri and William Dunbar here.

Maria: It's true. I'm now the second in command of the Redemption

Squad.

Yvonne: WOW! I've missed out on a lot. But I'm happy for you. Also guys many Bang Babies are in Sonya's team. They are all ones that know all the Bang Babies you guys know.

Me: Thanks for the heads up. We'll keep our eyes peeled. Now we got to find our target.

We then took off into the air to help Pinkie Pie unlock her Rainbow Power and send Pennywise to The Black Abyss forever.

We were flying in the air, and we saw our target: Pennywise The Dancing Clown, and he was causing a lot of havoc.

Lincoln: There he is.

Crash Bandicoot: Time for our entrance.

Suddenly, Crash Bandicoot's emerald green eyes glowed, and out of nowhere, cannons appeared out of nowhere, and they fired blasts of confetti into the air that transformed into bladed daggers and gears and they went at and slashed Pennywise all over the place.

Me: Whoa, awesome.

Pinkie Pie: Ouch.

Lincoln: Now, comes the fun part.

Suddenly, the spirits of all the party items appeared and they fired at Pennywise, and then, the spirits converged and they crashed down and a massive explosion erupted as a Thunderbird Screech and Phoenix Cry was heard and we appeared.

Lincoln: You're at it again, Pennywise?! Ugh, guys like you, you never learn, do you?

Nico: A clown like him never learns.

Me: Long time no punch Pennywise.

He then grinned before seemingly shattering like glass

Nico: Um… did we win?

Me: Don't think so. He's up to something.

?: Guys!

We saw another Yvonne running towards us.

Yvonne?: Thank God! You rescued the wrong Yvonne. She's an imposter. You know how many shapeshifting freaks there are

Me: (Not fooled) HA! NICE TRY!

I fired waves of energy and blasted "Yvonne" and she reverted back to Pennywise!

Pennywise: What gave me away!?

Me: No wings.

I fired waves of lightning and blasted him.

I kicked him.

Me: How do you like that you stupid clown!

Pennywise: Time for you all to float!

Me: You first!

I fired waves of wind and blew him around in a powerful tornado! It cut him all over the place.

Me: That was for killing Georgie!

Thievul charged at him and blasted him with energy.

Me: Here is something I learned from a parody of you.

I used my powers and lifted him up and twisted and tied him up. NUMEROUS BONE CRUNCHES AND SNAPS WERE HEARD!

He screamed in excruciating pain!

Pennywise screamed in pain and was really in agony!

Nico: Where is that from?

Me: The Simpsons episode 5 of Season 34.

Nico: Oh that one with Krusty as Pennywise.

Me: Yep.

I fired waves of fire and burned him all over.

Me: Welcome to the Losers Club motherfucker!

Nico: Only YOU'RE THE LOSER!

Then a figure crashed into the ground and it was Lexaeus!

Me: WHOA!

Then out came the next member fo the Daughters of Organization XIII!

Lincoln: Tara Aeleus Lexaeus!

Tara Aeleus Lexaeus: Good to see you Lincoln!

Me: Care to introduce us?

Anna Anyanova: Sure. This is Tara Aeleus Lexaeus, Daughter of Lexaeus, she's Lincoln's Guardian Angel from The World That Never Was, she's a powerful master of the forces of earth and superhuman strength, and she's known as The Seismic Stalwart of The Daughters of Organization XIII, they are the daughters of the members of Organization XIII and they have elemental angel wings and black clothes and the weapons of Organization XIII and the kanjis of the elements on their foreheads, and Aniya and her friends absolutely loathe Xehanort with a bloodstained vengeance. She came to Royal Woods where she met Lincoln and swore to protect him from all threats and it not only included Dark Chase Young, but also, Xehanort as well, because Lincoln also had a hand in killing the evil Xehanort. She trained Lincoln in mastering the forces of earth and superhuman strength, and in a split second, he mastered the powers of earth and his superhuman strength greatly increased infinite-fold, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lisa with a passion

Me: WHOA! Awesome to meet you!

Tara Aeleus Lexaeus: Same here. Lynn want to help me?

Lynn: You bet I do!

She went to help her.

Inside a rainbow sphere with intense flames, fire, and elemental forces, Pinkie Pie then underwent an intense and amazing transformation! Pinkie Pie had Rainbow Flame patterns and rings appear on her legs and obliques and rainbow sun and moon on her shirt and skirt and she also gained intense flame and balloon patterns on her forearms, she also got light blue, golden yellow, and light yellow lines on her hair and tail. She then had her Cutie Mark change into many balloons and her massive pink angel wings and twelve sets of large pink angel wings underneath her massive pink angel wings had intense rainbow fire on them.

SHE UNLOCKED HER RAINBOW POWER FORM! HER INNER LAUGHTER! THE RAINBOW BALLOONS OF LAUGHTER!

EVERYONE GASPED!

Nico: WHOA! WHAT POWER!

Me: SHE DID IT! PINKIE PIE UNLOCKED HER INNER RAINBOW MAGIC!

Twilight Sparkle: THAT'S AMAZING!

Citrine Pie: WAY TO GO, SIS!

Pinkie Pie: Now to end your reign of terror forever, Pennywise!

She fired rainbow balloons and blasted Pennywise all over the place!

Yvonne: Like old times?

Virgil: You know it!

Yvonne and Virgil: LIGHTNING SHOCK BALL BOMB!

They fired a massive ball of lightning and it hit Pennywise and exploded!

MASSIVE EXPLOSION!

Rango charged at him and blasted him with energy!

Pennywise turned into Rattlesnake Jake

Rango blasted Pennywise and cut off the head. But he reformed.

Me: Nice try.

He turned into Lord Drakkon and I blocked and kicked him and fired numerous blasts and blasted him.

Qin fired waves of ice and froze him.

Lola fired waves of fire and burned him.

Nico punched him!

POW!

Pennywise turned into Frieza and fired laser blasts.

Nico deflected them back and hit him.

Amorpho: You aren't the only one that can change.

He turned into Paulina and kicked him in his face and sent him crashing into a tree!

SMASH!

It broke and crashed onto him!

Pennywise: Beep beep Richie!

Me: Shut the fuck up!

I fired waves of lightning and blasted him.

Lincoln: Time for the big guns.

Lincoln got out a massive industrial can of spinach, and he opened it up. Then...!

LINCOLN DEVOURED THE MASSIVE INDUSTRIAL CAN OF SPINACH!

Me: OH CRAP!

Nico: THIS IS GONNA GET UGLY!

Suddenly, Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and

his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and we saw a massive aura of rainbow, white, golden yellow, and blue fire surround his rainbow protective aura, and he'd gained a massively astronomical power boost.

Then, he flexed his massive muscles, and we saw two cannons exploding in his massive biceps and the Death Star exploding in his massive pecs and he let out a massive wolf roar.

Lincoln: (Cracks Knuckles and neck) (Smirks) This is gonna hurt!

Lincoln went at Pennywise and he brutally smashed him all over the place with his massive godly superhuman strength. Then, he punched him hard in the stomach and kicked him in the stomach and sent him flying into a wall, he got back up.

Me: Great job, Lincoln! That'll teach him!

Nico: Still as brutal as ever.

Suddenly, we heard more vampiric shrieks, and we saw more vampires coming right at us, and then, the skies turned red and it started raining down blood.

Me and Nico: Great, now things have really gone bad.

Then, Sherlock Hound attacked one of the vampires and we felt Sherlock Hound grow even stronger as the blade literally sucked the life out of the vampire as he died and turned to dust. Then, he swung his massive greatsword again and fired projectiles of ice that hit and froze more of the vampires before he struck them with his greatsword and sucked the life out of them and he grew stronger from that as well as they too turned to dust.

Then, we saw the 9'11 massive, wide, double-edged hulking midnight black blade of his massive greatsword was suddenly

surrounded by a red flame. Then, Sherlock Hound attacks another vampire and the blade slashed the vampire and he turned to ashes. Then, he swung his massive greatsword again and fired projectiles of fire that hit and turned more of them to ashes!

Lincoln: Alright, let's do this.

Suddenly, we heard a demonic roar, and we saw a massive 12'6" werewolf that was summoned by Dark Sebastian and his minions, and with it was a massive pack of 12'6" massive werewolves.

Lincoln: Ugh, I knew Dark Sebastian would summon them. I'll take care of them at once.

Lincoln went after the massive 12'6" werewolf and its' massive pack of 12'6" massive werewolves, and he really went wild on them showing them who's the top werewolf around here, and he was really working up a sweat, and finally, he knocked them down.

Then, Lincoln morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive 12'6" werewolf and its' massive pack of 12'6" massive werewolves, and he began absorbing them and he assimilated their massive superhuman and demonic upper body and lower body strength, massive muscle mass, virility, testosterone, and immense powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange, golden yellow, and aurora tips underneath his massive white angel wings spread out even more and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings behind his head glowed.

Lincoln: (GROWLS) Oh man, the raw immense power of these beasts is incredible.

Then, when Lincoln was done and the stingers changed back, nothing was left of the werewolves and Lincoln drained the werewolves' souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Seeing what happened to the werewolves had royally pissed off Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Damon Necroshade, and Michael Ondrushko!

Dark Sebastian: (ENRAGED DEMONIC SCREAM) DAMN THEM! DAMN THEM!

THEY WENT BALLISTIC, BUT THEN, ARMIES OF DEMONS LOYAL TO THE KEYBLADE KNIGHTS OF HELL, THE MALEFIC

SISTERS, AND THE SEVEN QUEENS OF THE NETHERWORLD ON LINCOLN'S SIDE APPEARED AND ATTACKED THOSE SNAKES AND THEY GOT BEATEN DOWN HARD, AND WE SAW IT THROUGH A CRYSTAL BALL LINCOLN FORMED!

We were amazed by the transformations of Techa Pinkie, Melanie Gelasia, Laura Diane Pyenington, Citrine Pie, Penny Pinkie Pie, Penelope Mean Pinkie Pie, and Phoebe Pinkie Dark, but that pissed Pennywise off so badly, he transformed into his hideous Spider form.

Leni: Lincoln, if you would.

Lincoln morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into Pennywise and he sucked out and assimilated Pennywise's High-Level intelligence, Manipulation, Intimidation, Trickery, Disguise, Cunning, Charisma, Spatial-temporal lock, Absolute immortality, Absolute regeneration, Dimensionlessness, Incomprehensible form, Deadlight manipulation, Madness inducement, Coma inducement, Death inducement, Eternal torment inducement, Fear empowerment, Soul consumption, Mind absorption, Avatar creation, Fear-based shapeshifting, Illusion generation, Perception manipulation, Probability manipulation, Dream manipulation, Telepathy/Telekinesis, Superhuman strength, Superhuman speed, Superhuman reflexes, Superhuman stamina, Biology manipulation, Necromancy, Life-force manipulation, Spatial manipulation, Technology manipulation, Weather manipulation, Earthquake generation, Space survivability, Underwater breathing, Temporal paradox immunity, Parthenogenesis, and Acidic body fluids, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange, golden yellow, and aurora tips underneath his massive white angel wings spread out even more and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, Pennywise was weakened to an extreme degree as he changed back into his clown form and he tossed her into a tree and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Suddenly, Lincoln's massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Pennywise, and we found ourselves not only in Heaven, but also, in space.

Lincoln, Nico, and Me: NOW, BURN IN HELL FOREVER!

Lincoln, Nico, and I did one final powerful energy slash that hit Pennywise hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Pennywise was on his last legs and he was really really mangled.

Lincoln nodded and he ran at Queen Bansheera, and...!

LINCOLN STABBED HIS MASSIVE GREATSWORD RIGHT INTO THE CHEST OF PENNYWISE AND THE ROYAL BLUE SWORDS GLOWED AND PENNYWISE WAS GRABBED BY THE SPIRITS OF ALL HIS VICTIMS FROM EONS AND CENTURIES AGO AND HE WAS SENT TO THE BLACK ABYSS FOREVER!

Pinkie Pie: We did it! Pennywise is gone forever!

Me: Good riddance forever!

Nico: You said it.

Caleb Maxwell: Thank goodness.

Emily Anderson: The Swords of Banishment definitely banished that clown for good. We should've used it on Emperor Bogo or on Rascal.

Sakura Avalon: True, but either way, at least we're rid of Pennywise forever.

Lincoln: You said it. Of course, that means the other horror movie villains are bound to make their move along with a certain cocaine wired gangster from J.D.'s past.

Caleb Maxwell: You got to be kidding me! You guys got rid of Tony "Scarface" Montana.

Me: That was long ago. But, because of what Anti-Monitor did, there's no doubt that cocaine-wired trigger-happy psycho's back.

Nico: Either way, he's finished when we go after him.

Lincoln: That's for sure. He's not getting out of this, he's going to pay for what he's done.

Me: Yep.

Horsea: To be fair, Yvonne wasn't charging at just me.

Me: I know.

Yvonne: Yeah sorry.

Me: No worries.

Nico: Nice job Thievul.

Thievul: Thanks.

Poromon: Want some beer?

Thievul: No thanks. Gives me nasty diarrhea.

Me: Oh boy.

Poromon: Okay.

Poliwag: (Does puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Poromon: We'll be helping the Ghostbusters later

Me: Cool!

Danny Phantom: Maybe I can help out as well.

Me: Good idea.

Qin: Yeah.

Ground Scaravich: Awesome!

Me: Oh Ground Scaravich what do you like to do in your free time?

Ground Scaravich: Oh I'm a construction robot. I help make areas for new buildings going in.

Me: Cool!

Qin: Good job to have.

Nico: Now for the Anothers.

Lincoln: Yep. (Sensed the Anothers) Uh oh, here come the Anothers!

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and two of them is Another Sora and Another Kairi.

Sora: Oh, this we got to see.

Kairi: That means the villain we're going after for Sora's big day is...!

Allie Maxwell: Maleficent, Disney's Mistress of All Evil! I've been wanting to get rid of her for a long time!

Lincoln: We're going to make her pay for the atrocities she committed while helping Xehanort in his quest to destroy the entire universe and for what she did to Princess Aurora for putting that curse on her.

Me: Yeah!

Xenia: Yep.

Me: So we got Another Megatron (Beast Machines), Takozo Phantom Octophant, Eagle Phantom Egounce, Filbert the Chernabog, Evil Concrete Man and Mantis Kaijin.

Nico: Yep.

Me: That means Ground Scaravich, Gianna Buster, Selena Knudson, Megan Megalith, Rosemary McArthur and Ellie Davies are up.

Nico: Yep. There they are!

We saw Another Takozo Phantom Octophant, Eagle Phantom Egounce, Filbert the Chernabog, Evil Concrete Man and Mantis

Kaijin.

Me: WHOA!

Qin: this will e awesome.

They reverted back and they were the Embodiments of Eclipse and Comet!

Me: (GASP) Elaine Eclipse and Camori Comet!

Camori Comet: Good to see you J.D.

Elaine Eclipse: Same here.

Me: You too girls. Elaine is the Embodiment of the Eclipse Dopant and is a master of the sun and the moon. Camori is the Embodiment of the Comet Dopant and is a master of comets and meteors.

Nico: COOL!

Me: Yep. By the way girls are the rest of the Anothers friendly or hostile?

Elaine Eclipse: Friendly and awesome.

Me: Cool!

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

They glowed and the anothers were separated.

Me: Action time!

Me: YEAH!

Nico: Now we wait.

Me: We don't have to wait long!

we saw Another Megatron and Sora and Kairi!

Me: WHOA!

Qin: Awesome!

Another Megatron: (In a girls voice) This is gonna be awesome and cool.

Me: That voice.

She reverted back and was the Embodiment of Heart!

Me: Helen Heart! Wow!

Helen Heart: Awesome to see you J.D.

Me: You too. Helen is the Embodiment of the Heart Dopant and she has a very POTENT and awesome power.

Nico: Which is?

Helen Heart: I have the power to make peoples hearts explode.

EVERYONE GASPED!

Nico: Really?

Me: Yep. Be right back.

I teleported and came back with a dangerous criminal.

Nico: Who is that?

Me: Just a random criminal. Watch what she can do.

I had him tied up to a pole.

Helen Heart: Now watch this. It's gonna be brutal.

She fired a beam of red energy and it went into his chest.

Then his heart started beating violently fast! HE SCREAMED AND THEN ...

KRASQUELCH!

HIS HEART AND ENTIRE CHEST EXPLODED AND SPLATTERED BLOOD AND THE INSIDES OF HIS CHEST ALL OVER THE PLACE!

Qin: OH GOOD GOD!

Xenia: YUCK!

Me: It's how she got the moniker Helen the Heartkiller. She killed an entire prison full of the most evil and most dangerous criminals by blowing all their hearts apart and making their chests explode. She splattered that entire prison with their blood.

Nico: GEEZ! And we didn't eat his heart.

Helen Heart: Yeah you don't want to eat a destroyed heart.

Nico: Point taken.

Helen Heart: Also I have all of Megatron's powers and weapons as

well.

Megatron (Beast Machines): That is impressive. Yesssss.

Me: It sure is.

Another Sora: (In a girls voice) Hello big brother.

Sora: (GASP) That voice.

She reverted back and was a girl mini version of Sora.

Sora: (GASP) SKYE!

He went and hugged her.

Skye: I'm so happy to see you! My hero brother!

Me: Your little sister no doubt.

Aqua: I guess she is my sister too.

Tsuki: That's right Aqua.

Another Kairi: Hey big sis.

Kairi: (GASP) That voice!

She reverted back and was a little blue hair version of Kairi.

Kairi: (GASP) Aura!

She ran and hugged her.

Kairi: My little sis!

Aura: I'm so happy to see you.

Kairi: Me too!

Me: Boy a great keyblader reunion.

Aqua: It sure is.

Kaito: (gets out Boonboomger gear) Did Swartz promise you anything?

Zocks: (Gets out King Ohger gear) Because we can grant it instead,

They got weapons from said teams.

Helen Heart: No he didn't because I blew his heart out of his chest and we ran.

Me: WHOA! That would have surely killed him. But he must've regenerated.

Helen Heart: Yep.

Sougo: (gets out Boonboomger Ridewatch) You must be wondering about Xehanort

Geiz: (Gets out King Ohger Ridewatch) He's not bothering anyone again

Sougo got BunRedArmor while Geiz got KuwagataOhgerArmor

Me: And you're looking at his killers. Us.

Nico: He was going to destroy the entire universe and remake it in his image.

Me: We couldn't let that happen and after 7 years we destroyed him. The most powerful force in the entire universe made sure he bit the dust. Permanently.

Skye: Good riddance.

Me: Yep

Lincoln: Lets separate you first.

We did so.

Me: Lets get it on!

Nico: (Gets out Beast Machines Megatron's ridewatch)

DECEPTICONS! TRANSFORM AND RISE UP!

Me: YEAH!

Then Dark Pegasus, Gallantmon (Royal Knights) Mercury Malgam, Lehvak-Kal, Crimson Creep and Headless Horseman came.

Me: WHOA!

Nico: Nice team Dark Pegasus!

Dark Pegasus: Thanks Nico.

Me: That means Spiral Pegasus and his team are next.

Spiral Pegasus: Damn right!

Me: YEAH!

Then out of a bunch of spiders came NUMBER 84: PAIN GAINER!

Out of a Galaxy came NUMBER 83:GALAXY QUEEN!

Me: WHOA! Numbers 84 and 83!

Nico: COOL!

Number 84: Pain Gainer: (In a girls voice) This is gonna be painful!

Number 83: Galaxy Queen: I'm ready for the stars!

Nico: Pyrrha Pain and Abigail Andromeda! WOW!

Pyrrha was a girl with black hair, red eyes and had black and red wings and Black sports clothes with Number 84: Pain Gainer on her forehead, shorts, shirt and arm and a blood sword

Abigail was a girl with magenta hair, purple eyes and had purple angel wings and had purple clothes and had Number 83: Galaxy Queen on her forehead, arm, skirt and shirt and had a star sword.

Pyrrha Pain: Good to see you Nico.

Abigail Andromeda: We got this. 83 STARS OF THE GALAXY!

Pyrrha Pain: 84 PAINFUL BASHERS!

They fired waves of energy and blasted the Anothers and I caught the Ridewatches and purified them!

Me: YEAH!

Nico: Nice job!

Abigail Andromeda: THanks! That was fun.

Qin: Yeah!

Gianna Buster: Do you girls have any good memories of Nico?

Pyrrha Pain: We sure do. Mine is when me and Nico were in School and I found a bunch of bullies going after a bunch of kindergarten kids and I beat the living crap out of them and left them in full body casts for 10 years.

Me: Brutal!

Abigail Andromeda: Yep. Mine is where me and Nico were at Space

Camp and we found numerous planets in Andromeda we never saw before.

Me: Cool!

Qin: Yeah!

Nico hugged them.

Nico: I've missed you girls.

Abigail Andromeda: We missed you too.

We went back home.

Well, we're not going to stand for that, we're going to end that cruel, selfish, bloodthirsty, psychotic sadistic serial killer and send him straight to The Black Abyss.

We had all of TLPS and The MOE with us.

Lincoln: Whoa, we're here in West Virginia, the old home of Cage's dad, and I know what we're going to do here, not only am I going to rescue the eleven girls here and Ets is going to rescue the eight girls here, but we've got a dangerous villain to get rid of: a psychopathic killer named Windsor Peterson, he's a cruel, selfish, psychotic sadistic serial killer driven by a sadistic lust for blood who murdered tens of thousands of innocent men, women, and children all across seven states in The U.S., and he's still out to kill me to slake his thirst for blood. Well, we're not going to stand for that, we're going to end that cruel, selfish, bloodthirsty, psychotic sadistic serial killer and send him straight to The Black Abyss.

Me: So, we got another asshole psycho killer to get rid of.

Nico: Well, we'll be rid of him for good.

Cage Blunt: And he was right here in West Virginia.

James Blunt: This was long before our world merged with yours. You drove him out of Royal Woods eight years ago, right?

Astrid Michelsen: (Norwegian Accent) We did. So, he was hiding out here the whole time, and for him, it was perfect: all rural and the forests would be an ideal hiding spot.

Ground Scaravich: We got to find him.

Lincoln: And we will.

We got a move on, and as we did, James Blunt's mind flashed back to the many memories he had in West Virginia back in 1957, but also, when he brought Caleb Maxwell here after he returned from the dead in 1993.

Past James Blunt: Here we are.

Past Caleb Maxwell: What a beautiful home. It feels...warm, comforting.

Caleb had a sad smile on his face: the painful memories of the physical assaults, abuse, and heartless monstrous behavior Drake had done unto him came back to him before they came to West

Virginia. James Blunt felt the pain and sadness coming from Caleb, and he saw that Caleb had been through a living Hell and a living nightmare.

Past James Blunt: (Thinking) You've been through things no one should ever have to go through, but it's not fair you should have to suffer even more. You put yourself through Hell despite being a kid at the time, and you need someone who can help repair your damaged heart and soul. Perhaps, it was fate that brought you back and I showed up at the same time.

The memory's flashback ended, but James Blunt wasn't the only one, Cage and Caleb also had their memories here as well: for Caleb, it was of recovering what he'd lost, and for Cage, it was the same thing, but he also helped with Caleb's recovery.

Caleb Maxwell: I still felt the memories of that day were a reminder that I could rise from the ashes of my past, but the scars of my past still remained, and I would keep them with me as a reminder of one thing: some people who are beyond redemption deserve no second chances especially if they're absolutely black-hearted and cold blooded.

Astrid Michelsen took out the picture of Windsor Peterson: and he was a huge massive brute with black hair and eyes of hatred with really massive muscles and gang tattoos on his upper body.

Nico: Damn, that's Windsor Peterson?! That guy's a brute and a thug!

Caleb Maxwell: I've dealt with thugs who were a lot worse and a lot uglier than him.

Astrid Michelsen: (Norwegian Accent) And a lot dumber, that guy was all brawn and no brains.

Lincoln: Either way, I'm going to suck out his muscle mass and strength and leave him as a thin twig to break. Let's go.

We then headed off to kill Windsor Peterson, and we saw a girl about to be raped by that stupid ape.

Me: You stupid moron!

Lincoln: GET AWAY FROM THE GIRL, WINDSOR!

Lincoln fired a wave of light that hit Windsor Peterson and he got burned, and that allowed the girl to flee from the psychotic brute, and that pissed him off.

Anna Anyanova: You got some fucking nerve showing your face again, you fucking brute! But, then again, whenever you see an innocent person, you don't hesitate on charging at them to kill them to slake your thirst for blood.

Windsor Peterson: YOU MOTHERFUCKING BITCH! HOW DARE YOU ALL RUIN MY FUN!

Nico: You call murdering innocent people fun?! You really are a cruel, selfish, psychotic sadistic serial killer driven by a sadistic lust for blood!

Lincoln: We thought we were rid of you after we chased you out of Royal Woods eight years ago, but now, we find out you were here in West Virginia and you murdered a lot of people who came here in the past eight years. You were a real lowlife back then, and you're still the same lowlife dishing out the same kind of pain and suffering to others. That's it, we've had it with you running loose for the last time, Windsor Peterson, we're avenging all of those lost souls here and now, and we're sending you straight to Hell.

Windsor Peterson: YOU SHUT THE FUCK UP! I WILL FINALLY KILL YOU, LINCOLN LOUD!

HE RIPPED OFF HIS SHIRT AND RAN AT LINCOLN!

Windsor Peterson: YOU ARE FUCKING FINISHED!

POW! SQUELCH! SCREAM!

LINCOLN PUNCHED WINDSOR PETERSON RIGHT IN THE FACE AND HE YANKED OUT HIS RIGHT EYEBALL AND CRUSHED IT!

Andre Lupescu fired a massive wave of snow, ice, and darkness at Windsor Peterson and they hit him, and that pissed him off even more.

But, before Windsor Peterson could attack, he was hit by blasts of blue energy and ice, and we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long red hair and ice blue flower in her hair, purple eyes, massive blue angel wings, she has a Vegvisir and Garmr of the Nordic Beasts on her forehead, right arm, ice blue sleeveless crop top, and ice blue skirt, white gloves, blue knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, snow, ice, phoenixes, and angels on the coattails, and on the back is Garmr of the Nordic Beasts, she has an ice greatsword in her right hand, and with her are the eleven girls Lincoln is to rescue and the eight girls Ets is to rescue.

Lincoln: (GASPS) Ingrid Michelsen, Avatar and Gene-Slammer of Gramr of The Nordic Beasts.

Ingrid Michelsen: (Norwegian Accent) That's right, and I got the girls away. Now, we can finish Brenda off and send her to Hel.

Andre Lupescu rose into the air and he charged down with his greatsword raised into the air, and as he landed...!

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Windsor Peterson, and he proceeded to brutally smash him hard into the ground with his massive godly superhuman strength, slashed at him with his gold-armored dragon claws and his massive greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON WINDSOR PETERSON! HE WAS REALLY GOING APESHIT ON THE BRUTE!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

LINCOLN SLASHED AT WINDSOR PETERSON WITH HIS MASSIVE GREATSWORD AND HE ALSO FIRED A BLAST OF HEAVENLY LIGHT THAT HIT HIM AND HE SCREAMED IN AGONY!

May: OH! AND HE ALSO RESORTED TO THAT!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of what's going to happen when we kill you.

Then, Andre Lupeau went after Windsor Peterson and he fired extremely powerful blasts of white and silver, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, snow, ice, snowflakes, ice crystals, wolves, phoenixes, and angels and they hit him, and Andre Lupescu slashed at him with his massive greatsword and shot at him with his silver-plated guns.

Then, Lincoln morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of Windsor Peterson, and he began absorbing him and he assimilated his massive superhuman upper body and lower body strength, massive muscle mass, virility, testosterone, agility, durability, and endurance, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange, golden yellow, and aurora tips underneath his massive white angel wings spread out even more and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings behind his head glowed.

Lincoln: (GROWLS) Oh man, the raw immense power of this bastard is incredible.

Then, when Lincoln was done and the stingers changed back, Windsor Peterson was left as a bone-dry corpse and Lincoln stomped on him leaving him as a bloodied mess as he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla and he banished that asshole to The Black Abyss. We cheered as we holstered our weapons and powered down and we came back home to The World Tree Estate.

Lincoln: It's over, the terror of Windsor Peterson has ended.

Nico: Yep, but, Lincoln, I knew you told us Windsor was everything you said yesterday, but damn, I didn't expect to see it in front of our eyes, he's a monster!

Me: He's an absolute monster bastard to the core.

Lincoln: He killed a lot of people in Royal Woods and that was long before you moved in, J.D..

James Blunt: Though I don't think my old neighbor is going to like the mess you made.

Caleb Maxwell: You mean, Mr. Andrews. You saw what kind of guy he is, Mr. Blunt, he was so snippy about everything, I tell you, the slightest sign of trouble and right away, he got an attitude. Ugh! I was that close to calling the cops on him.

Suddenly, we saw the spirits of those Windsor Peterson murdered in Royal Woods and West Virginia finally heading up into Heaven.

Eli: Did we just...?

Lincoln: Yep, we avenged the spirits of all those Windsor had murdered in Royal Woods and West Virginia, now their souls can finally rest in peace. (To Ingrid Michelsen) And it's so good to see you again, Ingrid.

Ingrid Michelsen: (Norwegian Accent) You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Ingrid Michelsen had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Ingrid Michelsen was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Ingrid Michelsen: (Norwegian Accent) Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Ingrid Michelsen's waist and hugged her, and Ingrid Michelsen is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and ninety-nine sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, one-hundred massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the

Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Ingrid Michelsen: (Norwegian Accent) My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 12'6" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and ninety-nine sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and one-hundred massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Ingrid Michelsen, Avatar and Gene-Slammer of Gramr of The Nordic Beasts, she's Lincoln's Guardian Angel from Norway and the younger sister of Astrid Michelsen and she's a skilled and very powerful warrior and master of war and battle and she's a powerful master of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Fenrir. Ingrid Michelsen is a member of a powerful group of Lincoln's Guardian Angels known as The Nordic Order of Odin's Justice, they're a group of girls from Norway who are skilled and very powerful warriors and masters of war and battle who are born with Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of the Nordic Gods and creatures of Norse Myth, and their goal: to hunt down and kill the most dangerous and irredeemable of souls and send them to Hel, the Norse version of The Underworld to suffer true eternal damnation, and they have hunted down many of these individuals all over Norway and sent them to Hel, and they were also tasked by Heaven and the Norse Gods to protect Lincoln. Ingrid Michelsen moved to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Garmr, and war and battle, and he gained omnipotent power and the powers of Cosmic Cryokinesis, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Garmr, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge.

Lincoln made her an awesome ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's kept all of Lincoln's enemies in line, but there is one person whom she'd been wanting to kill all her life: a psychopathic killer named Windsor Peterson, he's a cruel, selfish, psychotic sadistic serial killer driven by a sadistic lust for blood who murdered tens of thousands of innocent men, women, and children all across seven states in The U.S., and Ingrid Michelsen swore to kill Windsor Peterson when she got the word that cruel, selfish, bloodthirsty swore to kill Lincoln to slake his lust for blood, and she swore to tear him apart with the fangs of Gramr.

Me: That really is impressive there's a powerful order who have the powers of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of the Norse Gods, beasts, and creatures of Norse myth.

Lincoln: Yep, and they've protected a lot of people and banished a lot of psychos to Hel, the Norse version of The Underworld. I also helped out as well. (Sensed presences) You guys again?!

Suddenly, more of Guy Grazer's men came out to kill us, but Lincoln fired blasts of ice blue energy that hit the assholes and he sucked out all their body heat and sent their souls to Hel, the Norse version of The Underworld.

Me: (Whistles)

Nico: Dang, that's brutal!

Lincoln: Yep, that's how I also helped them out by blasting the thugs their main targets hired and sucked out their body heat and sent them to Hel for eternal torture, and now that you're here, Astrid.

Lincoln with his massive muscular arms still wrapped around Ingrid Michelsen's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out even more and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed with intense light. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Ingrid Michelsen: (Norwegian Accent) You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Ingrid Michelsen with red gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Ingrid Michelsen: (Norwegian Accent) (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Ingrid Michelsen.

Ingrid Michelsen had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Ingrid Michelsen's waist, and he leaned down to her face and kissed her on the lips, and with Astrid Michelsen's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Ingrid Michelsen had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Ingrid Michelsen: (Norwegian Accent) (In Heaven) My God.

Then, Ets saw the eight girls he rescued, and he recognized them, they are the Simulator versions of Mina, Victoria, Laurel, Corto Heilani, Mouse, Max, Hannah, and Flora.

Ets: Oh wow, the Simulator versions of Mina, Victoria, Laurel, Corto Heilani, Mouse, Max, Hannah, and Flora.

Then, when they saw Ets, they hugged and kissed him.

Nicole: Been a while since Ets rescued someone.

Ingrid Michelsen: (Norwegian Accent) Oh, Lincoln, tell the boys to run and hide in their rooms, the eleven girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the eleven girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the eleven girls are Shiki Ayabe, Kirara Hikawa, Mai Kagura, Yuki Kasukabe, Hana Shinomiya, and Konomi Takase from Sarai no Me and Aya Sekiguchi, Eriko Sudou, Jouko Sogabe, Mamaka Sakurai, and Risa Suzuki from Momo x Momi.

Lincoln: Oh whoa, it's Shiki Ayabe, Kirara Hikawa, Mai Kagura, Yuki Kasukabe, Hana Shinomiya, and Konomi Takase from Sarai no Me and Aya Sekiguchi, Eriko Sudou, Jouko Sogabe, Mamaka Sakurai, and Risa Suzuki from Momo x Momi.

Nicole: Uh oh, so those were the girls Ingrid rescued, and it's no wonder Travis and Red said that kind of warning, these girls are really voluptuous.

Lincoln: That moron has got some nerve trying to rape them. Well, I showed him what for. Are you girls okay?

Shiki Ayabe: Yes, we're okay, thanks to you.

Then, when Shiki Ayabe and the ten other girls saw who it was that saved them from Windsor Peterson, their faces turned atomic red upon seeing the 12'6" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair and large brown wolf ears with rainbow markings on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem Shiki Ayabe: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out even more and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed with intense light. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Shiki Ayabe: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eleven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Shiki Ayabe, Kirara Hikawa, Mai Kagura, Yuki Kasukabe, Hana Shinomiya, Konomi Takase, Aya Sekiguchi, Eriko Sudou, Jouko Sogabe, Mamaka Sakurai, and Risa Suzuki with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: Okay, that was really awesome that this rescue took place in West Virginia.

May: Plus, it was really peaceful there, and it was full of farmland and wilderness.

Lincoln: And to Caleb, he saw it as a peaceful home after what happened since his return from the dead in 1993 in his world.

Nico: That's for sure, and it's surprising to see how a city kid adjusted to life in the country.

Me: Normally, it would end in disaster.

James Blunt: Caleb adjusted to it in time, and for two years, he adjusted to life in West Virginia, and on the day Cage and Travis came back in 1995, Caleb was reunited with his mother and younger sister, Allie. But, instead of returning to New York, he stayed here and he also met Cage once again, I was surprised that he made the choice to put the bad chapter he had with him away for good and start a new chapter, but as brothers since Caleb is related to us vampires like the rest of his family on his mom's side.

Eli: That was a nice thing he did.

James Blunt: Caleb didn't deserve this...this living Hell that he had to go through. The generational curse of evil among his father's family was responsible for this, and that curse was finally brought to an end.

Caleb Maxwell: That curse came to an end when we sent Drake, Dad's relatives, and the four senior heads of The Syndicate to The Black Abyss forever.

Allie Maxwell: You got that right. That jackass and those jerk-off scumbag relatives of Dad got what they deserved along with those four Syndicate morons.

After Lincoln and all of us destroyed Windsor Peterson and sent him to The Black Abyss, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Ingrid Michelsen saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Ingrid Michelsen: (Norwegian Accent) My God, I was right that Lincoln's really grown into an 18-year-old 12'6" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 900,000,000,000,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Ingrid, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Ingrid Michelsen: (Norwegian Accent) That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln

about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Ingrid Michelsen: (Norwegian Accent) I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my fifty massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

?: (Woman's voice) Oh my God! Look at this place, it's amazing.

?: (Womens' Voices) Marlene, you're living in a palace fit for Gods and Goddesses!

Me and Nico: What was that?

Caleb Maxwell and Allie Maxwell heard it, and their eyes went wide.

Caleb Maxwell: Uh oh. That sounds like...!

Allie Maxwell: Mom's giving her Canasta group a tour of The World Tree Estate!

Maria: Why is that bad?

Caleb Maxwell: Allie and I had a problem with their kids: for Allie, it was in 4th Grade and their kids, they were just immature pranksters, for me, their eldest kids were filthy beasts and the worst of the worst. Ooh, I wanted to knock those jackasses right off their high horses and send them kicking and screaming to the worst kind of reform school in Flushing, New York!

Allie Maxwell: And I wanted to give those pranksters a taste of their own medicine. I wonder what happened to them?

Roxy Drake: Well, they got expelled from high school when one of their pranks went awry and caused the destruction of a chemistry lab.

Jack Howard: And as for the filthy beasts that Caleb dealt with, they got expelled years ago when the attack on Caleb landed him in the hospital for a month. I was there when the Captain and some of the detectives at that time arrested them, their mothers were so mortified, they packed their bags and kicked them out of their apartments and sent them to The Bronx.

Caleb Maxwell: The Bronx, I can guess they got murdered by the gangs that live there.

Casey Antonio: That's correct, and your mother's Canasta group didn't want anything to do with them after they got disowned.

Carter Kenrick: They were found dead not a week into their arrival to The Bronx.

Caleb Maxwell: Figures.

We got a shower, and then, Sora and Kairi were heading to Lake Lamode, but they also know Lincoln is going to attack any Heartless that Maleficent is going to send after them.

Sora: Lake Lamode is almost like Atlantica.

Kairi: That's for sure. Plus, it's definitely quite the place to go to for an underwater date.

Sora and Kairi swam throughout Lake Lamode, and they met the citizens of the place. But, their date was rudely interrupted when they saw Heartless appear, no doubt sent by Maleficent, but it also got worse when they saw demons sent by Dark Sebastian appear as well.

Lincoln appeared, and Sora, Kairi, and Lincoln killed the Heartless and absorbed the negative energy released by them making them stronger, and they also killed the demons sent by Dark Sebastian and sent them to Hell.

Kairi: I knew that witch would send the Heartless after us, but Dark Sebastian made it worse.

Sora: By sending demons as well.

Lincoln: I'll tell J.D. and Nico about this. You two continue having fun, because later on today, we're going after that witch, Maleficent.

Lincoln left and Sora and Kairi continued on with their date, and a few hours later, they came back.

Nico: You guys had fun at Lake Lamode?

Sora: We sure did.

Kairi: That was until Maleficent sent Heartless after us to kill us, and Dark Sebastian sent demons after us as well.

Me: Lincoln told us about it. We'll make sure that Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Michael Ondrushko, and Malphas get driven back to the darkness, and then, we finally deal with Maleficent once and for all.

Lori: We're already making preparations for the big battle against that evil black-hearted witch.

Maria: It's not long before our final battle with Maleficent.

Luna: It'll be a start to the doomsday of the Disney Villains who were with Maleficent when she set out on her conquest and also for helping Xehanort.

Lana: And we're going to make her pay for that along with all of the atrocities she's committed.

Lola: And for cursing Princess Aurora, the Mistress of Evil is going to be destroyed forever.

Maleficent 2014: That's for sure.

Selena Mendez: And despite being The Mistress of Evil, there's no way Maleficent would dare side with Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Michael Ondrushko, and Malphas because they will no doubt double cross her and make her transform into her dragon form.

Camie Elextor: Just like what Dark Riku did using The Keyblade of Peoples' Hearts, but for them, they will use their black magic for that.

Wendy Sauron: That's right, and Dark Sebastian, Alaister Necroshade, Aragon Necroshade, Michael Ondrushko, and Malphas only see Maleficent as a plaything for them to destroy.

Gina Thunderton: But, we'll make sure we drive them away before that witch tries to kill them.

Solla Nexcrota: Right, we can't let Maleficent steal our final kills for today and tomorrow.

Later we had Joan and Muichiro Tokito blindfolded and we were walking.

Kairi: (to the mascots) I think some of us should go with you guys

Poromon: Don't worry we made shadow clones to go with you.

Me: Oh perfect. Shadow Clones is awesome.

Poromon: Thanks!

Poromon and the mascots and the Ghostbusters and Danny Phantom and a clone of me went to where the building they were going to was haunted.

We arrived at the movie theater.

Me: We're here!

We took the blindfolds off.

Joan: The movie theater.

Muichiro: Wow!

They saw each other.

Joan: Muichiro!?

Muichiro: Joan!?

Both: You're my blind date!?

Me: Yeah it was all my idea.

Nico: Yep.

I went and got us tickets.

Me: Tickets for the 40th Anniversary Showing of Ghostbusters please.

Clerk: Sure thing.

Me: For one week only they are showing Ghostbusters to commemorate 40 years of iconic fun!

* * *

Back with the mascots and me and the Ghostbusters, we were at the library.

Me: This is it.

Sora: Okay, is there a ghost here?

Danny Phantom: (Gasp)

His ghost sense went off.

Me: Danny Phantom's Ghost Sense going off is a clear sign that a ghost is here.

Venkman: Yep.

Me: And I got an awesome way to add insult to injury.

Venkman: Show our victory in front of dickless?

Me: Bingo. (SINISTER CHUCKLE)

We went in and looked around. I was an abandoned library.

Me: Whoa looks like no one has been in here for years.

Apeface: What does this ghost look like anyway?

Venkman: Look there.

We saw a BIG FAT GHOST!

Venkman: The Sloth Ghost!

Me: I remember that big fat ghost! He reminded me every time fo Mr. Creosote from Monty Python.

WE LAUGHED!

Danny Phantom: That is so funny. Remember when he got so big and at that restaurant and he exploded?

Me: And it made the entire restaurant throw up? That was funny!

We laughed!

Me: Yeah good times. I laughed myself so much that I crapped my pants.

Venkman: Really?

Me: Yeah. It was silly. Anyway, HEY FATSO!

He saw us!

Me: Come at us you slob!

I fired waves of energy and blasted him all over!

Sloth Ghost: I'm trying to eat in peace!

Me: Well that meal is gonna be your last after we send you back to the Ghost Zone you ectoplasmic poopbucket!

I fired waves of energy and blasted his meal.

Me: What do you say to that?

He got mad and fired fireballs at us!

I absorbed them!

Me: I'm sure Mario and Luigi would say this reminds them of Mr. Luggs.

Venkman: I'm sure they would.

I fired waves of energy and blasted him.

Me: Sheesh buddy ever heard of breath mints!?

Sloth Ghost: It's not nice to interrupt someone while they're eating!

Me: Luckily for you when it comes to bad guys we've always had a reputation of making things worse for them!

I fired waves of energy and blasted him hard!

In Lynn's Table in a viewing window we were showing Peck our battle and he was YELLING HORRIBLE SWEAR WORDS AT US!

Poromon flew over to him

Poromon: Take this slob! (Echoing) LIGHTNING JAVELIN!

He fired a blast of lightning and electrocuted him all over!

It weakened him.

Me: Now's our chance guys!

We fired atomic energy rays and immobilized him.

Danny fired energy blasts.

I fired the Fenton Thermos and sucked him into it.

Me: YEAH! Sloth Ghost you have failed this present life!

WE LAUGHED!

But then out came a HUGE FIGURE! IT WAS THE STAY PUFT MARSHMALLOW MAN!

Me: UH OH!

Venkman: Guess we got no choice.

Me: It might end everything but it's time to cross the beams.

Broadside: Do it!

Venkman: See you on the other side J.D.

Me: Venkman with us, we never will die. But it was nice working with you Dr. Venkman!

I fired a blast of energy and the Ghostbusters fired energy beams and we combined the streams.

Me: HERE WE GO!

The streams merged and they fired a massive energy blast and then...

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

THE EXPLOSION BLASTED THE ENTIRE ABANDONED LIBRARY INTO A MASSIVE FLAMING HEAP OF RUBBLE!

In Lynn's Table, Peck thought we were dead but then...

KRASPLAT!

HE GOT SPLATTERED WITH MARSHMALLOW SLOP!

Peck: (SCREAMS) I FUCKING HATE YOU J.D. AND VENKMAN! GO TO HELL YOU MOTHERFUCKING SACKS OF FUCKING SHIT! I FUCKING HATE YOU ALL!

OUR AURAS FLARED UP AND HE SAW US ALIVE AND IN A FORCE FIELD BUBBLE!

Horsea licked the marshmallow.

Horsea: Yummy!

Me: WOW!

Minutes earlier everyone was watching the movie.

It was GHOSTBUSTERS From 1984!

After Columbia University parapsychology professors Peter Venkman, Ray Stantz, and Egon Spengler experience their first encounter with a ghost at the New York Public Library, the university dean dismisses the credibility of their paranormal-focused research and fires them. The trio responds by establishing "Ghostbusters", a paranormal investigation and elimination service operating out of a disused firehouse. They develop high-tech nuclear-powered equipment to capture and contain ghosts, although business is initially slow.

Following a paranormal encounter in her apartment, cellist Dana Barrett visits the Ghostbusters. She recounts witnessing a demonic dog-like creature in her refrigerator utter a single word: "Zuul". Ray and Egon research Zuul and details of Dana's building while Peter inspects her apartment and unsuccessfully attempts to seduce her. The Ghostbusters are hired to remove a gluttonous ghost from the Sedgewick Hotel. Having failed to properly test their equipment, Egon warns the group that crossing the energy streams of their proton pack weapons could cause a catastrophic explosion. They capture the ghost and deposit it in an ecto-containment unit under the firehouse. Supernatural activity rapidly increases across the city and the Ghostbusters become famous; they hire a fourth member, Winston Zeddemore, to cope with the growing demand.

Suspicious of the Ghostbusters, Environmental Protection Agency inspector Walter Peck asks to evaluate their equipment, but Peter rebuffs him. Egon warns that the containment unit is nearing capacity and supernatural energy is surging across the city. Peter meets with Dana and informs her Zuul was a demigod worshipped as a servant to "Gozer the Gozerian", a shapeshifting god of destruction. Upon returning home, she is possessed by Zuul; a similar entity possesses her neighbor, Louis Tully. Peter arrives and finds the possessed Dana/Zuul claiming to be "the Gatekeeper". Louis is brought to Egon by police officers and claims he is "Vinz Clortho, the Keymaster". The Ghostbusters agree they must keep the pair separated.

Peck returns with law enforcement and city workers to have the Ghostbusters arrested and their containment unit deactivated, causing an explosion that releases the captured ghosts. Louis/Vinz escapes in the confusion and makes his way to the apartment building to join Dana/Zuul. In jail, Ray and Egon reveal that Ivo Shandor, leader of a Gozer-worshipping cult in the early 20th century, designed Dana's building to function as an antenna to attract and concentrate spiritual energy to summon Gozer and bring about the apocalypse. Faced with supernatural chaos across the city, the Ghostbusters convince the mayor to release them.

The Ghostbusters travel to a hidden temple located on top of the building as Dana/Zuul and Louis/Vinz open the gate between dimensions and transform into demonic dogs. Gozer appears as a woman and attacks the Ghostbusters, then disappears when they attempt to retaliate. Her disembodied voice demands the Ghostbusters "choose the form of the destructor". Ray inadvertently recalls a beloved corporate mascot from his childhood, and Gozer reappears as a gigantic Stay Puft Marshmallow Man that begins destroying the city. Against his earlier advice, Egon instructs the team to cross their proton energy streams at the dimensional gate. The resulting explosion destroys Gozer's avatar, banishing it back to its dimension, and closes the gateway. The Ghostbusters rescue Dana and Louis from the wreckage and are welcomed on the street as heroes.

After the movie was done we came out.

Me: Always a fun classic!

Moondancer: Love that movie!

Kylie Griffin: That was so fun!

Moondancer: It sure was!

But then...

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMM

We heard a massive explosion!

Nico: WHAT WAS THAT!?

May: What's going on?!

We went and saw and we saw the abandoned library reduced to fiery rubble!

Nico: My god! What the Fuck Happened here!? Looks like this whole place was blown up with a napalm bomb!

Napalm Man: It wasn't me!

We went in and saw the library burned bad!

Twilight Sparkle: NO! NOT ALL THE BOOKS! (CRYING!)

I stepped on something and saw that it was marshmallow slop.

Me: Marshmallow slop? Oh no!

Everyone came.

Nico: Oh thank goodness!

Venkman: You're here.

Me: I just saw everything from my clones memories. Whoa! You guys battled the Sloth Ghost and the Stay Puft Marshmallow Man? How awesome!

Nico: Yeah!

Venkman: And we rubbed it in Dickless's face. That was funny!

Horsea: We did a good job!

Me: You sure did.

Nicole: I remember the Sloth Ghost! He was an eating slob and he was in every way like Mr. Creosote from Monty Python.

EVERYONE LAUGHED HYSTERICALLY AT THAT REMARK!

Nico: (LAUGHS) I loved that scene!

Qin: That was funny!

Sakura Knudson: Me and Swartz laughed hysterically when we saw him explode like that!

Moondancer: That was funny!

Me: Yeah!

Venkman: How was the movie?

Me: Awesome! And it's always an iconic classic! Who you gonna call?

All of us: GHOSTBUSTERS!

Me: YEAH!

Joan Bolton: We had a great time though!

Muichiro: We sure did. Thank you J.D.

Me: You're welcome. Gotta go!

ZOOM!

I ran fast!

Poromon: Let's get him!

Joan: The hunt begins!

They ran after me!

In the Tanzanite Caves of Mount Kilimanjaro, I was hiding there.

Me: Always love the Tanzanite caves here.

Poliwag: Where is he?

Nico: Here in the Tanzanite caves. Wow.

Tara: I haven't been here in a while.

Sydney: Wow last time we were here was on the final day of my big day mission.

Ymir: Wow what happened back then?

Nico: Well that was awful. Nitro in the Ultimate Alliance universe exploded in a nasty Kamikaze and killed 600 men, women and children.

Ymir: (GASP) Oh man.

Nico: Yeah.

They then saw me watching TV.

Then they went up to me and just as they grabbed me...

KRASPLAT!

They were covered in NACHO CHEESE SAUCE!

Nico: OH YUCK! (Sniffs) MMM! Nacho cheese sauce!

Nico licked himself and everyone off.

Nico: A Nacho Cheese bomb clone? That was clever.

Eli: Yep. He's in the caves of Borneo!

Manaphy licked the cheese.

May: (LAUGHS) Funny.

They were off to Borneo.

In Sarawak Chamber in Borneo Caves, I was safe. Or so I thought.

Everyone came in.

Nico: He's here somewhere.

Eli: (Whispers) There.

They snuck up to me and then jumped me! But then...

BOOOM!

I turned into a HUGE PILE OF CHOCOLATE BARS!

Nico: What the? Chocolate Bars?

Eli: Yummy. (Eating one)

Poliwag ate one.

Nico: Lets hope that...

Tom the Chocolate Fish: CHOCOLATE! CHOCOLATE!

CHOCOLATE!

Eli: LETS GET OUTTA HERE!

THEY RAN FAST!

Tom the Chocolate Fish: CHOCOLATE! CHOCOLATE! CHOCOLATE! CHOCOLATE!

At Carlsbad Caverns in New Mexico I was hiding there.

Me: They would never think to find me here.

The team caught up.

Horsea: Where is he?

Me: I'm over here dumbasses!

Nico: Oh you little!

They saw me and went and jumped me. But it turns out it was a wooden cutout of me with a recording.

Nico: Whoa okay that was clever.

Eli: Yeah.

They went all over the place to find me and was getting pranked all over until they came home.

What they didn't know was that I was hiding out in the birdhouse with Jerry, Mevya and Canary. I was watching TV.

Me: Boy they really went on a wild goose chase.

Canary (Tom and Jerry): They sure did.

Mevya: That was funny.

Jerry: You got that right.

Mevya: I'm glad I didn't come.

Me: I know.

I went back into the living room.

Me: Hey guys. What took you guys so long?

Nico: Where were you?

Me: I was hiding out in the birdhouse with Mevya, Jerry and Canary.

Nico: Wait you were there the whole time?

Me: Yep.

Nico: Clever boy.

Poliwag: At least we ate chocolate

Nico: Yep.

Poromon: But we still have to tickle you!

Me: Well I'm right here. Come and get me.

They did just that but I jumped and dodged them and they were tickling Donald Duck.

Donald Duck: (LAUGHS) HEY! QUIT IT!

Poromon: Donald? I didn't know you were ticklish.

Donald Duck: Yeah it's something I like. I like being tickled it calms me down.

Poromon: Oh wow.

Me: Still here.

They went at me. I dodged them and they ended up jumped a Klinklang!?

Me: What the? A Klinklang?

Nico: How did that get here?

Me: I think it's one of Dark Gale's work.

Richie Foley: Let me see.

He used his telepathy and gasped!

Richie: It's my sister Jenna!

Me: Oh wow!

Carol and Maria: Jenna!?

Carol: Oh wow! I haven't seen Jenna in a while.

Maria: Me neither. You guys will like her.

Me and Richie went over to her.

Richie: Jenna it's okay. It's me

All she did was use Metal Sound on Horsea.

Horsea screamed as the sound hurt her.

Horsea: OUCH!

Me: Okay then.

I fired waves of energy and Richie fired light blasts and knocked her down.

I snapped my fingers and she reverted back and was a girl with blond hair, blue eyes and had yellow wings and had Klinklang on her forehead and had gears with Lightning Dragon on her arm as a cutie mark.

We brought her over to the sofa.

Me: Wow!

Maria: You're going to be amazed by her powers.

Me: Okay.

She woke up to see Horsea's stern gaze.

Jenna Foley: (Groans) Huh? A Horsea?

Horsea: You tried to...

Maria picked her up.

Maria: Easy Horsea. Jenna you'll have to forgive Horsea.

Jenna Foley: Carol, Maria, Virgil and Richie! Oh wow!

She hugged them.

Jenna Foley: It's good to see you all.

Carol: Same here.

Me: You were turned into a Klinklang by Dark Gale.

Jenna gasped!

Jenna Foley: I remember!

She was in a grey suit and injected and then she turned into Klinklang!

She flew out.

FLASHBACK ENDS

Jenna Foley: It was awful.

Me: I know but we destroyed Dark Gale forever.

Jenna Foley: Good.

Carol: Jenna was given Technokinetic powers because of the Quantum Vapor and she has the same kinds of powers like Cooper does.

Me: Whoa! Can you show us?

Jenna Foley: Sure.

Her eyes glowed and using the power of her mind she took lots of nuts, bolts and metal components and built them into new awesome blasters that can transform any useless metals into gold.

Jenna Foley: Alchemy Blasters. These can turn useless metal into gold.

Me: Cool!

I tested it and fired a ray and it turned a bunch of metal nuts into huge gold bricks.

Me: WHOA! It works!

Nico: That is cool!

Poliwag: What were you going to say, babe?

Horsea: I was going to say she attacked me and hurt my ears.

Jenna Foley: Sorry.

Me: What were you doing when you got exposed to the Quantum Vapor?

Jenna Foley: I was studying in the library for a test and then as I went home, this weird purple cloud rolled in and covered me. Next thing I knew I got these Technokinetic powers. I tested it with all kinds of things and made robots, weapons and more with it. It's how I became known as Techqueen.

Me: Whoa!

Richie Foley: I got powers from the Quantum Vapor too. It was accidental.

Virgil: He got it from me.

Me: He ended up getting superhuman intelligence that made him gifted with making machines.

Richie Foley: Not with my mind but how to make them by hand. It's how I became Gear for V here.

Me: It's true.

Jenna Foley: Wow! That is amazing! Richie I heard about what happened with Jimmy.

Richie Foley: Yeah.

He showed a scar on his leg and it was a bullet wound!

Ymir: (GASP) Oh man! What happened there!?

Me: Jimmy accidentally shot Richie because he was being bullied by Nick.

Horsea: It was an accident!

Jenna Foley: I know and I forgive Jimmy. I'll have to talk to him later. But for Nick!? WHERE IS HE!?

Virgil: Whoa easy Jenna.

Carol: You don't have to worry about him. He was expelled and permanently blacklisted from ever going to school again.

Carrie White: At least it wasn't bullying like what happened to me though.

Me: Thank goodness for that.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new orange and yellow clothes.

Jenna Foley: Wow I look amazing.

Me: You sure do.

Skalox: Does Klinklang really not know good moves besides Metal Sound?

Nico: Yes it does. Metal moves actually.

Me: Yeah.

Mascots: CUTIE DOGPILE!

The mascots jumped me and tickled me!

Me: (LAUGHING HYSTERICALLY!) HAHAHAHAHAHAHAHAHAHAHA!

Horsea: We got you!

They tickled me all over!

Me: (LAUGHS HYSTERICALLY)

Poromon: SAY IT!

Me: (LAUGHS)

Manaphy: SAY IT!

Me: (LAUGHS)

Poliwag: SAY IT!

Qin: FOR THE LOVE OF HUMANITY JUST SAY IT!

Me: UNCLE! UNCLE! UNCLE!

Tyrone: SAY WHAT!?

Me: UNCLE! UNCLE! UNCLE!

Poromon: Good!

They stopped.

Me: (PANTING)

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our final showdown with Maleficent starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Maleficent, The Mistress of All Evil, she's in the ruins of Hallow Bastion gathering a very massive army of Heartless to attack Radiant Garden once again. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: Oh crud, we got trouble!

Eli: It's Maleficent!

Lincoln: Yep, it's time.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it was Maleficent, The Mistress of All Evil, she's in the ruins of Hallow Bastion gathering a very massive army of Heartless to attack Radiant Garden once again.

EVERYONE GASPED!

Qin: So, Maleficent is finally on the move!

May: Now, we can finally take her down and destroy her.

Sora: She's had this coming for a long time.

Kairi: That's for sure.

Mickey Mouse: Ever since what happened back in 1959, her crimes can never be forgiven.

Donald Duck: Now, we can make her pay for what she's done.

Max Goof: Dad's called Pete and told him everything, he's coming over.

Peg Pete: That's good. Pete's already stood up to that old witch, and now, she's gonna get what she deserve.

Nico: That's for certain. (Sensed a dark energy) Speak of the Devil, Dark Sebastian's there and he's already causing havoc. Let's go, team, it's time we brought an end to Disney's iconic Mistress of All Evil.

Lincoln: The suffering that you have caused can never be forgiven, Maleficent. You will pay for what you have done.

Then, Brass Knuckles, Robo Roxy, Gentleman Ghost, Yenaldooshi, Copperhead, Mysterio, Speed Demon, Femme Fatale, Titanium Toenail, and Grundy came in.

Brass Knuckles: Can me, Robo Roxy, Gentleman Ghost, Yenaldooshi, Copperhead, Mysterio, Speed Demon, Femme Fatale, Titanium Toenail, and Grundy come with you?

Nico: Of course.

Robo Roxy: We already told Vypra about this, the others are also coming as well. Finally, Maleficent is getting what she deserves.

Lincoln: And if she says anything to the next group about ordering you guys to help kill us, please give her a nasty lump on the head, same with Dark Sebastian, Aragon Necroshade, and Michael Ondrushko.

Speed Demon: Gladly. We've had it with the villains always ordering us to help them kill you, and we're also sick and tired of Dark Sebastian and his minions doing the same thing. I hope you guys kill him and the last of his minions for good.

Me: Yep.

Copperhead: This battle is probably gonna be big

Me: If we face another version of Dark Riku too, I'm up for it.

Qin: Same here.

Nico: Yep.

Camie: Xehanort is not going to save Maleficent this time.

Gira: And the so-called Mistress of All Evil is going to bow before the Tyrant King!

Me: YEAH!

Aqua Man: Nico, which Gene Slammer do you think you'll meet next?

Number: Number 82: Heartlandraco and Number 81: Superdreadnought Rail Cannon Super Dora next.

Me: COOL!

Qin: Nice!

Lola: YEAH! Oh we should call Pete and Organization XIII here for this one too. They are gonna want some payback on her.

Me: I was going to suggest that Lola. Good idea.

We did so.

They came.

Pete: We're ready for this,

Me: First lets watch the movie so you all can get a good look at her.

Lola went and made us popcorn and we got to watching it.

In 14th century Europe, King Stefan and Queen Leah welcome their newborn daughter, Aurora, and proclaim a holiday for their subjects to pay homage to the princess. At her christening, she is betrothed to Prince Phillip, the son of Stefan's friend King Hubert, in order to unite their kingdoms. The three good fairies, Flora, Fauna, and Merryweather, each bless Aurora with one gift. After Flora and Fauna give her beauty and song, the evil fairy Maleficent appears, angry at not being invited. She places a curse on Aurora: before the sun sets on her sixteenth birthday, she will prick her finger on the spindle of a spinning wheel and die. Merryweather uses her gift to change the curse so that Aurora will instead fall into a deep sleep until true love's kiss breaks the spell.

Still fearful, Stefan orders all the kingdom's spinning wheels to be burned. Flora, Fauna, and Merryweather devise a plan to hide Aurora in a secluded location and raise her themselves until her sixteenth birthday, to which Stefan and Leah reluctantly agree. The fairies move into a forest cottage, giving up magic and living as peasants; they also rename Aurora to Briar Rose.

On Aurora's sixteenth birthday, the fairies send her to gather berries so they can prepare a surprise party. In the forest, Aurora sings to the animals, drawing the attention of Phillip, now a handsome young man. They fall in love without revealing their names, and Aurora invites Phillip to the cottage that evening. Meanwhile, Flora and Merryweather's argument about the color of Aurora's birthday gown attracts the attention of Maleficent's pet raven, Diablo.[b] Aurora returns and tells her guardians that she has fallen in love. They reveal her true identity, which Diablo overhears, and tell her that she must never see the man again. Meanwhile, Phillip tells his father about the peasant girl he met and wants to marry, unaware she is the princess to whom he is betrothed. King Hubert unsuccessfully tries to dissuade him.

Shortly before sunset, the fairies bring Aurora to the castle for her birthday celebration. Maleficent appears and lures her to a tower room, where she pricks her finger on a spinning wheel that Maleficent conjures. The fairies place the sleeping Aurora in the highest tower, and put the entire kingdom to sleep until Aurora is awakened. While doing so, the fairies overhear a conversation between Hubert and Stefan, and realize that Phillip is the man that Aurora met. They rush to the cottage, only to discover that Phillip has been abducted by Maleficent.

At her domain, the Forbidden Mountain, Maleficent reveals Aurora's identity to Phillip. She plans to lock him away until he is an old man on the verge of death before releasing him to meet Aurora, who will not have aged a single day. The fairies rescue Phillip and arm him with the magical Sword of Truth and the Shield of Virtue. Maleficent surrounds Stefan's castle with a forest of thorns, but Phillip breaks through it. Outraged, she transforms into a giant, fire-breathing dragon. In the ensuing battle, Phillip kills Maleficent by thrusting his sword into her heart.

Phillip finds Aurora and awakens her with a kiss, bringing the rest of the kingdom out of their slumber. The two descend to the ballroom, where Aurora reunites with her parents and happily dances with Phillip as the good fairies look on with joy.

When the movie was done we were amazed and in awe!

Aurora: That was good memories.

King Stefan: (Scottish Accent) It sure was.

Me: Yep. And Maleficent has been doing all those terrible things since 1959. But she is an iconic villain for Disney.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figures were in the vision: Michael Ondrushko, 2nd-In-Command and Black Magic Spellcaster of Darkness of The Order of The Dark Universe and Aragon Necroshade, 2nd-In-Command of The Dark Church of Malphas, and they're also there and causing havoc. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Me: Was that?!

Lincoln: Michael Ondrushko, 2nd-In-Command and Black Magic Spellcaster of Darkness of The Order of The Dark Universe and Aragon Necroshade, 2nd-In-Command of The Dark Church of Malphas, and Nico's right, Dark Sebastian's also there in the ruins of Hallow Bastion and causing havoc on his own.

Wendy Sauron: So, those two snakes are causing havoc alongside Maleficent and Dark Sebastian himself is also there too. We'll need to keep those two snakes contained and drive Dark Sebastian away before we destroy Maleficent.

Selena Mendez: When we destroy Dark Sebastian's traps, we'll make sure they get put in a force field and kept from attacking us.

Nico: Ooh, now this should be good. Alright, team, let's go, the time to destroy Maleficent has finally come.

Lincoln: She's had this coming since 1959 and for all the atrocities she's committed in also helping Xehanort, this time, Maleficent, The Mistress of All Evil dies here and now, and once we get done with her, you're next, Michael Ondrushko, 2nd-In-Command and Black Magic Spellcaster of Darkness of The Order of The Dark Universe and Aragon Necroshade, 2nd-In-Command of The Dark Church of Malphas.

Camie Elextor: Michael Ondrushko, 2nd-In-Command and Black Magic Spellcaster of Darkness of The Order of The Dark Universe and Aragon Necroshade, 2nd-In-Command of The Dark Church of Malphas, you will both pay for the atrocities you madmen have committed after we get done with The Mistress of All Evil!

Lincoln put up a powerful rainbow energy field around The World Tree Estate and all of us headed to the ruins of Hollow Bastion for one final battle with Maleficent, Disney's iconic Mistress of All Evil, and once we get done with her once and for all, Camie Elextor and Lincoln are going to destroy Michael Ondrushko, 2nd-In-Command and Black Magic Spellcaster of Darkness of The Order of The Dark Universe and Aragon Necroshade, 2nd-In-Command of The Dark Church of Malphas and send them to The Black Abyss.

We were off to Hollow Bastion.

We arrived at Hollow Bastion.

Me: We're here.

We saw that it was a scary castle.

Sora: This place brings back a lot of bad memories.

Aqua: I know.

Kairi: It's where I was abducted and used to open the door of Darkness.

Xenia: Scary.

Me: Thank god we destroyed Xehanort forever.

Evil Luxord: That is too true on that.

Robo-Roxy: Lets call Robo Blaze and Dr. Light.

Me: Good idea.

We did so.

Dr. Light: We're ready for this.

Pete: Awesome.

Totally Spies Alice: This was Radiant Garden before, right?

Aerith: Yes it was. Maleficent and the villains took over it years ago and made it this way.

Me: I remember that. But scans show this is now a second world in orbit around Earth. Radiant Garden and Hollow Bastion are separate worlds now.

Qin: Oh boy.

Tsuki: This is gonna be ugly.

Me: Yeah. Tsuki did you fight Maleficent before during the Keyblade War?

Tsuki: I sure did. Maleficent was invading the world of Robin Hood and I stopped her and made sure I left her mark on her.

Me: Whoa!

Robin Hood: I remember! She left a nasty Kingdom Hearts symbol scar on her back.

Me: I never saw that there because she always had that cloak on. But that is amazing.

Speed Demon: Did Ludwig Von Beethoven provide music for the movie?

Me: Yes he did for the Sleeping Beauty Waltz and Suite. But those were actually made in 1890.

Nico: Wow.

Speed Demon: I didn't know about that. So Beethoven had a hand in it too.

Me: Yep. Tchaikovsky helped make some of the music too.

Nico: Wow.

Knight Man: I remember that Maleficent invaded Shugoddam before

Lana: Yeah! On my final mission!

Gira: That's why she will pay for it.

Me: Well every second we waste means she is plotting something. Lets go in.

Nico: Right you heard the man.

We went into the castle.

Me: This place reeks of evil.

Nico: Yeah.

I then unsheathed my sword.

Me: I sense something.

Mysterio: Which Heartless robots should I summon?

Yusei: How about Armored Knight.

Mysterio: Good choice.

He summoned numerous robots.

I sensed something and then a figure came out and it was EVIL RIKU!

CLANG!

I blocked his strike and kicked him down!

Me: I KNEW IT! You were going to launch an attack on me like the coward you are Riku!

Evil Riku: I will destroy you all and avenge Xehanort!

Me: Xehanort got what he deserved just like you and Maleficent will!

Headstrong: I knew it was too quiet!

Nico: Yep.

I clashed more with Evil Riku!

CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANG!

We clashed all over and sparks flew all over the place.

I punched him down.

Me: Time to show you how wrong you are about EVERYTHING! (Fire swirled behind me) I am the Champion of Friendship and Protector of the Earth and loved by all. When my Cutie Mark Comes to life, Fire and Justice brings evil to a fall!

I unleashed my Rainbow Power!

Nico: He's in for it now!

Me: Now face the Fire of Justice!

I slashed him and cleaved him in two and he bursted into intense flames and was destroyed! He was sent to the M.O.E. Prison.

Me: He is not our primary target.

Nico: Why did you send him to the M.O.E. Prison?

Me: I have my reasons. Riku with a Dark Keyblade shouldn't be the only one.

Nico: You're right.

Titanium Toenail: Anymore guards we should know about?

Eli: I sense lots of soldiers coming!

We saw NUMEROUS SOLDIER HEARTLESS!

We blasted them all over and destroyed them and got negative energy increases!

Nico: I thought they were all history with Xehanort gone!

Me: So did we. But apparently Maleficent still has a bunch of Heartless with her.

Nico: Oh boy.

Lincoln: WHOA! And they aren't the only ones! I just had a premonition on who the Akuma is. It's Sora's Second Akuma, Sora-Vanitas. The 2nd Hypothetical Akuma of Sora and he looks like Vanitas without the mask. He has all of Sora and Vanitas's powers and has power over fire and more. He was made when Maleficent and Organization XIII took Kairi and hurt her and vowed to destroy them all and stop them from destroying the entire universe.

WE GASPED!

He showed us a sketch of him and he looked like Vanitas without his mask and had an incomplete χ-blade with him and had demonic wings!

Me: WHOA! He looks scary and crazy!

Buzzsaw: Is this an Akuma or Sora's Heartless form?

Me: Looks like both.

Nico: Geez.

Buzzsaw: And wait 2nd Akuma? What happened to the first one?

Me: Oh that one appeared early because of the appearance of Lincoln's Guardian Angels who are the daughters of Organization XIII.

Nico: Right! I remember.

Me: LOOK OUT!

We saw fireballs coming and I absorbed them and out came SORA-VANITAS!

Me: Sora-Vanitas!

Spiderman: Well well well if it isn't Vanny!

Sora-Vanitas: DON'T CALL ME THAT!

Spiderman: Just a little friendly hello from your friendly neighborhood Spiderman.

Grundy: Key Boy? Is that you?

Sora-Vanitas: Yes Grundy its me. Where is Maleficent?

Me: We're going to face her soon.

CLANG!

I blocked his strike and kicked him down.

Robo-Blaze: I guess calming him down is out of the question.

Me: Yep.

I fired numerous fireballs and blasted him all over!

Robo-Blaze: TRONICS!

He summoned Tronics and they blasted him all over and Robo-Blaze blasted him all over.

Robo Blaze: Would you calm down if we said that Xehanort is gone for good?

Sora-Vanitas: Xehanort is gone for good?

Me: Yes he is and me and Nico here killed him. Blew him to smithereens and sent him to the Black Abyss forever.

Qin: It's true.

Sora-Vanitas: That does make me happy that he is gone. But Maleficent needs to pay!

Me: Well then we fight more.

I fired waves of energy and blasted him.

Sora-Vanitas: My turn!

He fired numerous blasts of fire and I absorbed them and fired numerous more blasts and blasted him down and he was knocked out!

Undermine: He was just as formidable as the real deal.

Me: Yep like when we fought him in the world of Monsters Inc.

Qin: Yeah.

Me: Now lets go after Maleficent.

Nico: Right.

We heard the malevolent laughter of Maleficent as she's causing havoc with armies of Heartless, and we also heard the demonic and deranged laughter of Dark Sebastian, Michael Ondrushko, and Aragon Necroshade from far away.

Nico: Aha! Looks like Maleficent is already on the move and she's already causing havoc, and those three fucking snakes are also causing havoc as well. Alright, then, let's get going and send that evil witch and those fucked-up snakes to The Black Abyss and piss off Dark Sebastian.

Lincoln: But, first. Selena.

Selena Mendez: On it.

Selena Mendez, Camie Elextor, Wendy Sauron, Varie Yulinova, Lorena Cavenstein, Solla Nexcrota, Kira Textington, Gina Thunderton, Xenia Vola Dappra, and Tania Tornadora raised their staves as they chanted an incantation and we then saw the symbol of The Nightflame Sun appear in the sky and a magic circle appeared where Maleficent is at, and it glowed with purple energy as we saw it through a viewing window. Then, we saw the chaos erupt as beams of purple energy and magic were fired from nowhere and they forced out the many armies of demons and monsters hiding and got destroyed in a split second. Michael Ondrushko, Aragon Necroshade, Maleficent, and Dark Sebastian saw it, and they let out a scream of rage!

The viewing window closed as we were laughing hysterically!

Me: Hah! Serves you right, monsters.

Nico: Okay, now we can get after Maleficent without any other nasty surprises from those pack of snakes.

We took off, and we got there in time to see Maleficent, Michael Ondrushko, Aragon Necroshade, and Dark Sebastian raging, raving, and screaming and shrieking like monsters and our energy auras flared up extremely as we grew stronger from their toxic hate, but it grew even stronger because of the hatred of Michael Ondrushko and Aragon Necroshade.

Lincoln: Keep it up, you snakes. In the end, you're just going to make things worse for yourselves.

Suddenly, the spirits of The Disney Heroes and Keybladers of Light appeared and they attacked Maleficent, Michael Ondrushko, Aragon Necroshade, and Dark Sebastian and they really thrashed them all over the place showing them no mercy whatsoever, and then, the spirits converged and they crashed down and then...

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMM

A massive explosion erupted as a Thunderbird Screech and Phoenix Cry was heard and we appeared, and this made Michael Ondrushko, Aragon Necroshade, Maleficent, and Dark Sebastian even more pissed off than ever.

Maleficent: So, you've made it, Team Loud Phoenix Storm. Now, I will finally...!

But, then, Lincoln fired a blast of holy magic and holy light that hit Maleficent, and she was burned badly and she screamed in agonizing pain, and his deep sapphire eyes and the rainbow iris of his Third Eye turned golden yellow as heavenly lights shined down and a divine force surrounded him as the Angels and Archangels of Heaven descended and unholstered their broadswords.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) Not even the powers of Hell can save you from us, Maleficent. You may have the powers of Hell on your side, but we have the powers of Heaven and Hell combined, and we have dealt with villains far worse than you.

Suddenly, Malphas and Alaister Necroshade appeared.

Malphas: (Demonic Voice) I won't make the same mistake twice! ARMIES OF HELL, ATTACK!

Malphas summoned hordes of demons to attack us, but Lincoln fired waves of Anti-Matter from his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings that hit the hordes of demons and he sucked the life out of them and their life forces, energy, and demonic powers flowed into Lincoln as he grew even stronger!

Dark Sebastian and Alaister Necroshade: (GROWLS) GET AFTER

THEM, YOU IDIOTS!

Then, Michael Ondrushko and Aragon Necroshade came after Lincoln!

Michael Ondrushko and Aragon Necroshade: YOU LITTLE, YOU WILL ALL DIE IN MALPHAS' NAME!

SLASH! SLASH!

LINCOLN SLASHED MICHAEL ONDRUSHKO AND ARAGON NECROSHADE RIGHT IN THE CHEST WITH HIS GOLD-PLATED CLAWS OVER HIS FINGERS!

Finally, he went up to Dark Sebastian and Alaister Necroshade, and...!

POW! POW!

LINCOLN PUNCHED THOSE TWO HARD IN THE FACE GIVING THEM BLACK EYES, AND OUR RAINBOW, WHITE, GOLDEN YELLOW, AND BLUE ENERGY AURAS FLARED UP AS WE GAINED A MASSIVE POWER BOOST FROM DARK SEBASTIAN'S SATANIC AND DEMONIC HATRED!

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) Leave right now, Malphas.

Malphas let out a demonic scream as he transformed into black mist and flew back to the darkness where he belongs.

Nico: I knew you'd finally make your move at long last, Maleficent.

Sora: Now, we're going to make sure you die here and now, you witch.

Kairi: You've had this coming for a very long time, and now, we'll make sure you never come back.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) And once we get rid of you for good, Maleficent, you two are next.

Michael Ondrushko: YOU MISERABLE WOLF!

Aragon Necroshade: WE WILL DESTROY YOU ALL IN THE NAME OF MALPHAS!

Dark Sebastian: YOU HAVE ALL HUMILIATED US FOR THE LAST TIME! THIS IS WHERE YOU ALL DIE! ARMIES OF HELL, ATTACK! KILL THEM ALL!

Maleficent: HEARTLESS, DESTROY THEM ALL!

Suddenly, hordes of male hellhounds loyal to Malphas arose from Hell along with massive armies of Heartless appeared and they charged at us.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) Time to end this.

We charged and slain every last Heartless there and we absorbed their negative energy and we grew even stronger than ever, and Lincoln went after the massive 12'6" male hellhounds, and he really went wild on them showing them who's the top werewolf around here, and he was really working up a sweat, and finally, he knocked them down.

Me: You will pay for your crimes Maleficent!

I fired numerous blasts of fire and blasted her all over the place!

Poliwag: Hold on. I have a surprise for this battle. Be right back!

He teleported out.

Gentleman Ghost: Did Poliwag just ditch us?

Nico: No he has something planned.

Me: You are going to pay for everything you did Maleficent!

Nico: That's right!

Then, Lincoln morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive 12'6" hellhound and its' massive pack of 12'6" massive hellhounds, and he began absorbing them and he assimilated their massive superhuman and demonic upper body and lower body strength, massive muscle mass, virility, testosterone, and immense demonic and dark powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange, golden yellow, and aurora tips underneath his massive white angel wings spread out even more and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings behind his head glowed.

Lincoln: (Thinking) (GROWLS) Oh man, the raw immense power of these beasts is incredible.

God: (Through Lincoln's body)(Divine Heavenly Godly Voice)(Thinking) In addition to the powers of Heaven and the Gods and Goddesses of the Pantheons of the ancient world, you have the power to absorb devils, demons, and hellhounds and assimilate their powers and abilities. Even that was more than enough to scare The Demon Princes of Hell.

Then, when Lincoln was done and the stingers changed back, nothing was left of the hellhounds and Lincoln drained the hellhounds' souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Caleb Maxwell: What's with more of Heaven's armies descending on Earth? You already drove Malphas and those monstrous demons back into the darkness forever.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) That may be true, but don't forget there are the other Demon Princes of Hell to worry about as well, Caleb Maxwell.

Nico: Along with Lucifer himself, and before you ask, yes, we've taken him down before.

Me: And we intend to banish him to The Black Abyss forever for the eons of pain and suffering that he caused to every last man, woman, and child on Earth, every last child that inhabit Earth, the kingdom of man that God had created.

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF MALEFICENT TO NO END! NOW, THE BATTLE TO FINALLY DESTROY MALEFICENT WAS ON!

Lincoln, Sora, Kairi, Crash Bandicoot, Red Savarin, Von Lycaon, Nico, and I and the rest of us went after Maleficent, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Maleficent and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at her as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well, and Lincoln, Sora, Kairi, Crash Bandicoot, Red Savarin, Von Lycaon, Ricky, Nico, and I and the rest of us attacked her super hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Maleficent even angrier than ever.

Lincoln fired rainbow, white, golden yellow, and blue energy blasts from his left hand and the smaller planets orbiting around his fingers like rings, and they hit Maleficent and she got hit hard, and one of the blasts hit The Monitor Orb embedded in Maleficent's forehead, and not only did we get a massive power boost, but Maleficent screamed in agonizing pain.

Then, Lincoln formed and fired a rainbow energy ball that hit Maleficent on the back and she was left with a burning scar on her back.

Suddenly, Lincoln's massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Maleficent and we all found ourselves not only in Heaven, but also, in space.

Ed Cowart proceeds to insult Maleficent.

Ed Cowart: Mistress of All Evil? More like an uglyass Mistress of all assholes and one of the biggest assholes the Disney heroes have ever dealt with! Seriously?! All that just because you weren't invited?! Sheesh, you make Reverse Flash look much nicer, and you make even Pete look nicer and he was Goofy's neighbor!

Ed Cowart punched Maleficent in the face breaking her nose!

Ed Cowart: That was for trying to kill Princess Aurora, you bitch!

Ed Cowart then threw magic exploding fruit cakes at Maleficent which exploded and covered her with fruit. Then, he threw a giant beehive at Maleficent which made bees attack her. Then, Ed Cowart wedgied Maleficent and pulled her underwear over her head, and he then launched her into a pool of liquid methane. Maleficent: YOU LITTLE VERMIN! I WILL KILL YOU!

Dark Sebastian: I WILL RIP YOUR FUCKING HEADS OFF AND DRINK YOUR BLOOD!

Ed Cowart raised both middle fingers: one to Maleficent and one to Dark Sebastian, Michael Ondrushko, and Aragon Necroshade and that pissed them both off!

Ed Cowart: Piss off, you malevolent sorceress and Satanic scumbags!

Dark Sebastian: WHY YOU! HOW DARE YOU HUMILIATE ME LIKE THIS! YOU'RE GONNA PAY FOR THIS, ALL OF YOU! YOU WILL ALL DIE! (ENRAGED DEMONIC SCREAM)

DARK SEBASTIAN FIRED A BLOOD RED ENERGY BEAM THAT HIT MALEFICENT IN THE HEART AND HE LET ALL OF THE DARKNESS OUT OF HER BLACK HEART! AND SHE TRANSFORMED INTO HER DRAGON FORM!

Jenna was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Same with Yvonne.

Yvonne Hawkins: NO! We control the power. It doesn't control us.

They reigned in the powers of Rotom and Klinklang and transformed and blasted her all over the place!

Me: Take that!

Aqua: Lets unleash the ultimate Princess of Heart Blast!

Kairi: You got it!

Kairi, Snow White, Alice, Cinderella, Aurora, Jasmine and Belle: HEART PURIFYING BLAST STORM!

They fired a massive blast of light and blasted Maleficent and knocked her all over!

Maria: Shouldn't have captured them.

Me: Because now their power is enough to bite you back!

I fired waves of energy and blasted her all over!

Then Deker, Abis Mal, Nergal, Motor Ed, Mojo Jojo, Po Kong, Radioactive Man, Gizmo, Private HIVE, Penguin and New Wave came.

Nico: Deker, Abis Mal, Nergal, Motor Ed, Mojo Jojo, Po Kong, Radioactive Man, Gizmo, Private HIVE, Penguin and New Wave.

Deker: Yep and J.D. that was clever! Using the very spindal she used on Aurora.

Me: Yep. But with my poisonous blood and my own version of her magic added.

Deker: Genius!

Qin: Yeah!

Deker: Good thing she's not giving us orders.

Abis Mal: Didn't expect her to use Heartless though.

Motor Ed: At least the Dark Orbs are still history. Seriously.

Me: Thank goodness. And after today there will never be anymore Heartless ever again. Minus the ones with you guys.

Deker: True. We can always have more Heartless with us.

Mojo: (to Nico) We heard you fought Pennywise.

Nico: We sure did.

Radioactive Man: (to Pyrrha) You should take care of that Thievul

Pyrrha: I will.

Big Burpa and Mad Mike came.

Me: Big Burpa and Mad Mike!

Mad Mike: Yep and you will like this J.D.

He fired a beam and turned Ymir into a pizza!

Ymir: OH BOY! Eat me J.D.!

Me: Okay!

I ate the pizza and got her out of it.

Me: YUMMY! Sausage, ham, pepperoni, steak, hamburger and bacon. (LOUD BELCH) Oh pardon me.

WE LAUGHED!

Ymir: I tasted delicious!

Big Burpa: Mad Mike is an extra here because he wanted to come

Me: I wanted to see how Ymir tasted as a pizza like how I tasted.

Mad Mike: I remember that! That was funny!

Nico: It sure was.

Big Burpa: That was cool.

Me: Yep.

Nico: LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway!

Deker (to Ruby): Nico's rescue was at Neo Phoenix Land. He battled Pennywise

Ruby Rose: We sure did and it was awesome to see too! Pinkie Pie unleashed her Rainbow Power and showed that monster disgrace of a clown what for.

Sailor Saturn: Yeah that was so fun! Also we avenged all those that Pennywise killed over the years in Derry, Maine!

Sir George: That monster deserved to be destroyed for what he did to such innocent souls.

Twilight Sparkle: I agree there! That was horrible! But in the end he was no match for true master of laughter.

Stellar Sparkle: That is for sure! And her name is Pinkie Pie!

Harmony Sparkle: Master of Parties and Making people smile!

Starshine Sparkle: That is for sure! Never mess with the joy of laughter!

Spyro: You got that right!

Ruby used the Core Medals for Black Knight of Merlin, Dreadtrux and Rock Doggler and got a Ruby Sword.

Ruby: THE RUBY SWORD OF REMNANT MAGIC!

Deker: Cool!

Weiss: Yeah that was so awesome and fun! We all thought it was fun too.

Diancie: What was scary was that the embodiment of the Heart Dopant has the power to make peoples hearts explode! J.D. had her show us what she can do on a random criminal and she fired a beam of light and then BOOM! HIS HEART exploded and caused his entire torso and chest to explode in a massive amount of blood and gore!

THEY GASPED!

Abis Mal: That is brutal!

IR Baboon: IR would not like to get hit by that!

Diancie: Don't worry she only uses it on people that are insane and evil like criminals.

I.M. Weasel: But it's how she got the moniker Helen Heart the Heart Exploder

Prawn: Boy that is intense!

Flynn McCallister: (Scottish Accent) Aye it sure is laddies!

Rarity: But it was really amazing that J.D. knows her. Also we met the next gene-slammer of Dark Gale and it was Virgil's twin sister Yvonne Hawkins. Turns out she was given Saturnian Lightning powers by the Quantum Vapor.

Sapphire Ocean: Carol and Maria knew Yvonne from long ago and they stood up for her against Racist jerks and got them expelled for that.

Abis Mal: WOW! That is amazing!

Rarity (G5): It sure is and we found out that Saturnian Lightning is more powerful than Earth Lightning and also she doesn't need to draw in electricity to power herself to recharge.

Dioptase Angel Belle: It's how she got the hero name Lady Thundersaturn.

Sweetie Belle: It's true and that was so awesome!

Gill Grunt: I agree there!

Abis Mal: WOW! So Virgil's family is full of Lightning Power thanks to the Quantum Vapor. That is so cool! Lets do it!

Weiss used the Core Medals for Prawn, Warrada and Anchor Man and got a Sapphire Jewel Sword!

Yang: She sure did and her date was with Muichiro Tokito and he is a really cool guy once you get to know him. Also he may be only 14 but love comes in any age.

Motor Ed: That is seriously too true.

AncientGreymon: Yeah. Also the mascots, Nico and the Ghostbusters battled The Slob and he was a really easy target.

Zipp Storm: But he was awesome to take down too. Luigi said it reminded him of Mr. Luggs from when we visited that haunted mansion.

J.P.: Also it reminded us of Creosote from Monty Python's The

Meaning of Life.

THEY LAUGHED HYSTERICALLY AT THAT ONE!

Motor Ed: (LAUGHS) THAT WAS A FUNNY MOVIE! Especially with Creosote exploding all over the place in that restaurant and making everyone sick! Seriously!

Rainbow Dash: (LAUGHS) Yeah that was funny! Also the best part of the mascots and Nico helping the Ghostbusters is that as we caught the Slob, we showed the whole thing to Walter Peck in Lynn's Table and he REALLY SWORE UP A STORM AT THAT AND CALLED THE WHOLE THING FAKE!

Serpentina: (LAUGHS) Man what a baby!

Comet Thunder: Yeah no kidding there! What a sore loser! For their date we went to the movie theaters and watched Ghostbusters who was celebrating 40 years of iconic awesomeness. Also for the chase, they chased J.D. in various caves of the world. Many of them crystal caves.

Thunder Rainbow Zoom: Yeah that was fun.

Scootaloo: Yeah it was!

Whirlwind: Yeah no kidding there!

Motor Ed: WOW! You guys seriously had an eventful and fun date for them. Lets do it!

Banana Undertaker: However unlike her brother she was full blown exposed to the Quantum Vapor and got her powers from it head on. Richie got his superintelligent mind and powers from an accidental exposure from Virgil.

Miti: Carol and Maria met her in elementary school art class and she is very gifted in painting and mechanics too. But when she found out about Jimmy accidentally shooting Richie because of Nick, SHE WENT FULL BLOWN BALLISTIC! SHE VOWED TO STRANGLE THAT JERK!

THEY GULPED!

Acid Breath: Boy I don't blame her!

Applejack: Yeah that was shocking when we found out about Jimmy hurting Richie like that. But it was all an accident.

Apple Star: We were shocked about that. Thank goodness Richie didn't die.

Wolf Moon Bloom: Yeah that is for sure! Jimmy only ended up getting community service though thank goodness. Nick got permanently expelled because of that and blacklisted from ever going to school or college.

Apple Bloom: Serves that jerk right!

Flashwing: Big time there!

Mojo Jojo: I'm glad Richie has his sister back but that is amazing that the Dark Gale gene-slammers are also some of Carol and Maria's friends. Lets do it for I, MOJO JOJO, am ready!

Lincoln and the girls fired elemental blasts that took the form of the great composers and they smashed into Maleficent and exploded.

Lincoln and his harem: And now, for the grand finale. We've had it up to hear with you for the last time, Maleficent, this is for 65 years of atrocities and pain that you have caused! SYMPHONY FINAL SMASH: SYMPHONY NO. 5 EXPLOSIVE!

Lincoln and his harem played the entirety of Beethoven's Symphony No. 5 which then formed an elemental symphony bomb and they threw it at Maleficent and it exploded with incredible power as it hit her.

Robo Blaze: (chuckles) Me killing the Mistress of Evil? Oh, my reputation's gonna skyrocket because of this!

He fired laser blasts and severely wounded her all over!

That evil die and good endure!

Me and Lincoln threw The Swords of Truth, and it pierced Maleficent right in the chest and the blade impaled her right in her black heart, and she let out a loud dying scream as she burst into dark flames and disintegrated into dust and her evil soul was forever sent to The Black Abyss.

We cheered as we holstered our weapons and powered down.

Nico: We did it. We finally did it! Maleficent is gone forever!

Me: Slain by The Sword of Truth, and that was awesome enhancing it further with the power of Heaven and The Elements of Harmony, Lincoln.

Lincoln: Since The Sword of Truth is a holy weapon, I used holy magic and the powers of Heaven and The Elements of Harmony to make it even more powerful and deadly to Maleficent. And now, she is gone forever. But, it's not over yet, now we turn our attention to the three snakes, Michael Ondrushko, Aragon Necroshade, and Dark Sebastian.

We then turned our attention to Michael Ondrushko, Aragon Necroshade, and Dark Sebastian who are now fucking pissed off!

Michael Ondrushko and Aragon Necroshade: DAMN YOU! DAMN YOU ALL! WE'RE GONNA KILL ALL OF YOU HERE AND NOW!

Dark Sebastian: GET THEM! AND GET THE MASTERS OF EVIL TOO! THEY HAVE TURNED THEIR BACKS ON EVIL ITSELF! PUT THEM BACK IN THEIR PLACE AS SLAVES TO THEIR MASTERS!

Lincoln formed a massive and indestructible diamond barrier infused with light energy that protected all of us from a sudden barrage of infernal darkness blasts those snakes fired at us and the blasts were destroyed.

Camie Elextor: Looks like what we did to Maleficent and what you did to them, Lincoln, really drove them madder than ever, but now, it's time we put an end to this once and for all.

Suddenly, Camie Elextor's purple eyes turned neon purple and she was surrounded by a black, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, darkness, dark magic, black magic, dark flowers, phoenixes, and angels, she unholstered her staff, and as she approached Michael Ondrushko and Aragon Necroshade, she left black, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, dark magic, black magic, dark flowers, phoenixes, and angels with every step.

Camie Elextor: For so many years, so many innocent people have suffered because of your insane desire to destroy the world in the name of Malphas, and in many worst case scenarios, you murdered a lot of them in cold blood. I will never forgive you two for what you did. Michael Ondrushko and Aragon Necroshade, as The 2nd in Command of The Hunters of The Nightflame Sun and Master of The Nightflame Sun and Divine Darkness, I hereby sentence you two Satanic monsters to death.

Buffalo Vampire Werewolf Mythological Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Even after all this time, I'm still disgusted by what you've done in your desire for chaos and destruction. When all is said and done, what little did you achieve through your actions. You walk the path of a coward always creeping your way through the dark. That's a path that all villains like you have taken, and it's one that'll follow you into death once more. Michael Ondrushko, Aragon Necroshade, may you suffer for eternity with not a kindred soul to give you any solace, this is where we end this once and for all!

HEAVENLY LIGHTS SHINED DOWN FROM HEAVEN AS THE ARMIES OF HEAVEN APPEARED, AND THAT TRULY ANGERED MICHAEL ONDRUSHKO AND ARAGON NECROSHADE TO NO END!

Time to die, you goddamn snakes!

Lincoln, Camie Elextor, Nico, and I went after Michael Ondrushko and Aragon Necroshade, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Michael Ondrushko and Aragon Necroshade, and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow

energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Camie Elextor did the same by firing black, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive staff, and Lincoln, Camie Elextor, Nico, and I attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Michael Ondrushko and Aragon Necroshade even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Michael Ondrushko and Aragon Necroshade and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln's massive white angel wings and forty-nine sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Michael Ondrushko and Aragon Necroshade.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomachs of Michael Ondrushko and Aragon Necroshade and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind them. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 10'9" massive, wide, double-edged gold blade of his massive greatsword.

Michael Ondrushko and Aragon Necroshade became so enraged, they lost all sense of reason, and they suddenly transformed into demons as the sclera of their eyes turn dark red and the iris of their red eyes became brighter, their skin turned black and they had black fur grow and sprout out, and their faces turned into that of a demon dog with horns on top of their heads, and they roared in pure rage and they went full all-out berserk.

Lincoln swung his massive greatsword and fired two powerful rainbow light helix blasts which hit Michael Ondrushko and Aragon Necroshade, and not only did they transform back into human form, but the blasts also destroyed their dark powers forever, and Lincoln swung his massive greatsword again and fired blades of light which hit Michael Ondrushko and Aragon Necroshade right in the chest and the blades pierced their black hearts, and we saw lights burst out from behind their backs, and they went up in flames and they turned to ashes, as their black souls were forever sent to The Black Abyss for eternity.

We cheered wildly as we holstered our weapons and powered down and Camie Elextor's new body, clothes, weapons, jewelry, Third Eye, large gold halo and large gold Yata no Kagami mirror with gold crescent moon-shaped frame around it with embedded midnight blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold crescent moon-shaped frames around them with embedded midnight blue gems behind the gold rings behind her head, thirty-five large black planets orbiting around her legs, thirty-five smaller black planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black planets orbiting around her wrists and ankles, and massive black angel wings and twenty-four sets of large black angel wings underneath her massive black angel wings are permanent.

Camie Elextor: We did it, that's another two down. Thanks for helping me get rid of Michael Ondrushko and Aragon Necroshade, Lincoln. You too, guys.

Lincoln (Smiles Warmly) You're welcome, Camie.

Me and Nico: Our pleasure, Camie.

Suddenly, Camie Elextor wrapped her arms around Lincoln's waist, as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Camie Elextor's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Camie Elextor sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Selena Mendez: We did it. Michael Ondrushko and Aragon Necroshade are gone forever.

Lincoln: Yep, now we're down to the two the main Satanic demons, Dark Sebastian Mendez, The Black Ooze of The Eldritch and Leader of The Order of The Dark Universe and Alaister Necroshade, Leader of The Dark Church of Malphas, along with Malphas himself.

Me: We'll soon be rid of them for good. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the Vegvisir appear in the skies along with the Duel Monster, Jormungardr the Nordic Serpent, and the Nordic snake himself, Jormungardr the World Serpent.

Lincoln: The Vegvisir and the Duel Monster, Jormungardr the Nordic Serpent, and the Nordic snake, Jormungardr the World Serpent.

Astrid Michelsen: (Norwegian Accent) There's one person who fits that: Carina Johansen, Avatar and Gene-Slammer of Jormungardr the Nordic Serpent, and you guys are going to love meeting her, Carina Johansen, Avatar and Gene-Slammer of Jormungardr the Nordic Serpent, is Lincoln's Guardian Angel from Norway and she's a skilled and very powerful warrior and master of war and battle and she's a powerful master of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Fenrir. Carina Johansen is a member of a powerful group of Lincoln's Guardian Angels known as The Nordic Order of Odin's Justice, they're a group of girls from Norway who are skilled and very powerful warriors and masters of war and battle who are born with Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of the Nordic Gods and creatures of Norse Myth, and their goal: to hunt down and kill the most dangerous and irredeemable of souls and send them to Hel, the Norse version of The Underworld to suffer true eternal damnation, and they have hunted down many of these individuals all over Norway and sent them to Hel, and they were also tasked by Heaven and the Norse Gods to protect Lincoln. Carina Johansen moved to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Jormungandr, and war and battle, and he gained omnipotent power and the powers of Cosmic Cryokinesis, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Jormungandr, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's kept all of Lincoln's enemies in line, but there is one person whom she'd been wanting to kill all her life: a dangerous killer named Connor Maxwell, he's a cruel, selfish, psychotic sadistic serial killer driven by a sadistic lust for blood who murdered tens of thousands of innocent men and women all across seven states in The U.S., and the bad news, he was once the cousin of Caleb Maxwell who came here to Royal Woods from the world Caleb and the NYPD Nightshift came from, and Carina Johansen swore to kill Connor Maxwell when she got the word that cruel, selfish, bloodthirsty swore to kill Lincoln to slake his lust for blood, and she swore to tear him apart with the power of The World Serpent.

Caleb Maxwell got pissed off.

Caleb Maxwell: So, that's where that bastard went to! I was after him ever since I came back to New York, but then, he ran off to somewhere in 5th Avenue and disappeared! So, he came here! That's it, tomorrow, he dies forever!

We then saw Dark Sebastian twitching in anger: what we did killing Michael Ondrushko and Aragon Necroshade finally caused him to scream in demonic anger!

Dark Sebastian: DAMN YOU! DAMN YOU ALL! YOU'RE ALL GOING TO PAY!

But, then, we heard an inhuman roar, and we saw streams of darkness heading our way, and when they landed, what stood in their place were Alaister Necroshade and Malphas, and they were pissed that we killed Michael Ondrushko and Aragon Necroshade.

Me: Well, if it isn't Alaister Necroshade and Malphas.

Alaister Necroshade: You damn bastards! You ruined our trap!

Nico: You should know we're never afraid of Hell or its demons, and you tried to take the battle to the very place you bastards were trapped in, that plan was doomed to fail.

Dark Sebastian: SHUT UP! SHUT THE FUCK UP, YOU DAMN BUBBLE-BUTT MONKEY! (ENRAGED SCREAM)

Nico: Heh, Bubble Butt? Look who's talking, at least, we're not the servants of a fucked-up blob of Eldritch Ooze created by Malphas!

Dark Sebastian: I will make you pay for this, all of you!

Suddenly, heavenly lights shined down and Lincoln flew into the air, and his massive white angel wings and ninety-nine sets of large white angel wings underneath spread out as he absorbed the flames from our battle with Maleficent.

Lincoln: You only know how to make threats, and you made those threats come true using violence and hatred. All you are is nothing more than the personification of hatred, destruction, and madness rolled into one, the same goes with your cronies, and you already saw that not even the darkness of Hell will protect you from us since we've killed Aragon Cochran, Nergal Glaphyra, Maacah Necroshade, Athalia Necroshade, Ryan McCabe, Jezebel Necroshade, Windsor Grimm, Herodias Necroshade, Alex Creighton, Delilah Necroshade, Owen Thatcher, Belial Necroshade, Reagen Lestranfe, Abigor Necroshade, Quentin Hargreaves, Damon Necroshade, Michael Ondrushko, and Aragon Necroshade.

Me: That's right, you have nowhere to run, you pieces of shit.

Nico: And nowhere to hide.

Lincoln: That's for sure. Now, slither on back to the shadows where you belong, you blood-crazed world-destroying snakes.

Buster Bunny: And don't let us catch you running loose again, or I swear, you're gonna know what real pain is!

Babs Bunny: That's right! Now, beat it, you snakes!

Dark Sebastian, Malphas, and Alaister Necroshade let out unholy demonic screams as they turned back into black streams of darkness and flew back into the darkness swearing revenge on us!

Me and Nico: (FLIPS BOTH MIDDLE FINGERS AT THEM) Yeah, fuck you too! You better run, you fucking snakes!

Gizmo: Good riddance to that barfbrain.

Private HIVE: Now, both Heartless making threats are gone.

New Wave: You said it.

Me: I'm glad Maleficent is gone for good.

Nergal: I'm making pizza for the victory party.

Po Kong: Can't wait to eat it all!

Me: Me too! Lets head home.

Nico: Just what I would say. Great job today everyone!

Me: That's just number 2 of Sora's villains that we have to destroy. The rest are still out there.

Nico: Yep.

Sora: (To the viewers) This was an epic adventure for us! Now we no longer have to worry about the Mistress of All Evil.

Me: Good fucking riddance. Also Gira now Holds that title as THE KING OF ALL EVIL!

Gira: I like it!

Qin: Yep.

We went back home and had great pizza.

We returned home, and hours later, night fell on the city, and Lincoln was heading to his room.

Lincoln: That was an awesome day, we sent Pennywise to The Black Abyss, and we got rid of Windsor Peterson in West Virginia, and we also got rid of Maleficent, and pissed Dark Sebastian, Alaister Necroshade, and Malphas off big time. That'll teach them, but it'll all end tomorrow and they will pay for their crimes.

Then, just as Lincoln was about to step inside, he caught the scent of roses in the air, and as he opened the door, there on his massive extra-extra-extra large never-ending expanding bed for him and his expanding harem was his entire harem dressed only in strapless bras and panties, and when he saw them, he had an atomic red blush on his cheeks and muzzle and his wolf nose gushed out blood.

Girl Jordan went up to Lincoln.

Girl Jordan: (Rubs Lincoln's massive pecs) I knew that old trick wound up getting you once more. (Seductive Voice) And it got you aroused once more. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him as he went up to his harem.

Amara Roshansa: (Seductive Voice) Uh oh, looks like someone's about to get really...wild.

Suddenly, Lincoln lifted Girl Jordan and brought her to the bed with him joining the rest of his harem and he was on top of Girl Jordan and the others.

Lincoln: (Seductive Voice) (Smirks) You said a mouthful.

Lincoln used his one-hundred massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Meanwhile, back in Hell, Dark Sebastian, Alaister Necroshade, and Malphas were now completely enraged and completely insane!

Alaister Necroshade: DAMN THEM! DAMN THEM! ALL OF MY SIBLINGS ARE ALL GONE FOREVER!

Dark Sebastian: ALONG WITH THOSE OTHER IDIOTS OF THE ORDER OF THE DARK UNIVERSE! ALL THEY WERE SUPPOSED TO DO IS DESTROY THEM SAME WITH YOUR SIBLINGS, AND NOW, WE'VE LOST THEM AND THEY'RE ONE STEP CLOSER TO FULFILLING THE PROPHECY OF THE REINCARNATION OF AMATERASU! DAMN THEM ALL!

Malphas: You two calm down, we will still destroy them.

DARK SEBASTIAN LOST HIS TEMPER AND SLASHED MALPHAS, HIS OWN MASTER, RIGHT IN THE CHEST WITH HIS CLAWS!

Dark Sebastian: THAT'S IT, I'VE HAD IT! I'M GOING TO DESTROY TEAM LOUD PHOENIX STORM AND THE MASTERS OF EVIL IF IT'S THE LAST THING I DO! AND SOON, ALL LIFE ON EARTH WILL BE DESTROYED ALONG WITH ALL LIFE IN THE UNIVERSE AND BEYOND! ALL WILL BE REDUCED TO ASHES FOREVER! (CACKLING DERANGEDELY)

DARK SEBASTIAN'S DERANGED CACKLING ECHOED THROUGHOUT THE WORLD: NOW, HE HAS FOREVER LOST THE LAST NON-EXISTENT SHREDS OF SANITY, AND HE'S NOW FOREVER GONE MAD! BUT, WE ARE MORE THAN READY FOR DARK SEBASTIAN, ALAISTER NECROSHADE, AND MALPHAS, AND WE'LL MAKE SURE THEY ARE DESTROYED FOREVER!

THE END

Another awesome chapter done.

Maleficent the Mistress of All Evil is now a forgotten memory. But in our hearts and childhoods in real life she will still be an iconic villain.

For Lincoln's rescue tomorrow, Lincoln and his group and all of TLPS and The MOE are heading to the Lower East Side of New York, but we've got a dangerous villain to get rid of: a dangerous killer named Connor Maxwell, he's a cruel, selfish, psychotic sadistic serial killer driven by a sadistic lust for blood who murdered tens of thousands of innocent men and women all across seven states in The U.S., and the bad news, he was once the cousin of Caleb Maxwell who came here to Royal Woods from the world Caleb and the NYPD Nightshift came from after he got chased out by Caleb Maxwell, and Connor's still out to kill Lincoln to slake his thirst for blood. Well, we're not going to stand for that, we're going to end that cruel, selfish, bloodthirsty, psychotic sadistic serial killer and send him straight to The Black Abyss, and we're going to meet the next of the Avatars and Gene-Slammers of the Nordic Duel Monsters, her name is Carina Johansen, Avatar and Gene-Slammer of Jormungandr the Nordic Serpent, she's Lincoln's Guardian Angel from Norway and she's a skilled and very powerful warrior and master of war and battle and she's a powerful master of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Fenrir. Carina Johansen is a member of a powerful group of Lincoln's Guardian Angels known as The Nordic Order of Odin's Justice, they're a group of girls from Norway who are skilled and very powerful warriors and masters of war and battle who are born with Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of the Nordic Gods and creatures of Norse Myth, and their goal: to hunt down and kill the most dangerous and irredeemable of souls and send them to Hel, the Norse version of The Underworld to suffer true eternal damnation, and they have hunted down many of these individuals all over Norway and sent them to Hel, and they were also tasked by Heaven and the Norse Gods to protect Lincoln. Carina Johansen moved to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Jormungandr, and war and battle, and he gained omnipotent power and the powers of Cosmic Cryokinesis, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Jormungandr, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's kept all of Lincoln's enemies in line, but there is one person whom she'd been wanting to kill all her life: a dangerous killer named Connor Maxwell, he's a cruel, selfish, psychotic sadistic serial killer driven by a sadistic lust for blood who murdered tens of thousands of innocent men and women all across seven states in The U.S., and the bad news, he was once the cousin of Caleb Maxwell who came here to Royal Woods from the world Caleb and the NYPD Nightshift came from, and Carina Johansen swore to kill Connor Maxwell when she got the word that cruel, selfish, bloodthirsty swore to kill Lincoln to slake his lust for blood, and she swore to tear him apart with the power of The World Serpent.

Next is Jimmy Neutron's day to shine and we're going to battle The Yolkians and King Goobot V!

See you all next time.

SCRAMBLING THE KING OF ROTTEN EGGS

King Goobot V is back for revenge!

In the early morning hours of 12:24 AM, Lincoln was asleep along with his harem and he had a dream as it took him to an underwater planet known as Planet Scornadus. Suddenly, he saw a girl with long aqua blue hair with aqua blue eyes and red angel wings and dressed only in a red two-piece bikini in spirit sleep along with the Digi-Destined, Digimon, Pokemon Trainers, and Pokemon from 150,000 years hence. Lincoln woke up, and so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln: I just had a dream, and this is gonna shock J.D. when we tell him.

Lincoln explained everything, and when he was done, his harem were shocked.

Talia Houou Flameheart: (Irish Accent) Oh man, it's her: the second of your Guardian Angels!

Selene Arcangela: And we also found the Digi-Destined, Digimon, Pokemon Trainers, and Pokemon from 150,000 years hence, they were in spirit sleep this whole time.

Suddenly, Lincoln got up and got dressed along with his harem, then Nico and I came in.

Me: Lincoln, what is it?

Lincoln explained, and I was shocked.

Me: No way, you found the Digi-Destined, Digimon, Pokemon

Trainers, and Pokemon from 150,000 years hence!

Nico: Along with the second of your Guardian Angels from 150,000 years hence, awesome.

Me: So, what do you intend to do?

Lincoln: I'm going to bring Planet Scornadus to our solar system, then, we're heading over to awaken Draconia, and once that happens, that'll cause the Digi-Destined, Digimon, Pokemon Trainers, and Pokemon from 150,000 years hence to also awaken, but they'll eventually merge with the Digi-Destined, Digimon, Pokemon Trainers, and Pokemon.

We headed outside, and...!

SNAPS FINGERS!

Lincoln brought Planet Scornadus to our system, and we headed over, and it was an awesome planet of wind and fire combined.

Me: Wow, this place is awesome.

Tara Toonamine: I should also mention this, but the planets we came from are in The Elementus Galaxy, and where the planets have two elements in unison and is 1.5 million light years to the right of The Andromeda Galaxy, and the stars including The Sun in The Elementus Galaxy are elemental. In fact, each planet have 2 moons with the exception of Planet Colorbus as it has all the elements and is the second home of The Wisps and apparently can adapt to Elements as Planet Colorbus like Earth is the 3rd planet from The Sun and The Sun is a giant rainbow elemental star.

Nicole: (GASPS) Wow! And Shanan's gonna freak out when she hears about this!

Suddenly, Lincoln sensed it, and we headed on over to a hyperbolic spirit sleep chamber, and we saw Draconia Burnwind asleep in one chamber.

Me: That's Draconia Burnwind? Whoa, hubba hubba!

Nico: Dude, you know Lincoln's here, right? Watch it or he'll clean your clock.

Lincoln: Hey, be nice, he knows she's my Guardian Angel.

Then, we saw the Digi-Destined, Digimon, Pokemon Trainers, and Pokemon from 150,000 years hence in multiple chambers.

Nico: Whoa. Oh man...!

Michelle Emperyous: They're all asleep and despite being in their early 20s physically, they're still the same as all of us.

Lincoln: Being asleep for 150,000 years in that state of spirit sleep and not knowing what happened to the others...! Dark Chase Young, you really are an absolute monster.

Lincoln placed his hand on the pod where Draconia Burnwind was sleeping. Suddenly, it started to glow and it opened up, and then, she started to awaken as Lincoln caught her in his arms.

Draconia Burnwind: (Groans) W-where am I?

Suddenly, her eyes came into focus, and she saw Lincoln recognizing the deep sapphire blue eyes.

Draconia Burnwind: L-Lincoln? Is that you?

Lincoln: Yes, it's me from the Earth that hasn't been destroyed by the asteroid, the one you found, though I've really grown up a lot.

Lincoln wrapped his abnormally massive and muscular arms around Draconia Burnwind's waist and hugged her, and Draconia Burnwind is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and ninety-nine sets of large angel wings underneath his massive white angel wings and large gold halo and large gold

Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, one-hundred massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Draconia Burnwind: That you have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 12'6" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and ninety-nine sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and one-hundred massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome. But, wait, where am I?

Me: You're in our world. Lincoln brought the planet and all of you here to our world, and in our world, we destroyed the asteroid heading for Earth when we went after Tim Scam.

Nico: And foiled one of Dark Chase Young's schemes to prevent the prophecy from coming true in our world. Lincoln already fulfilled the first part of the prophecy by getting 403 years of divine retribution for his ancestors by taking down Morag and killing Aggie.

Lincoln: Now, all that's left is for the second part: killing the monster responsible for everything he did to my family in 1621 and for 1,500 years of pain and suffering, Dark Chase Young.

Draconia Burnwind: Perfect.

Suddenly, Shanan came to us.

Shanan: Guys, I just saw a planet come into our solar system, and who is...?

Selene Emperyous: Shanan, meet Draconia Burnwind, she's the second of Lincoln's Guardian Angels from her home Planet Scornadus where dragons exist and can be human. Draconia Burnwind was born with omnipotent power, immortality, invincibility, fire, wind, and the powers of all the dragons of myth. Draconia came from the Earth prior to its destruction in the other timeline. Draconia was observing Earth and she found Lincoln, and like Tara Toonamine, she ended up falling in love to the point of swearing that she would do everything in her power to protect him, and God heard her swearing to do everything in her power to protect him, and she took The Sacred Oath, thus becoming the second of Lincoln's Guardian Angels. Before the Earth of the other timeline was destroyed, while Tara came and rescued Lincoln and his harem from its destruction and got them to her home planet, Techwater, Draconia rescued all the Digi-Destined, Digimon, Pokemon Trainers, and Pokemon, to Scornadus, where she placed herself, the Digi-Destined, Digimon, Pokemon Trainers, and Pokemon in spirit sleep until she, the Digi-Destined, Digimon, Pokemon Trainers, and Pokemon, and Planet Scornadus can be transported to the time where the asteroid that was coming to destroy Earth was destroyed when we went after Tim Scam, along with Planet Techwater and the other planets.

Shanan: (GASPS) Whoa! So, she saved her Earth's Digi-Destined, Digimon, Pokemon Trainers, and Pokemon before the Earth of that timeline got destroyed?! And they were in spirit sleep. Dark Chase Young, you vile monster.

Lincoln: Yep, and I brought the planet here. This is Planet Scornadus.

Shanan: Wow.

Lincoln went up to the pods where the Digi-Destined, Digimon, Pokemon Trainers, and Pokemon of 150,000 years hence were sleeping in, and as soon as he touched them, the pods glowed and they opened. Suddenly, they merged with the Digi-Destined, Digimon, Pokemon Trainers, and Pokemon, and the Digi-Destined, Digimon, Pokemon Trainers, and Pokemon grew stronger than ever gaining 150,000 years of experience in combat and power beyond any imagination.

Lincoln: Whoa!

Selene Emperyous: Incredible, now the Digi-Destined, Digimon, Pokemon Trainers, and Pokemon are even stronger than ever!

Lincoln then went up to Draconia Burnwind and he pinned her to the floor and he kissed her deeply and passionately on the lips and she returned it after recovering from the shock, then, he leaned down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out even more and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed with intense light. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Draconia Burnwind with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Lincoln then helped her up and carried her bridal style as we came back home and went back to our rooms and Lincoln brought Draconia Burnwind to his massive extra-extra-extra large never-ending expanding bed for him and his expanding harem and he had her sleeping on top with her head on his massive pecs.

Draconia Burnwind: (Rubs Lincoln's massive pecs) This feels really nice, and it's so good to finally be home.

Lincoln: Us too.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. Guys, there's something I need to tell you guys. Last night, my dream took me to a planet called Scornadus.

Then, Lincoln, Nico, and I explained everything that happened last night, and when we got done, everyone was floored.

Qin: HOLY COW! So, you guys found the Digi-Destined, Digimon, Pokemon Trainers, and Pokemon of 150,000 years in spirit sleep on the planet?!

Then, Draconia Burnwind came in.

Nico: Along with the second of Lincoln's Guardian Angels from the Earth of 150,000 years hence that got destroyed, and she's a dragon and can be human.

Me: Yep, she was born with omnipotent power, immortality, invincibility, fire, wind, and the powers of all the dragons of myth. Just like what happened to me, and Lincoln has added her omnipotent power, immortality, invincibility, fire, wind, and the powers of all the dragons of myth to his arsenal when he fed on her blood last night.

May: But, that means if you were able to find the Digi-Destined, Digimon, Pokemon Trainers, and Pokemon from 150,000 years hence, that means...!

Maria: Ourselves from 150,000 years hence must be on different planets that were from that same timeline. But, how can we find them?

Lincoln: Just leave that to us.

Suddenly, Lincoln had a premonition!

Lincoln: What the?! You goddamn immortal draconic son of a bitch! We got bad news: Dark Chase Young has created evil versions of Lori, Lynn, Luan, Lisa and Lola, and they're causing havoc in Bowser's Castle in Super Mario Odyssey!

WE GASPED, BUT THEN, WE WERE PISSED!

Me: That goddamn...!

Lincoln: You know what, we're going to tear all five of them to pieces, and I've got more than a few choice words to say to them, and once we get done with them, I'm going to send a very threatening message to him. We're already approaching the final showdown with Dark Sebastian, Alaister Necroshade, and Malphas, and once they're gone, then, the final showdown with Dark Chase Young can begin once Kimiko's big day comes.

Suddenly, The Air Symbol on Crash Bandicoot's True Cosmic Eternal Harmony Heaven Cosmos Planetary Savior Skylands Guardian Ten Elemental Fury Skylanders Knight Life Skylanders Brawler Sensei Draconic Bandicoot Seraphim Phoenix God Archangel Greatsword of True Cosmic Eternal Harmony Heaven Cosmos Planetary Savior Skylands Guardian Ten Elemental Fury Skylanders Knight Life Skylanders Brawler Sensei Draconic Bandicoot Seraphim Phoenix God Archangel Justice and the Element of Harmony for Fluttershy started glowing.

Crash Bandicoot: The Air symbol's glowing, this means, you're up next, Rainbow Dash.

Rainbow Dash: Awesome!

Lincoln: I knew that was coming. Rainbow Dash did help me get justice in The Sensei Air Real when Killjoy Huggins escaped from Hell to once again get revenge on me, now her time has come to exact punishment unto the evil versions of Lori, Lynn, Lola, Lisa, and Luan. Alright, now let's finish breakfast and get ready to head to Bowser's Castle in Super Mario Odyssey to hunt down and kill the evil versions of Lori, Lynn, Lola, Lisa, and Luan.

Nico: We're coming for you, you toxic birdbrain chowderheads!

Jimmy Neutron woke up to see Beeheyem staring at him.

Beeheyem: Greetings to you Jimmy. It's time for Morning Convections consumation.

Jimmy Neutron: Oh breakfast time. Goddard Wake mode.

He barked.

He went and got dressed.

He went to the table.

Me: Good morning Jimmy.

Jimmy Neutron: Good morning J.D.

I gave him eggs, salmon and bacon.

He got to eating.

We finished our breakfast, and we headed out to Bowser's Castle in Super Mario Odyssey to help Rainbow Dash unlock her Rainbow Power and hunt down the evil versions of Lori, Lynn, Lola, Lisa, and Luan and destroy them, and then, send a threatening message to Dark Chase Young.

Camie: It sure is.

Qin: I agree.

Nicole: Bowser's castle is so cool. Reminds me of an awesome Japanese festival.

Xenia: It sure is cool.

Lola: Yeah.

Spiral Pegasus: I'm excited for this.

Nico: Me too. Spiral Pegasus I want to thank you, Dark Pegasus and your teams for coming.

Spiral Pegasus: No problem Nico. This is gonna be awesome.

Me: It sure is!

Nico: So, Rita. Can Poromon play with Moffun one of these days?

Rita Kaniska: He sure can.

Poromon: Moffun is really cool.

Me: He sure is. He reminds me of Marshmallow from Arendelle.

Lana: He sure does! That is so cool.

Rita Kaniska: I agree there. That is awesome.

Ymir: Yeah it sure is

Poliwag: He's also a stuffed toy

Hymeno: Yeah but he is so cute.

Me: He sure is.

Poromon: Yeah.

Rita Kaniska: Yeah.

Me: Gira how does it feel to take Maleficent's place as The True King of All Evil?

Gira: I think it's satisfying!

Me: It sure is! Especially now that Maleficent is dead!

Qin: Yeah! That witch had it coming!

Laney: Especially after all the atrocities she did for over 65 years!

Xenia: That is for sure!

Rhiannon Crystal: Yeah! Poliwag that was so awesome calling numerous Poliwag to help there!

Poliwag: They were from the wild!

Me: Whoa! Thousands of Poliwag from all over the regions!

Poliwag: Yep and it was awesome.

Me: There's strength in numbers.

Qin: Yeah!

Poliwag: Yep and that was fun.

Me: Maleficent had Heartless with her too. At least now we've seen the last of all the Heartless now and forever.

Nico: And another of Super Warumono World's villains dealt with

Me: Yep.

Nico: And J.D. that was so genius using the spindal needle against her.

Me: And I coated it in my blood with some of her magic to boot.

Nico: Yeah.

Lola: And Sora's second Akuma looked like Vanitas!

Spiderman: Yeah and I called him Vanny too!

We laughed!

Me: That was funny.

Spiderman: Yeah.

Horsea then sensed something

Maria: What is it Horsea?

Horsea: Not sure. I just feel like one of my kind is here.

Nico: Really?

Horsea: Yeah I just know it.

Qin: Oh.

Lincoln: Okay, guys, we're here for one awesome battle, we're here in Bowser's Castle in Super Mario Odyssey to help Rainbow Dash unlock her Rainbow Power and hunt down the evil versions of Lori, Lynn, Lola, Lisa, and Luan and destroy them, and then, send a threatening message to Dark Chase Young.

The rest of the team's with us.

Me: Yep, that bastard crossed another fucking line.

Nico: He's done it now. Once we get done with those bitches from Hell, he's gonna get a nasty threatening message.

Me: (GULP)

Suddenly, Lincoln had a premonition as his large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a one-way viewing mirror: it appears Dark Sebastian and those Order of The Dark Universe and Dark Church of Malphas dickheads have sent another massive 12'6" werewolf and massive pack of 12'6" massive werewolves after us!

Lincoln: Are you kidding me?! Dark Sebastian, you little...!

Me: He sent another massive 12'6" werewolf and massive pack of 12'6" massive werewolves after us?!

Nico: And there's no doubt Dark Sebastian's there too. Remember the stunt he forced Sebastian to pull when we were in The Water

Sensei Realm?

May: None of us forgot.

Lincoln: Same here. But, I'm gonna enjoy pissing that snake off by absorbing the next werewolf and its pack and drain all their souls and send them to The Black Abyss. Now, let's get going.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: This is it.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and

massive physical strength of Hawk and Hank was being absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I knew increasing the strength and potency of my Min's Egyptian Virility Drain Curse on those two was a good idea. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for the evil versions of Lori, Lynn, Luan, Lisa and Lola) AHA! THERE YOU ARE, YOU BITCHES FROM HELL! I just spotted the evil versions of Lori, Lynn, Luan, Lisa and Lola, they're 20 yards away, but they're now coming after me!

Nico: Time to put those bitches down for good!

Samus heard a Pokemon cry.

Samus: Look guys.

We saw a Cleffa!

Me: Cool a Cleffa!

Qin: Wow!

Cleffa: It sure is cool here.

Me: Yep.

Samus: You hungry?

She gave it food.

The Baby Metroid cooed.

Sora Phaaze: Looks like the Baby Metroid is gonna have a little friend.

Me: Yeah.

Samus: Want to come with us?

Cleffa: I would be honored.

Me: Cool.

But then...

SPLAT!

I got splattered in my face with ink!

Me: (SPITS) HEY!

Maria: Was that from you Horsea?

Horsea: No it was from that one!

We saw another Horsea!

Me: Cool! Another Horsea!

Nico: Where did that come from?

Me: Spray my face with Ink will you!?

Horsea: Let me see.

Horsea went over.

Horsea: Horsea horse...

Horsea 2: Horsea.

Horsea: (GASP) Oh man! Maria this Horsea is someone you and Carmen and Estella know. It's Aria Rockell.

THEY GASPED!

Carol: Oh my gosh! Aria!

Maria: My twin sister!? Oh man!

Carmen: I haven't seen Aria in a long time!

Estella: Oh man!

Me: Lets go help her out.

We went over.

Maria: Aria it's okay.

Horsea started at her for a minute. She then hopped and Horsea did the same. It was like looking in a mirror. They also did funny faces, blew raspberries, burped, and danced around. They finished it with squirting ink at each other

I snickered.

Maria: Okay that is funny.

Carmen: Yeah.

Horsea: You may be one of me but you need to be helped.

Me: I agree.

We fired waves of water and fire and blasted the second Horsea.

I snapped my fingers and she reverted back and was a girl with blue hair and blue eyes and had Horsea on her forehead and blue angel wings and had a mermaid in a raindrop on her arm as a cutie mark.

We wrapped her in a blanket and brought her over.

Me: Whew. At least I didn't get sprayed with ink.

She woke up to see Horsea's happy face

Aria Rockell: (Groans) Huh? A Horsea?

Horsea: You didn't attack me.

Maria picked her up.

Maria: Hey there sis. Been a while.

Aria Rockell: (GASP) Maria, Carmen, Estella, Carol!? It is you!

She hugged them.

Aria Rockell: Oh I'm so glad to see you all.

Carmen: Same here.

Carol: Good to see you too Aria.

Horsea: You were turned into one of me by Dark Gale.

Me: I was gonna say and you splattered my face with ink.

Aria Rockell: Oh man! Sorry! But I remember!

She was in an aqua blue suit and injected and in a burst of water she turned into Horsea!

She jumped into a toilet and was flushed out through the sewers!

FLASHBACK ENDS

Horsea: You were flushed through a toilet!?

Aria Rockell: That is weird yeah but I couldn't jump through the bars.

Me: Oh.

Carol: Aria also has water powers like Maria does. She was exposed to the Quantum Vapor and it gave her water powers and the divine singing of the mermaids. She got the superhero name Sirensong.

Me: Wow!

Aria Rockell: Yep. Wait Quantum Vapor?

Me: It's an experimental biohazardous mutagenic gas. It mutated lots of people and gave them superhuman abilities.

Aria Rockell: Is that what that weird purple cloud was after I heard that explosion? How freaky.

Nico: I know.

Me: That explosion became known as the Big Bang and it caused a lot of people to get mutated.

Virgil: Lets just say it was crazy.

Maria: I was one of those people exposed to it. It turned me into pure water and made me Aquamaria.

Carmen: I was given fire powers from it.

Estella Rockell: I have the power to turn into water as well but I can turn into water on and off at will.

Aria Rockell: Wow!

Horsea: I counterattacked because I know my species inside and out.

Aria Rockell: I see. That is cool.

Me: Yep.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new blue clothes and a water sword.

Aria Rockell: I look awesome.

Maria: You sure do.

Aria saw Carmen and Maria and Carol's rings.

Aria: (GASP) You guys are married?

Carmen: We sure are.

Liam: Howdy there. I'm Liam Hunnicutt. Me and Carmen are married now.

Vince: I'm Vince Pusateri. Me and Carol are married now.

William: And I'm William Dunbar. Me and Maria are married.

Aria Rockell: Oh wow! I missed out on so much.

Horsea: Can't believe you got flushed down a toilet!

Me: Well a Horsea is small enough to squeeze down one.

Horsea: True. But still that is crazy!

Me: I know. Kind of like how I want to shove Crackhouse Minnie down the toilet.

Nico: Yeah!

Crackhouse Minnie: (Offscreen) WHHAAAAAAAAAAAAAAAAAAAAAAAAAATTTTT?!

Me: Uh oh!

Nico: Well fuck!

Crackhouse Minnie came.

Crackhouse Minnie: I WILL BEAT THE LIVING SHIT OUT OF YOU FOR SAYING THAT YOU POMPOUS BASTARD ASSHOLE!

Ymir: HEY! YOU BACK OFF BITCH!

Ymir and Camie went and bashed her all over and screams were heard as they beat her mercilessly and then...

KRASMASH!

SHE WAS SENT FLYING AND FAR!

Crackhouse Minnie: (SCREAMING)

TING!

Me: WHOA! Nice one!

Nico: That was unexpected!

Jamesdean5842: You're going to see this more often guys. So brace yourselves.

Nico: Oh boy.

We then took off into the air to help Rainbow Dash unlock her Rainbow Power and send the evil versions of Lori, Lynn, Luan, Lisa and Lola to The Black Abyss forever.

We were flying in the air, and we saw our targets: the evil versions of Lori, Lynn, Luan, Lisa and Lola and they were causing havoc and cackling malevolently like the bitches from Hell that they are.

Lincoln: There they are!

Emily Anderson: That's them?! Ugh, they're acting like the evil wicked stepsisters. (To Anastasia) No offense, Anastasia.

Anastasia: It's okay.

Even Ulric, Brute, and Brooha saw them and they were repulsed.

Brute: Okay, someone needs to put them six feet under.

Crash Bandicoot: Time for our entrance.

Suddenly, Crash Bandicoot's emerald green eyes glowed, and out of nowhere, a massive powerful storm appeared out of nowhere, and a barrage of rainbow lightning came down and struck those evil bitches from Hell!

Me: Whoa, awesome.

Rainbow Dash: Got them.

Lincoln: Now, comes the fun part.

Evil Lori: Who did this?! WHO?! TWERP! GET OUT HERE! I KNOW YOU ARE BEHIND THIS!

Suddenly, the spirits of all the athletes appeared and they fired energy blasts at the evil versions of Lori, Lynn, Luan, Lisa and Lola, and then, the spirits converged on the evil versions of Lori, Lynn, Luan, Lisa and Lola as angels and Archangels of Heaven appeared as they drew their swords and pointed them at them.

Archangel: Evil versions of Lori, Lynn, Luan, Lisa and Lola, you five have been found guilty for the multitude of crimes that you have committed against your brother and your entire family, you've shown no mercy to them at all nor to your own friends and everyone around you, and that is truly unforgiveable.

Then, the spirits converged and they crashed down and a massive explosion erupted as a Thunderbird Screech and Phoenix Cry was heard and we appeared.

Lincoln: And as such, you are hereby sentenced to death!

THEN, THEY SCREAMED LIKE BANSHEES!

Nico: I should've known Dark Chase Young would create you five bitches from Hell and send you here to cause havoc, piss us off, and try and kill Lincoln yet again to prevent the prophecy from coming true. That's it, I've had it with you, you goddamn deceitful heartless conniving bitching banshees from Hell!

Me: We're gonna put you five down once and for all, and you're never coming back.

Lincoln: That's a promise, you're never coming back!

Cleffa charged at them and blasted them.

Evil Lori: SHUT THE FUCK UP, YOU WORTHLESS PIECE OF SHIT! I HATE YOUR FUCKING GUTS SO MUCH, I WANT NOTHING MORE THAN TO TEAR YOUR FUCKING HEAD OFF!

Evil Lynn: WE'RE GONNA FUCKING KILL YOU, YOUR WHORES, AND YOUR FUCKING CHILDREN AND FAMILY AND FRIENDS!

Evil Lola: THEN, WE'LL BRING YOU BACK AND KILL YOU ALL AGAIN!

Evil Lisa: AND WE'LL KEEP DOING IT FOR ALL ETERNITY! YOU WILL ALL BOW BEFORE US AND YOU WILL ALL SUFFER! (LAUGHING MALEVOLENTLY)

Me: YOU PARASITIC BITCHES!

Nico: YOU FUCKED-UP PSYCHOPATHIC BANSHEES!

THE BITCHES KEPT CACKLING MALEVOLETLY AT US! BUT, THAT MADE LINCOLN SUPER, AND I MEAN, SUPER PISSED TO THE FUCKING EXTREME AS HE CLENCHED HIS HANDS TIGHT AND IT LED TO BLOOD BEING DRAWN AND AS IT HIT THE GROUND, IT SIZZLED AND LEFT A SCORCH MARK ON THE FLOOR!

Then, he struck them with some hard punches and kicks, and he even used some wrestling moves on them, and they were pretty beaten up and banged up bad.

Rainbow Dash: I have had it with toxic people always trying to hurt the man we're going to marry in the future, I've already trashed Killjoy Huggins for what he did, and now, it's your turn! I am The Guardian of Loyalty and the Rainbow is my light, My cutie mark comes to life, My Loyalty is my Rainbow Flight!

Rainbow lightning and rainbows swirled around her.

Rainbow Dash held up her greatsword into the air, and A MASSIVE AND INTENSE POWERFUL SURGE OF INTENSE AND POWERFUL ENERGY AND MAGIC WAS FELT!

Nico: WHOA!

Me: INCREDIBLE!

When we are all different

But one and the same

Like starlight and moonshine

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

Inside a rainbow sphere with intense flames, fire, and elemental forces, Rainbow Dash then underwent an intense and amazing transformation! Rainbow Dash had Rainbow Flame patterns and rings appear on her legs and obliques and rainbow sun and moon on her shirt and skirt and she also gained intense flame and lightning patterns on her forearms, she also got light blue, golden yellow, and rainbow lines on her hair and tail. She then had her Cutie Mark change into many rainbow lightning bolts and her massive light blue angel wings and twelve sets of large light blue angel wings underneath her massive light blue angel wings had intense rainbow fire on them.

SHE UNLOCKED HER RAINBOW POWER FORM! HER INNER LOYALTY! THE RAINBOW LIGHTNING OF LOYALTY!

EVERYONE GASPED!

Nico: WHOA! WHAT POWER!

Me: SHE DID IT! RAINBOW DASH'S UNLOCKED HER INNER RAINBOW MAGIC!

Twilight Sparkle: THAT'S AMAZING!

Comet Thunder: WAY TO GO, SIS!

Rainbow Dash: Time to send you five to Hell where you belong.

She fired rainbow lightning and rainbows and blasted Evil Lori, Evil Luan, Evil Lynn, Evil Lola, and Evil Lisa all over the place!

Then a figure crashed into the ground and it was Vexen?

Me: Vexen?

Out came the next member of the Daughters of Organization XIII.

Lincoln: Emma Even Vexen!

Emma Even Vexen: Good to see you Lincoln.

Me: Care to introduce us?

Anna Anyanova: Sure. This is Emma Even Vexen, Daughter of Vexen, she's Lincoln's Guardian Angel from The World That Never Was, she's a powerful master of the forces of ice, and she's known as The Chilly Ice Academic Genius of The Daughters of Organization XIII, they are the daughters of the members of Organization XIII and they have elemental angel wings and black clothes and the weapons of Organization XIII and the kanjis of the elements on their foreheads, and Aniya and her friends absolutely loathe Xehanort with a bloodstained vengeance. She came to Royal Woods where she met Lincoln and swore to protect him from all threats and it not only included Dark Chase Young, but also, Xehanort as well, because Lincoln also had a hand in killing the evil Xehanort. She trained Lincoln in mastering the forces of ice, and in a split second, he mastered the powers of ice, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lola with a passion.

Me: WHOA! Awesome to meet you.

Emma Even Vexen: Same here. Want to help me Lana?

Lana: You know it.

She went to help her.

Lincoln: Time for the big guns.

Lincoln got out a massive industrial can of spinach, and he opened it up. Then...!

LINCOLN DEVOURED THE MASSIVE INDUSTRIAL CAN OF SPINACH!

Me: OH CRAP!

Nico: THIS IS GONNA GET UGLY!

Suddenly, Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and we saw a massive aura of rainbow, white, golden yellow, and blue fire surround his rainbow protective aura, and he'd gained a massively astronomical power boost.

Then, he flexed his massive muscles, and we saw two cannons exploding in his massive biceps and the Death Star exploding in his massive pecs and he let out a massive wolf roar.

Lincoln: (Cracks Knuckles and neck)(Smirks) This is gonna hurt! (WOLF HOWL)

Lincoln went at Evil Lori, Evil Luan, Evil Lynn, Evil Lola, and Evil Lisa and he brutally smashed them all over the place with his massive godly superhuman strength. Then, he punched them hard in the face and kicked them in the stomach and sent them flying into a wall, they got back up, but they were so mad, they screeched and shrieked like banshees, and Evil Lynn roared and pounded her chest like a gorilla.

Me: Great job, Lincoln! That'll teach them!

Nico: Still as brutal as ever. (Flips both middle fingers) And fuck you, bitches.

Suddenly, we heard vampiric shrieks, and we saw vampires coming right at us, and then, the skies turned red and it started raining down blood.

Me and Nico: Great, now things have really gone bad.

Then, Sherlock Hound attacked one of the vampires and we felt Sherlock Hound grow even stronger as the blade literally sucked the life out of the vampire as he died and turned to dust. Then, he swung his massive greatsword again and fired projectiles of ice that hit and froze more of the vampires before he struck them with his greatsword and sucked the life out of them and he grew stronger from that as well as they too turned to dust.

Then, we saw the 9'11 massive, wide, double-edged hulking midnight black blade of his massive greatsword was suddenly surrounded by a red flame. Lincoln: Alright, let's do this.

Suddenly, we heard a roar, and we saw a massive 12'6" werewolf that was summoned by Dark Sebastian and his minions, and with it was a massive pack of 12'6" massive werewolves.

Lincoln: Ugh, I knew Dark Sebastian would summon them. I'll take care of them at once.

Lincoln went after the massive 12'6" werewolf and its' massive pack of 12'6" massive werewolves, and he really went wild on them showing them who's the top werewolf around here, and he was really working up a sweat, and finally, he knocked them down.

Then, Lincoln morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive 12'6" werewolf and its' massive pack of 12'6" massive werewolves, and he began absorbing them and he assimilated their massive superhuman and demonic upper body and lower body strength, massive muscle mass, virility, testosterone, and immense powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange, golden yellow, and aurora tips underneath his massive white angel wings spread out even more and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings behind his head glowed.

Lincoln: (GROWLS) Oh man, the raw immense power of these beasts is incredible.

Then, when Lincoln was done and the stingers changed back, nothing was left of the werewolves and Lincoln drained the werewolves' souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Seeing what happened to the werewolves had royally pissed off Dark Sebastian and Alaister Necroshade along with Malphas!

Dark Sebastian: (ENRAGED DEMONIC SCREAM) DAMN THEM! DAMN THEM!

THEY WENT BALLISTIC, BUT THEN, ARMIES OF DEMONS LOYAL TO THE KEYBLADE KNIGHTS OF HELL, THE MALEFIC SISTERS, AND THE SEVEN QUEENS OF THE NETHERWORLD ON LINCOLN'S SIDE APPEARED AND ATTACKED THOSE SNAKES AND THEY GOT BEATEN DOWN HARD, AND WE SAW IT THROUGH A CRYSTAL BALL LINCOLN FORMED!

Lincoln: Glad to see you're still feeling the pain of my transformation, but you know what, you immortal draconic son of a bitch? The stripping of most of your dark powers is nothing compared to what I'm going to do to you, Dark Chase Young. You have run free for too long, and because of you, you ruined so many innocent lives for over 1,500 years along with what you did in helping that witch, Aggie, murder my ancestors over 400 years ago in 1621 to prevent the prophecy from coming true. But, in the end, you've failed: all of your schemes and many of your minions who've helped you in your twisted plots in the past have met their end at our hands, and soon, you will pay for everything that you have done. I will fulfill the final part of The Prophecy of The Reincarnation of Amaterasu, and I will end you forever as my blade pierces your pitch black heart and I will avenge all those lives whom you have ruined in the last 1,500 years, along with what you did in murdering your father. All you need to know is you're finished, you miserable cretin, and I will make you suffer as you've made so many of your victims!

Lincoln's deep sapphire eyes vanished, but he's made his threatening warning clear to Dark Chase Young: he was done for, and that immortal draconic nightmare growled in pure anger: he's finally lost his composure big time.

Selene Arcangela: He's gotten your warning loud and clear.

Lincoln: Yep. Plus, he's also still feeling the pain of my transformation as more of his dark powers are being stripped from him and destroyed forever.

Me: You're right, I feel it too. Man, you really are making him feel nothing but pain, Lincoln.

Nico: That's for certain. This is just the beginning though, I can tell.

Lincoln: That's right, this is only the beginning. Dark Chase Young will no doubt have one last plan up his sleeve, but we're more than ready for that monster when he escapes from The Warp. But, the only way to make sure there are no snags in the future is to finally get rid of Dark Sebastian, Alaister Necroshade, and Malphas.

Selena Mendez: We'll make sure of that, Lincoln.

Lincoln: That's right.

Horsea: I'll teach you all there is to know about me

Aria Rockell: I would like that.

Horsea: Starting with this.

She gave her a bottle of beer.

Horsea: I love drinking beer.

Nico: Nice job, Cleffa.

Cleffa: Thanks! That was fun.

Me: It sure was.

Poromon: Want some beer?

Cleffa: Sure!

Poromon: YAY! Here you go!

Poromon gave her one.

Cleffa drank it.

Cleffa: Ahh. (BARNEY GUMBLE BELCH)

Barney Gumble: Welcome to the party! (BELCH)

She got drunk.

Poliwag: Sing the ABC's!

Cleffa: (BELCHING) ABCDEFAJFJJAJJDHHNWNJVIAHW!

WE LAUGHED!

Horsea: What about you, Aria?

Aria: Sure!

Horsea: Yay!

She gave her one and she drank the beer.

Aria: Ahh. (BARNEY GUMBLE BELCH)

Jimmy Neutron: In honor of today, I would like to show you all a new invention later

Me: Ooh cool!

Qin: Looking forward to it Jimmy.

Spiral Pegasus: Yeah we sure are.

Nico: Oh, Spiral Pegasus, what do you like to do in your free time?

Spiral Pegasus: I like to work in the Cloudsdale Weather Factory and it's awesome.

Rainbow Dash: Spiral Pegasus makes awesome weather for us and it's cool.

Xenia: Cool!

Lincoln: (Sensed the Anothers) Uh oh, here come the Anothers!

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another Jimmy Neutron.

Jimmy Neutron: No doubt it's a relative of mine.

Me: And she's probably a genius like you.

Nico: Uh oh, why do I got the feeling my head's going to explode.

Me: So we have Dark Pegasus, Gallantmon (Royal Knights) Mercury Malgam, Lehvak-Kal, Crimson Creep and Headless Horseman.

Eli: Yep.

Me: So Spiral Pegasus, Rita Kaniska, Stellar Flare (MLP), Amalia (Wakfu), Natalie Frizzle and Pegasus (Fantasia) are up.

Nico: Yep.

Me: This will be good.

Nico: There they are!

Out came Another Gallantmon (Royal Knights) Mercury Malgam, Lehvak-Kal, Crimson Creep and Headless Horseman.

Me: This is gonna be good.

Another Gallantmon: (In a girls voice) It sure will.

Me: (GASP) That voice!

She reverted back and was the embodiment of Blaze!

Me: Shaniya Blaze!

Shaniya Blaze: Awesome to see you again J.D.

Me: You too. Shaniya has amazing and intense powers of fire.

Nico: Awesome!

Me: Yep. By the way is the Another Dark Pegasus and Jimmy friendly or hostile?

Shaniya Blaze: Friendly and the Another Jimmy is very smart.

Me: Cool!

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Maria: (TURNS DIAL) MEGATRON FORCE 6!

She summoned Megatron (Beast Machines), Takozo Phantom Octophant, Eagle Phantom Egounce, Filbert the Chernabog, Evil Concrete Man and Mantis Kaijin

Me: YEAH!

Nico: And now, we wait

Me: We don't have to wait long!

We saw Another Dark Pegasus and Jimmy!

Me: Whoa! This will be cool!

Another Dark Pegasus: (In a girls voice) It sure will.

Me: (GASP) That voice!

She reverted back and was the Embodiment of Zodiac!

Me: Zahlia Zodia!

Zahlia Zodia: Good to see you J.D.

Me: Same here. Zahlia is the Embodiment of the Zodiac Dopant and she has amazing powers of the stars and the constellations.

Dark Pegasus: That's very much like what I can do.

Zahlia Zodia: Yep that's right and it's fun.

Me: Yep. And who is your friend?

Another Jimmy: (In a girls voice) Someone that has the ability to decode the tachyonic ratio of the Schwartzchild Radius of a black hole.

Nico: (HEAD SPARKS)

She reverted back and was girl with brown hair and blue eyes and blue wings and had brown clothes.

Jimmy Neutron: Jenna!

She and Jimmy hugged.

Jenna Neutron: My little brother. Good to see you. I have been looking all over the 12th Dimensional String Equation for you. I also figured out the ellusive Zeta Constant of the 17th Dimensional Unified Field Theory and it was Theta times 3 over Pi.

KRASPLAT!

NICO'S HEAD EXPLODED!

Poromon: NICO, NO! SPEAK TO ME!

His head regenerated!

Nico: OW! That really hurt.

Me: Lana can you give him a block of ice?

Lana: Sure.

Lana did so.

Me: Boy Jimmy your sister is an awesome genius too.

Jimmy Neutron: She sure is.

Kaito: (gets out Megaranger gear) Did Swartz promise you anything?

Zocks: (gets out Gingaman gear) Because we can grant it instead

They got weapons from said teams.

Zahlia Zodia: No he didn't because Jenna here used a complex equation and made his head explode like Nico's And we ran.

Sakura Knudson: That explains why his head was blown apart back then.

Me: Too bad that didn't kill him.

Sougo: (gets out In Space Ridewatch) You'll fit in with Lisa

Geiz: (gets out Lost Galaxy Ridewatch) She's smart too

Sougo got InSpaceRedArmor while Geiz got LostGalaxyRedArmor

Jenna Neutron: I know I will.

Me: Awesome.

Lincoln: Lets separate you girls first.

We did so.

Me: Lets get it on!

Nico: (gets out Dark Pegasus ridewatch) Time for a Dark Ride

May: (Gets out Mercury Malgam's Ridewatch) Mercury Alchemy!

Universe 666 May: (Gets out Lehvak-Kal's ridewatch) Time for Acid Power!

Maria: (Gets out Crimson Creep's ridewatch) I am the Crimson Creep!

Rita Kaniska: (Gets out Gallantmon's ridewatch) This knight is gonna strike!

They used the powers of Dark Pegasus, Gallantmon (Royal Knights) Mercury Malgam, Lehvak-Kal, Crimson Creep and Headless Horseman.

Then out came Dinosaurus, Merman 1983 (X-Squad Universe), Ra'Ve'Nous of the Beast, Doughnut, Mask Monster and Dark Horus!

Me: WHOA!

Nico: Nice team Dinosaurus!

Dinosaurus: Thanks Nico!

Me: Invincible's team next.

Invincible: That's right!

Out of a vortex of hearts came Number 82: Heartlandraco! Then rolling in came Number 81: Superdreadnought Rail Cannon Super Dora!

Nico: WHOA!

Me: Number 82: Heartlandraco and Number 81: Superdreadnought Rail Cannon Super Dora!

Qin: COOL!

Number 82: Heartlandraco: (In a girla voice) This will be fun!

Number 81: Superdreadnought Rail Cannon Super Dora: (In a girls voice) Yep.

Nico: Hayley Heartland and Dayna Dora!

They reverted back.

Hayley was a girl with pink hair, pink eye and had pink clothes and wings and had Number 82: Heartlandraco on her forehead, arm, skirt and shirt.

Dayna was a girl with black hair, red eyes and had black angei wings and had black clothes and had Number 81: Superdreadnought Rail Cannon Super Dora on her forehead and shirt, skirt and arm and had a dark sword.

Hayley Heartland: Good to see you Nico. We got this. 82 HEART BLASTS!

Dayna Dora: 81 CANNON BURST!

They fired waves of energy and blasted the Anothers and I caught the Ridewatches and purified them.

Nico: Nice job!

Dayna Dora: Thanks!

Hayley Heartland: That was fun.

Me: Yeah it was!

Rita Kaniska: Do you girls have any good memories of Nico?

Hayley Heartland: We sure do. Mine is where me and Nico brought down an entire hate cult and it was awesome sending them to prison.

Dayna Dora: Mine is where me and Nico blasted a Terrorist Organization in Russia.

Me: Cool!

Qin: I remember those.

Me: Cool.

Nico: Yep.

They hugged.

Nico: I've missed you girls.

Dayna Dora: Same here.

We went back home.

A dangerous killer named Connor Maxwell, he's a cruel, selfish, psychotic sadistic serial killer driven by a sadistic lust for blood who murdered tens of thousands of innocent men and women all across seven states in The U.S., and the bad news, he was once the cousin of Caleb Maxwell who came here to Royal Woods from the world Caleb and the NYPD Nightshift came from after he got chased out by Caleb Maxwell, and Connor's still out to kill Lincoln to slake his thirst for blood. Well, we're not going to stand for that, we're going to end that cruel, selfish, bloodthirsty, psychotic sadistic serial killer and send him straight to The Black Abyss.

We had all of TLPS and The MOE with us.

Lincoln: So, we're here in the Lower East Side of New York, and I know what we're going to do here, not only am I going to rescue the five girls here and Ets is going to rescue the one girl here, but we've got a dangerous villain to get rid of.

Astrid Michelsen: (Norwegian Accent) And that dangerous villain is a dangerous killer named Connor Maxwell, he's a cruel, selfish, psychotic sadistic serial killer driven by a sadistic lust for blood who murdered tens of thousands of innocent men and women all across seven states in The U.S., and the bad news, he was once the cousin of Caleb Maxwell who came here to Royal Woods from the world Caleb and the NYPD Nightshift came from after he got chased out by Caleb Maxwell, and Connor's still out to kill Lincoln to slake his thirst for blood. Well, we're not going to stand for that, we're going to end that cruel, selfish, bloodthirsty, psychotic sadistic serial killer and send him straight to The Black Abyss.

Caleb Maxwell: He may share the same last name as us, but the blood in his veins reeks of the blood of Dad's scumbag relatives. I should've killed him when I came back to New York, but now, I'm going to put him down once and for all!

Nico: We all will. There's no way we're letting your so-called cousin run loose again.

Me: That's for sure.

Allie Maxwell: I've been looking forward to the day that scumbag winds up getting a bullet to the head for what he's done.

Spiral Pegasus: Then, let's find him before he goes after another person.

We got a move on, and as we did, Caleb's mind flashed back to the day in 1996, the very night of his return to New York and his transformation.

Past Caleb Maxwell: I'm coming for you, Drake! You're dead!

Suddenly, he saw police cars chasing after a black car, and Caleb saw the driver of the car, it was his cousin, Connor Maxwell, but he was a criminal like his dad's scumbag relatives.

Past Caleb Maxwell: Connor...! I've been waiting for you to show your face at long last. You and I have some "unfinished business", you piece of crap!

Caleb Maxwell went after Connor Maxwell as he flew into the air and flew after the car.

Past Connor Maxwell: You fucking pigs ain't going to catch me!

Connor Maxwell drove into an alley, but then...!

Past Caleb Maxwell: SURPRISE, COUSIN! Guess who's back!

Caleb Maxwell jumped onto the hood and shattered the windshield with one shot and he jumped off the hood of the car and landed.

Past Connor Maxwell: WHO THE FUCK ARE YOU!? (Recognized Caleb Maxwell) Oh...shit! Caleb, but that's impossible! You...you died back in...!

Past Caleb Maxwell: Yes, I died back in 1985 on Halloween all because of Drake Maxwell and the four senior heads of The Syndicate shooting me down. But, now I've since returned from the dead, and now, I have returned to New York to take my revenge out on him and all those who made my life a living Hell! (Raises his guns) And I'll start with you, you caused me and Allie a lot of trouble back then and you're still a criminal even now. You may be my cousin, but the blood that flows in your veins is not of a true Maxwell: it's the rotten blood of Dad's scumbag relatives, and for that, you will die!

Past Connor Maxwell: SCREW YOU! DIE!

Connor was about to shoot, but Caleb fired first and disarmed him, and he ran away in pure fright in fear for his life.

Past Caleb Maxwell: Run, coward, run and hide. Time and eternity are on my side, and soon, you will pay for your transgressions in Hell.

The memory's flashback ended.

Caleb Maxwell: I was embarrassed to even call Connor family, what he did proved he was destined to be disowned forever, and to me, those once in my family who get disowned wind up dead.

Astrid Michelsen took out the picture of Connor Maxwell: and he was a mean thug with black hair and black eyes of hatred and he was dressed in black biker and punk clothes and he had a nasty shit-eating grin on his face.

Caleb Maxwell: I can't forget that nasty shit-eating grin on his face whenever he always ran away from the police.

Lincoln: That nasty look on his face is gonna turn into a look of dread and horror when we get done with him. (Wolf ears twitch as they hear a loud scream) And we better get going, it sounds like he's about to kill an innocent girl.

Caleb Maxwell and Allie Maxwell: WHAT?! CONNOR, YOU GODDAMN RAPIST!

Caleb Maxwell and Allie Maxwell went flying in pure rage!

Nico: Follow the angry siblings!

We followed a majorly pissed off Caleb Maxwell and Allie Maxwell and we saw Connor Maxwell about to stab and murder another innocent girl.

Me: You stupid moron!

Lincoln: GET AWAY FROM THE GIRL, CONNOR!

Lincoln fired a wave of light that hit Connor Maxwell and he got burned, and that allowed the girl to flee from the psychotic killer, and that pissed him off.

Anna Anyanova: You got some fucking nerve showing your face again, you fucking psycho! But, then again, whenever you see an innocent person, you don't hesitate on charging at them to kill them to slake your thirst for blood.

Caleb Maxwell: And you didn't count on us coming after your ass!

Connor Maxwell: YOU MOTHERFUCKING BITCH! HOW DARE

YOU ALL RUIN MY FUN!

Nico: You call murdering innocent people fun?! You really are a cruel, selfish, psychotic sadistic serial killer driven by a sadistic lust for blood! Caleb's right, he's disgusted to even call you family!

Lincoln: We thought we were rid of you after we chased you out of Royal Woods eight years ago, but now, we find out you were here back in the Lower East Side of New York and you murdered a lot of people who came here in the past eight years. You were a real lowlife back then, and you're still the same lowlife dishing out the same kind of pain and suffering to others. That's it, we've had it with you running loose for the last time, Connor Maxwell, we're avenging all of those lost souls here and now, and we're sending you straight to Hell.

Connor Maxwell: YOU SHUT THE FUCK UP! I WILL FINALLY KILL YOU, LINCOLN LOUD!

HE RIPPED OFF HIS SHIRT AND RAN AT LINCOLN!

Connor Maxwell: YOU ARE FUCKING FINISHED!

POW! SQUELCH! SCREAM!

LINCOLN PUNCHED CONNOR MAXWELL RIGHT IN THE FACE AND HE YANKED OUT HIS RIGHT EYEBALL AND CRUSHED IT!

Andre Lupescu fired a massive wave of snow, ice, and darkness at Connor Maxwell and they hit him, and that pissed him off even more.

But, before Connor Maxwell could attack, he was hit by blasts of blue energy and ice, and we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long black hair with red streaks and ice blue flower in her hair, purple eyes, massive blue angel wings, she has a Vegvisir and Jormungandr the Nordic Serpent on her forehead, right arm, ice blue sleeveless crop top, and ice blue skirt, white gloves, blue knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, snow, ice, phoenixes, and angels on the coattails, and on the back is Jormungandr the Nordic Serpent, she has an ice greatsword in her right hand, and with her are the five girls Lincoln is to rescue and the one girls Ets is to rescue.

Lincoln: (GASPS) Carina Johansen, Avatar and Gene-Slammer of Jormungandr the Nordic Serpent.

Carina Johansen: (Norwegian Accent) That's right, and I got the girls away. Now, we can finish Connor off and send him to Hel.

Andre Lupescu rose into the air and he charged down with his greatsword raised into the air, and as he landed...!

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Connor Maxwell, and he proceeded to brutally smash him hard into the ground with his massive godly superhuman strength, slashed at him with his gold-armored dragon claws and his massive greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON CONNOR MAXWELL! HE WAS REALLY GOING APESHIT ON THE ASSHOLE!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

LINCOLN SLASHED AT CONNOR MAXWELL WITH HIS MASSIVE GREATSWORD AND HE ALSO FIRED A BLAST OF HEAVENLY LIGHT THAT HIT HIM AND HE SCREAMED IN AGONY!

May: OH! AND HE ALSO RESORTED TO THAT!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of what's going to happen when we kill you.

Then, Andre Lupeau went after Connor Maxwell and he fired extremely powerful blasts of white and silver, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, snow, ice, snowflakes, ice crystals, wolves, phoenixes, and angels and they hit him, and Andre Lupescu slashed at him with his massive greatsword and shot at him with his silver-plated guns.

Then, he also attacked him by flashing the Strobulb in his face and blinded him, and the ring of Boos around the flashlight's head fired purple energy beams at Connor Maxwell which hit him hard.

Lincoln continued smashing Connor Maxwell hard with his extremely massive godly superhuman strength, and he was no match due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering him.

Me: UNREAL! His speed and reflexes are still even faster than ever!

Nico: I can't keep track of his movements and he's even more stronger than ever! Look at how he's continuing to smash Connor Maxwell all over the place!

Then, Lincoln swung his massive greatsword and fired a barrage of rainbow light needles and they hit Connor Maxwell and he looked like a pincushion, but then, when the last rainbow light needle hits his heart, he exploded and he was sent to The Black Abyss. We cheered as we holstered our weapons and powered down and we came back home to The World Tree Estate.

Lincoln: It's over, the terror of Connor Maxwell is over.

Caleb Maxwell: Aunt Freida is going to be glad to hear Connor's gone for good. He may be the son of one of her seven husbands, but he was trouble, and now, he's gone. She's gonna be throwing quite a party at her nightclub tonight.

Marlene Maxwell: Provided the patrons of The Spotted Leopard don't come charging in as well.

Suddenly, we saw the spirits of those Connor Maxwell murdered in Royal Woods and New York finally heading up into Heaven.

Eli: Did we just...?

Lincoln: Yep, we avenged the spirits of all those Connor had murdered in Royal Woods and New York, now their souls can finally rest in peace. (To Carina Johansen) And it's so good to see you again, Ingrid.

Carina Johansen: (Norwegian Accent) You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Carina Johansen had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Carina Johansen was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Carina Johansen: (Norwegian Accent) Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Carina Johansen's waist and hugged her, and Carina Johansen is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and ninety-nine sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, one-hundred massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Carina Johansen: (Norwegian Accent) My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 12'6" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and ninety-nine sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and one-hundred massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Carina Johansen, Avatar and Gene-Slammer of Jormungandr the Nordic Serpent, she's Lincoln's Guardian Angel from Norway and she's a skilled and very powerful warrior and master of war and battle and she's a powerful master of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Fenrir. Carina Johansen is a member of a powerful group of Lincoln's Guardian Angels known as The Nordic Order of Odin's Justice, they're a group of girls from Norway who are skilled and very powerful warriors and masters of war and battle who are born with Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of the Nordic Gods and creatures of Norse Myth, and their goal: to hunt down and kill the most dangerous and irredeemable of souls and send them to Hel, the Norse version of The Underworld to suffer true eternal damnation, and they have hunted down many of these individuals all over Norway and sent them to Hel, and they were also tasked by Heaven and the Norse Gods to protect Lincoln. Carina Johansen moved to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Jormungandr, and war and battle, and he gained omnipotent power and the powers of Cosmic Cryokinesis, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Jormungandr, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's kept all of Lincoln's enemies in line, but there is one person whom she'd been wanting to kill all her life: a dangerous killer named Connor Maxwell, he's a cruel, selfish, psychotic sadistic serial killer driven by a sadistic lust for blood who murdered tens of thousands of innocent men and women all across seven states in The U.S., and the bad news, he was once the cousin of Caleb Maxwell who came here to Royal Woods from the world Caleb and the NYPD Nightshift came from, and Carina Johansen swore to kill Connor Maxwell when she got the word that cruel, selfish, bloodthirsty swore to kill Lincoln to slake his lust for blood, and she swore to tear him apart with the power of The World Serpent.

Me: That really is impressive there's a powerful order who have the powers of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of the Norse Gods, beasts, and creatures of Norse myth.

Lincoln: Yep, and they've protected a lot of people and banished a lot of psychos to Hel, the Norse version of The Underworld. I also helped out as well. (Sensed presences) You guys again?!

Suddenly, more of Guy Grazer's men came out to kill us.

Lincoln: PHANTASMAGORIC DARK RAIN!

Lincoln fired a massive blast of darkness rain which hits them, and it sucked them dry of their life energy and it flowed into Lincoln making him stronger than ever.

Me: Well, that was new.

Nico: Hope this gets Guy Grazer to back off when you used Raviel's attack on them.

Lincoln: Knowing him, he's not gonna quit, but I'll be ready for them again with another one, and now that you're here, Carina.

Lincoln with his massive muscular arms still wrapped around Carina Johansen's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out even more and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed with intense light. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Carina Johansen: (Norwegian Accent) You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Carina Johansen with red gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Carina Johansen: (Norwegian Accent) (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Carina Johansen.

Carina Johansen had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Carina Johansen's waist, and he leaned down to her face and kissed her on the lips, and with Carina Johansen's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Carina Johansen had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Carina Johansen: (Norwegian Accent) (In Heaven) My God.

Then, Ets saw the one girl he rescued, and he recognized her, it was the Simulator version of Bug.

Ets: Oh wow, the Simulator version of Bug.

Then, when she saw Ets, they hugged and kissed him.

Nicole: Been a while since Ets rescued someone.

Carina Johansen: (Norwegian Accent) Oh, Lincoln, tell the boys to run and hide in their rooms, the five girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the eleven girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the five girls are Yuri Shibasaki, Fumika Saitou, Riko Matsuki, and Sayaka Himegami from Eroge de Subete wa Kaiketsu Dekiru! and Bug.

Lincoln: Oh whoa, it's Yuri Shibasaki, Fumika Saitou, Riko Matsuki, and Sayaka Himegami from Eroge de Subete wa Kaiketsu Dekiru! and Bug.

Nicole: Uh oh, so those were the girls Ingrid rescued, and it's no wonder Travis and Red said that kind of warning, the four girls here are really voluptuous.

Lincoln: That moron has got some nerve trying to rape them. Well, I showed him what for. Are you girls okay?

Yuri Shibasaki: Yes, we're okay, thanks to you.

Then, when Yuri Shibasaki and the four other girls saw who it was that saved them from Connor Maxwell, their faces turned atomic red upon seeing the 12'6" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in Yuri Shibasaki: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out even more and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed with intense light. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Yuri Shibasaki: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Yuri Shibasaki, Fumika Saitou, Riko Matsuki, Sayaka Himegami, and Bug with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: Okay, that was really awesome that this rescue took place in the Lower East Side.

May: Still, I was horrified finding out this enemy was related to Caleb.

Lincoln: Like he said, he may have their last name, but the blood that flowed in his veins was the blood of his dad's scumbag relatives.

Nico: Another product of that generational curse of evil.

Me: But, now, that product of that generational curse of evil is no more.

Caleb Maxwell: And he's never coming back.

Allie Maxwell: You said it. Now, we are finally free from the toxic members of our family forever.

Marlene Maxwell: You're right about that.

Cage Blunt: I'm still shocked that guy has the same name as you guys, yet he's behaved like your dad's scumbag relatives.

Caleb Maxwell: It's not that hard to find out if that person has their blood in their veins, you just have to know where to look. One of them is the missing cross tattoo on our right arms, and yes, you guys now bear that same tattoo on your right arms because of your connection to us.

Jack Howard: Each of us had our encounters with you, and that never went away.

Captain Whitten: That always stayed with us in one way, shape, or form.

Caleb Maxwell: That means all of you have since become connected to the world of the vampires except for Cage, Mr. Blunt, Cronus, and Travis who have since become part of our world either by being turned or born a vampire.

After Lincoln and all of us destroyed Connor Maxwell and sent him to The Black Abyss, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Carina Johansen saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Carina Johansen: (Norwegian Accent) My God, I was right that Lincoln's really grown into an 18-year-old 12'6" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 900,000,000,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Carina, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Carina Johansen: (Norwegian Accent) That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Carina Johansen: (Norwegian Accent) I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing

900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my fifty massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Jack Howard got out a tape, but this one had a black and red color theme and it was really ominous.

Nico: (GULPS) W-what's that?

Jack Howard: This tape I have here shows what'd happened after Caleb's transformation, see, he'd set out only to kill Drake and his dad along with the known members of The Syndicate, but then, he suddenly remembered they're not the only ones: no, there were many many others who were also responsible for making his life a living Hell, and he set out after them too, and the bloodbath that'd ensued was worse than The Hallowshade Bloodbath in 1985, and it wasn't long after he murdered Kendra Matthews' parents.

Jack Howard put the tape in and it played on the big screen showing New York at night, and it wasn't long after Caleb's transformation that he was now completely out for revenge and blood.

Past Caleb Maxwell: Drake..., Dad...! You two are finished, time to send you two to Hell...where you belong.

Suddenly, something else rushed through Caleb's head, and then, more memories of Caleb's dark nightmares rushed through his head: memories of the additional pain and anguish Caleb had to go through because of several other individuals who also enjoyed making his life a living Hell.

Past Caleb Maxwell: Now, everything has been returned...! The last bit of my memories, my pain, the individuals responsible for also making my life a living Hell...! I'm coming for you all, and I will send you all to Hell forever.

Caleb Maxwell then walked through the streets, but then, he felt the presences of two cats in the vicinity: a male white-furred black haired cat named Ricky Daniels and a female blue haired white furred cat named Victoria Sanders, two of them whom Caleb knew from LaGuardia High School, they got expelled after their last stunt almost cost him his academic future, and they swore to get him for this.

Ricky Daniels: Hey, stranger, you shouldn't be out here, there's a lot of criminals out here.

Victoria Sanders: You never know when they're gonna...!

Past Caleb Maxwell: Oh, I know what you're about to say, but I'm not afraid of them, nor am I afraid of you..., Ricky Daniels and Victoria Sanders.

Ricky Daniels: Eh?! Who are you?!

Past Caleb Maxwell: (Chuckles) You've forgotten? Twelve years ago, you two along with many other students from LaGuardia High School harassed a young man who wanted to live a normal life, but his life was marred by the chaos and dark wrongdoings of his younger brother who was the second-in-command of a crime organization that reigned supreme in the late 1970s to the early 1980s.

Victoria Sanders: Twelve years ago..., a young man whom we harassed...in LaGuardia High School. (Realizes the truth) Wait a minute...! Ricky...,that man right here...!

They suddenly connected the dots: that young man in black with massive dark brown angel wings is none other Caleb Maxwell!

Ricky Daniels: Oh...crap! HEY, GUYS! GET OUT HERE!

Suddenly, a group of many male and female cats came out, they too were also among those who're responsible for Caleb's maltreatment.

Ricky Daniels: You're screwed now, you undead freak! Get him!

They charged at Caleb Maxwell.

Past Caleb Maxwell: How interesting. So, this is where most of you have gone to after you were kicked out. How perfect.

Caleb Maxwell raised his guns, and then...!

BANG! BANG! BANG! BANG! BANG! BANG! BANG! BANG! BANG

He shot them all dead.

Past Caleb Maxwell: That was just for starters, the others will join you all in Hell very soon.

Caleb flew off as the video ends.

Me: Oh man!

Nico: Damn, that was brutal.

Caleb Maxwell: That is exactly what had happened after killing Kendra's parents and leaving the warning, Ricky Daniels and Victoria Sanders were the next ones to die along with the handful of their minions.

Jack Howard: Their bodies were found riddled with bullets, and by then, Caleb was already gone. We of course didn't know that at the time.

Roxy Drake: And we didn't start piecing the clues together of the murdered victims with those from Caleb's past who also made his life a living Hell in the late 1970s and early 1980s.

Carter Kenrick: But, once we did, we found ourselves dealing with a formerly undead tragic teen who was killed in 1985 turned immortal dark angel of vengeance.

James Blunt and Cage Blunt: You didn't have to be that brash to say that analogy.

Lincoln: I agree too, even though that was a bit harsh.

Eli: Same here.

We got a shower, and then, Lincoln, Francis, and Inage Natsu are heading to Jolly Roger Bay.

Lincoln snapped his fingers, and the 12'6", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Francis and Inage Natsu were dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Francis and Inage Natsu had feelings for Lincoln, and he also had feelings for them, and he also saved them from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Francis: Wow, we're here in Jolly Roger Bay, it sure is beautiful.

Lincoln: It sure is, Francis, and it's perfect for our first date, shall we?

Lincoln, Francis, and Inage Natsu dived into the waters and as they started swimming, they saw the marine life that live in the sea. Then, they returned to the beach, and the girls gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he did the same thing giving the girls a deep tissue massage, and when he was done, the girls were literally relaxed. Then, they had a game of volleyball, and they went to a workout area Lincoln created, and Francis and Inage Natsu got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift one-hundred and two massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and one-hundred massive and long brown wolf tails, and she was really swooning over him especially when he started showing off by flexing his muscles.

Inage Natsu: (Swooning) What a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and they went up to Francis and Inage Natsur and hugged them in their abnormally massive and powerful muscular arms, and Francis and Inage Natsu placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right trapezius of Francis and Inage Natsu and fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out even more and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed with intense light.

He slowly unlatched his fangs from their right trapezius as it healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Jolly Roger Bay, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the neck of Francis and Inage Natsu with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with seven white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Francis and Inage Natsu are now in your harem, Linky.

Francis and Inage Natsu showed the marks Lincoln made on the right sides of her neck.

Jenna: You had no trouble at all.

Francis: Not at all, and I not only gave Lincoln a deep tissue massage, but he also gave me the same deep tissue massage, and he certainly had me swooning when he lifted one-hundred and two massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and one-hundred massive and long wolf brown tails, and I was really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for Lori, Jessie and Joan's first mission.

Rice: You guys are gonna love meeting my friends Guren and his friends.

Me: We can't wait.

Nico: Yeah! Anyone want to go with Lori, Jessie, and Joan? Besides 3 Rabbids?

Courtney: I'll go.

Doctor Octopus: So will I

Jayden: Me and the Samurai Rangers will go.

Megan: And me and the Saber Riders as well.

Me: Okay then. Anyone else?

Francis Stone: Me, Maria and Carol will go too should any Bang Baby Gene-slammers come.

Me: Good idea. Anyone else?

No one raised their hands.

Me: Okay then. Lets go.

We were off to Japan.

We arrived.

Me: We're here.

Jayden: Always fun to see Japan.

Touma: And good to be home.

Megan: It sure is.

Rice: Yeah.

Then we heard screaming and we saw Guren and friends being attacked by Moogers!

Eli: Moogers!

Rice: Where did they come from!?

Jayden: I think I know! Lets get them!

Rangers: IT'S MORPHIN TIME! SAMURAIZERS! GO GO SAMURAI!

Antonio: SAMURAI MORPHER! GOLD POWER!

They transformed and were ready!

Megan: Lets get them!

We went and helped them!

SLASH SLASH SLASH SLASH SLASH!

We jumped in and slashed them all over!

Guren: Rice? Is that you?

Rice: In the living flesh!

Ceylan Jones: Wow!

We blasted the Moogers and destroyed them!

Me: That was a waste.

Guren: Thanks guys. What were those things?

Me: Moogers. The Footsoldier Enemies of the Samurai Rangers team.

Beni: That was so awesome! Oh wow it's an honor ot meet the famous Team Loud Phoenix Storm.

Lori: Literally an honor too. I'm Lori Loud.

Jessie Knudson: I'm Jessie Knudson.

Joan: And I'm Joan Bolton.

Lori: We're your ambassadors for you guys.

Me: It's part of a special diplomatic mission program we made.

Jayden: We are the Samurai Rangers. I'm Jayden Shiba.

Laura: I'm Laura Shiba his sister.

The Rangers and Riders Introduced themselves.

Ceylan Jones: Wow it's truly an honor!

Megan: Same here.

Carol: Oh I'm Carol Pusateri.

Maria: I'm Maria Dunbar.

Francis Stone: And I'm Francis Stone,

Courtney: My name is Courtney and I'm one of the contestants of Total Drama.

Doc Ock: And I'm Dr. Otto Octavius. But everyone calls me Doctor Octopus or Doc Ock for short.

Ceylan: WOW! It's an honor.

Rice: I met the Tenkai Knights when they were battling some of their enemies.

Me: Wow!

The Rabbids gibbered.

Lori: (sighs) And these are literally Rabbids.

Beni: Oh they are so cute!

Me: Yes they are.

Touma: Yeah and they are funny little guys too.

Eli: Yeah but they aren't the brightest lightbulbs in the closet if you know what I mean.

Ceylon: Oh they are goofballs?

Me: Yeah they sure are.

Guren: Lets talk more at our place.

Me: Okay.

We went to Guren's house.

We later arrived.

Guren: We're glad you all can come.

Me: No problem.

A Rabbid tried to lick a socket?

But it was actually a strange block stone.

Guren: Don't lick that.

Guren stopped him but then...

CHOMP!

Guren: OUCH!

HE BIT HIM!

Me: Knock it off you guys.

Eli: See what we mean? But they are funny.

Beni: I see.

Me: So what can you guys tell us about yourselves?

They went over their backgrounds

Guren Nash

Voiced by: Meguru Takahashi (Japanese); Johnny Yong Bosch (English)

Guren Nash (大神 グレン, Ōgami Guren, Guren Ougami) is the main protagonist and leader of the new generations of Tenkai Knights. He has a knack for leadership (though he still has to grow into the role) and doesn't have fear even before more difficult things. Guren is described as always having a positive attitude. He can transform into Bravenwolf, the leader of the original Tenkai Knights. He describes himself as "Tenkai Power". As Bravenwolf, he is armed with a Tenkai Sword and shield. Guren is the first to unlock both Titan mode, enlarging to twice his normal size and capable of releasing energy slashes, and Elemental Titan mode, though he does lose it for a period of episodes. He is best friends with Ceylan, Toxsa, Chooki, and soon, Gen and Beni. After being infused with a Dragon Cube, his appearance changed and was known as Bravenwolf Tenkai Firestorm. With his new elemental power, this allows him to a giant ball of fire on the tip of his sword and throw it at the target.

His core brick is Bravenwolf (ブレイヴン, Bureivun, Braven).

Ceylan Jones

Ceylan is the second to unlock Titan mode, enlarging to twice his normal size and using a long bow blaster to shoot energy.

During the course of the series, in some episodes, Ceylan does get a bit depressed, due to his skills not meeting the skills of his other fellow Knights. Due to this depression, he almost quits the team in one episode, but thankfully, his friends remind him of what he brings to the table.

At one point in the series he dubbed himself "Ceylan Awesome Jones".

Toxsa can transform into Valorn. He describes himself as "Tenkai Strength" and also claimed to be the physically strongest of the Knights. As Valorn, he is armed with a Tenkai Lance that can fire green energy charges or a green energy beam from the end as well as a shield. He formerly worked under Vilius and can transform into Dromus, a Tenkai Knight who bears a strong resemblance to Bravenwolf except with grey & black armor with a scar on the left eye of his chest plate, and like Guren he too describes himself as "Tenkai Power". Gen had lost his mother and father for some unknown reasons and was given the Dromus brick by the Tenkai guardian Eurus. After Vilius stole the Black Dragon Key from him, he became the official 5th member of the Tenkai Knights and an ally of the Corekai Soldiers.

She seeks to have both worlds destroyed because her father spent more time searching for Quarton and less time with her, feeling that both worlds destroyed her life. Beni tricked the Tenkai Knights into thinking she had turned over a new leaf, but she and Gen worked together to trick the Tenkai Knights into finding the Dragon Key for them. She later went rogue after finding out Lord Vilius stole the Black Dragon Key from Dromus. Beni eventually officially turns over a new leaf for real after meeting and spending time with Chooki's cousin Kiro, and becomes the sixth and only female member of the Tenkai Knights and an ally to the Corekai Soldiers in the season 1 finale.

Her core brick is Venetta (ヴェネッタ, Venetta).

Me: WOW! That is amazing!

Rice: I was very close to wanting to Kill Gen for his crimes.

Gen: Yeah but as I started to realize what a fool I was I wanted to redeem myself.

Me: You'll be perfect for the Redemption Squad.

Gen: I know.

Nico: What's this stone?

Guren: It's called a Core Stone. We are the Tenkai Knights and we were chosen to defend a world called Quarton.

II looked it up and saw that it was a Cube-Shaped Planet.

Doc Ock: Wow! Bizarro would like that world. He lived on a Cube Shaped Earth too.

Beni: Amazing!

Me: It sure is.

Gen: Yeah the Tenkai Knights are the defenders of Quarton and Earth.

Me: That is cool!

Beni: It sure is.

Eli: Yeah.

Me: So the main bad guy is Vilius for you guys? What can you tell us about him?

Guren: Well he is a monster.

He went over his history and it was horrible.

Vilius is the main antagonist of the Cartoon Network TV series Tenkai Knights.

He is the tyrannical leader of the Corrupted Army that wanted nothing more than conquer everything. His main goal is to take over both worlds and destroy the five Tenkai Knights that oppose him, so he can be acknowledged as a god.

He is voiced by Yōsuke Akimoto (ep1-26) & Nobuo Tobita (ep27-51)

History

Vilius was once a Tenkai Knight, but his lust for power and desire to be better than anyone made his Tenkai Energy corrrupt and turned against his comrades. He led the Corrupted army to obtain Tenkai energy and the dragon cubes in order to awaken the Tenkai Dragon.

When the Dragon awankened, it went on a rampage. In the end, it was defeated, but Vilius had escaped. Many years later, Vilius sought to get the Dragon cubes again in order to revived the dragon, but this time, under his control.

In "Vilius Revealed", he notes that the Tenkai Knights grew confidant after gaining another cube. As he tried to take action, he retreated after the Corekai stepped in to defend the knights.

In "Dragons Key", Vilius sent his forces out under the command of Slyger and Granox to attack Commander Beag's forces, until Dormus was ready with his invention which would contain the dragon.

In "Vilius Unleashed", in order to awaken the dragon, he and Bravenwolf fought each other in a duel. Afterwards, he was revived and decided to conquer Earth after taking Quarton.

In "Checkmate", Vilius reached the Sanctuary of the Gardens without Guardian Eurus around.

In "Dormus Betrayed", he and his troops attacked the guardians. While they were destroying his troops, Vilius uses Titan Mode to attack Boreas.

In "Dragon Key Quest", he was told by Slyger to attack the other two guardians, since they were standing on the portal. Zephyrus places a barrier, which showed Vilius the location of the portal. He uses his trident to break it, but Boreas used a move to prevent it from exploding. In the end of the episode, he gets the Black Dragon Key.

In "The Dark Unlock", he attacks Dromus and uses Black Dragon Key to unlock the Dark Tenkai Dragon.

In "A New Knight", he commanded the dragon to attack the Tenkai Knights, but ended up losing it to them. He used it's energy to become super large and powerful, but the Tenkai Knights used Phoenix Mode on him, which caused him to be destroyed (again).

In "Vilius Returns", the Guardians were reviving Vilius and decided to punish him for his actions. As they were bringing him back, his spirit was controlling Zephyrus and used him for extra energy. He used the energy to overthrow the guardians and have control of the portal. When the Tenkai Knights tried to attack him, he drained them of their energy to bring back the Tenkai Dragon. But, it split into black & white dragon cubes by Dromus and absorbed them, thus giving him a new look. Back at the portal, he commanded Granox to attack the knights and sent Slyger to earth.

In the series finale, he absorbed the Guardians and Tenkai Knights (except Guren/Bravenwolf), and gains his godlike form that makes him unstoppable. But the knights are saved by Bravenwolf and he is finally killed by knights, thus saving the both worlds.

When it was done we were shocked and horrified!

Me: Oh man! He is a monster!

Eli: So he is our main target for Lori's big day!

Jayden: This is gonna be brutal!

Me: Yeah. This time we send him to the Black Abyss.

Rice: I told them all about what happened with Anti-Monitor. So they know about him.

Me: Good.

Chooki: Yeah but we know you guys can beat him.

Joan: Thanks.

Nico: Are any enemies of yours active right now?

Chooki: No but there is one on Quarton. I think it's the one that sent the Moogers.

Me: I knew it wasn't a coincidence.

Chooki: We don't know what he looked like but we're going to help you guys stop him.

Jayden: I knew who that is!

Nico: Don't tell me! Xandred!

Jayden: Yep!

Me: Oh man! I knew it wasn't a coincidence! He'll be a good warmup for us till Jayden's big day.

Beni: I heard he tried to kill Nico by Blowing himself up!

Nico: You heard right.

Rice: I filled them in on our adventures over the years and it's cool.

Guren: Wow! Also Joan I sense something inhuman about you.

Joan: Oh I am the Great White Shark gene-slammer of my siblings. Like my male counterpart we were gene-slammed by the mad scientist Dr. Paradigm.

Me: Ugly Story.

Gen: Oh man.

Me: Well we better get to Quarton.

Megan: Right! And you guys are in for a treat. Me and the Saber Riders are going to transform with you guys. Some of the riders with us are embodiments for the rest of the riders.

Touma: It's true.

Nico: Lets get going then!

Me: And watch out for Blackwing Eatos 12 Carriers.

Beni: Right!

Knights: TENKAI KNIGHTS!

They turned into the Tenkai Knights and we arrived at QUARTON!

We were on Quarton!

Me: WOW! So this is Quarton!

Nico: It looks like a Lego World!

Bravenwolf: It sure does!

Venetta: It sure is amazing!

?: I knew you were coming YOU PUTRID RANGERS AND NICO!

We saw XANDRED!

Nico: XANDRED! I knew it!

Jayden: You have a lot of Nerve returning Xandred!

Nico: I thought we were rid of you forever Xandred! Last time we fought you blew yourself up and tried to take me with you!

Megan: You're seriously still pissed about that?! It was 4 years ago!

Xandred: I WILL NEVER FORGIVE NICO FOR KILLING ME! I HATE YOU MORE THAN LIFE ITSELF YOU MOTHERFUCKING FATASS MONKEY!

Nico's aura flared up intensely and explosively!

Nico: WHOA! Thanks for the power boost!

Venetta: So he is Xandred?

Me: Yep. He's the main bad guy of the Samurai Rangers. And HE HAS A REALLY NASTY disposition!

I went over his history.

Master Xandred is the main antagonist of Power Rangers Samurai series.

He was voiced by Jeff Szusterman who also voiced Octoroo.

Master Xandred is the overlord of the Nighloks. He is the primary adversary of the Samurai Rangers. He comes from the Netherworld and lives on a ship floating on the Sanzu River. It is revealed that he takes large doses of medicine for his frequent headaches often causing him to fall asleep for long periods of time. He becomes angry easily, especially if his henchman are insubordinate or speak out of turn.

When Arachnitor tries to usurp him, Xandred transforms him into a mindless mutant, due to Xandred having gained increased powers. He also has an intense hatred for Deker, since Deker intervened in one of Master Xandred's plans (which also involved the current Red Samurai Ranger that he even burned Dayu's harmonium due to her failure to destroy Deker). Xandred makes an alliance with Serrator.

Xandred learns of Serrator's treachery so he returns to the human world to gain back Dayu's Harmonium, only to dry out severely, due to being so far away from the Sanzu River. Octoroo was able to save him and bring him back to the ship. Master Xandred is currently recharging at the bottom of the Sanzu River. In "The Master Returns", Xandred was also able to fix Dayu's Harmonium, using one of his one own leg scales.

After a lengthy period of recuperation, Xandred eventually returned and faced the Samurai Rangers now led by the true Red Ranger, Lauren. Running into a wounded Dayu, he got an idea when she reminded him she was half-human and absorbed her. He then faced the Samurai Rangers while Lauren drew the sealing symbol. Despite his best effort to stop her, the symbol was completed and used.

However, while it caused massive damage, it did not manage to seal him as expected since Dayu's humanity had protected him from the symbol's power. Also, Xandred was no longer in danger of drying out and planned his takeover of the human world. He then defeated the Rangers and wounded Lauren.

When the Sanzu flood waters overflowed, Xandred released him army of Moogers to lay waste to Panorama City. The Samurai Rangers, led by Jayden Shiba once again, took on and defeated the Moogers before facing Xandred. After significantly weakening him with Shiba fire power, Jayden defeated him with the Shogun armor.

However, Xandred transformed into his Mega Monster form and the Rangers called on the Gigazord to fight him,but he blasts the gigazord away.

As the Rangers attempted to get close enough to use a final blow filled with symbol power, Xandred blasted away the zords one by one until only the Samurai Megazord remained which managed to succeed and strike Xandred with a fatal blow. However, Xandred unsuccessfully tried to take the Rangers with him by grabbing the Megazord and boasting, before he was destroyed, Xandred claims that the Nighloks would rise again someday. He was then consumed in a massive explosion.

When I was done everyone was shocked!

Bravenwolf: WHAT A JERK!

Me: Yep.

Nico: Let me make one thing clear Xandred!

NICO TELEPORTED AND PUNCHED HIM IN THE STOMACH WITH DEVASTATING FORCE!

Nico: DON'T EVER! CALL ME A FATASS YOU SON OF A FUCK!

Nico punched him in the face and punched him in the stomach and kicked him in the stomach and face and fired an energy blast and blasted him into a rock!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

Xandred was down.

Nico: You are just a pathetic frog faced freak! You lost to the

Samurai Rangers because of your fucked up hot headed temper and your pathetic goals! No wonder they beat you so fast!

Touma: No Void Queen to help you now. Henshin!

Me: And it ends with us kicking your big ugly fucking ass and sending you to your death!

Touma got out his Ridebook And blasted him with fire.

He read a verse and fired waves of fire.

I got out my Wonder Ride Book.

Me: (Reads Verse) "With the Power of the Worlds of Imagination, the mighty heroes unleashed the fury of the elements on their enemies and rained down the power of divine light and justice onto them."

Then massive blasts of light hit Xandred and blasted him all over!

Bravenwolf: WHOA!

Me: That's the power of the Wonder Ride Books for you.

Jessie fired an Eraser Cannon blast and it hit Xandred and exploded with intense and unbelievable power!

EXTREMELY MASSIVE AND POWERFUL EXPLOSION!

Nico punched and smashed Xandred all over with intense speed!

Nico: You have the most disgusting taste when it comes to fighting! The rangers beat you because you were stupid! You thought by blowing yourselves up that you can be rid of your problems but you didn't! And you thought that by duplicating what you did with me would work? HA! I can survive more than you can know! I'm a Saiyan! And we Saiyans are the most powerful warrior race in the universe!

HE WENT AT US WITH SO MUCH RAGE AND FURY AND I PUNCHED AND KICKED HIM ALL OVER!

Nico: GEEZ!

Venetta: HE IS COMPLETELY OUT OF HIS MIND!

MASSIVE NUMEROUS OF FIERY EXPLOSIONS BLASTED OFF WITH INCREDIBLE FORCE AND FEROCITY TURNING THE ENTIRE AREA INTO A MASSIVE AND INTENSE RAGING INFERNO OF EPIC PROPORTIONS!

Lori: HE IS LITERALLY OUT OF HIS MIND!

Bravenwolf: HE IS GOING TO KILL US ALL IF HE KEEPS THIS UP!

Antonio: Not before we kill him first!

Nico: YEAH!

XANDRED REALLY WAS INFURIATED!

I RAN FAST WITH INTENSE SPEED AND BASHED ALL OVER!

I used Makkari's super speed and smashed him all over the place.

I used Ikarus's laser vision and blasted Xandred All over!

Kevin used his Hydro Bow and blasted him with water!

Xandrd threw numerous rocks and I used Sersi's powers and transformed the rocks into swarms of butterflies!

Jayden: How is J.D. doing that!?

Nico: Those powers. Those are the powers of the Eternals!

I used Kumail's powers to fire energy projectiles and blasted Xandred brutally!

I fired energy beams and blasted him!

Antonio: Barracuda Blade!

He slashed him all over the place.

But then Fireballs hit Xandred and blasted him all over and burned him!

Me: What the?

We saw a Vulpix!

Me: Whoa a Vulpix.

Nico: How'd that get here?

Rice: It must be one of Dark Gale's work.

Venetta: The organization you all destroyed?

Nico: Yep.

Francis Stone: Let me see.

He used Telepathy and gasped!

Francis Stone: It's my sister Sunny!

Carol: Oh my gosh Sunny!

Maria: Sunny is here!? Oh man! I heard she brought down your evil father and sent him to prison!

Francis Stone: That's right!

They went over to her.

Francis: Sun it's me Francis! Remember?

All she did was use Flamethrower and they absorbed it.

Maria: Okay then.

They fired waves of energy and blasted her down.

Nico then snapped his fingers and she reverted back and had orange and red hair and red eyes and had fire angel wings and had Vulpix on her forehead and had a phoenix in a sun on her arm as a cutie mark.

Nico wrapped her in a blanket and she got up.

Sunny Stone: (Groans) What happened?

Francis: Sun?

Sunny Stone: (GASP) Francis!

They hugged.

Francis Stone: I'm glad you're okay sis.

Carol: Good to see you Sun.

Sunny Stone: Carol! Maria! (GASP) Maria you're no longer Aquamaria?

Maria: I was given my humanity back thanks to Carol and the Water Stallion of Tefnut.

Carol: Long story.

Nico: You were turned into a Vulpix by Dark Gale.

Sunny Stone: (GASP) I remember!

She was in a red suit and injected and in a burst of fire she turned into Vulpix!

She ran out.

FLASHBACK ENDS

Sunny Stone: It was awful.

Nico: I know. But we destroyed Dark Gale.

Sunny Stone: Good. Also I'm the pyromancer of the team and use fire to destroy our enemies. Outside the team I am the hero Phoenix Star.

Carol: She was given fire powers because of the Quantum Vapor.

Francis Stone: Just like me.

Sunny Star: Quantum Vapor? That's what that weird purple cloud was?

Nico: Yeah it was an experimental biohazardous mutagenic gas. It mutated you and many others and gave them powers.

Francis Stone: Yeah we were in the wrong place at the wrong time.

Maria: Yeah. Also we're in the middle of a battle now.

Nico: Lets get you new clothes.

Nico snapped his fingers and she got red clothes and a fire sword.

Sunny Stone: Awesome! I look great!

Nico: You sure do!

Sunny Stone: Lets get him!

She fired massive blasts of intense fire and blasted Xandred!

But then...

MASSIVE VOMIT BLAST!

A MASSIVE STREAM OF VOMIT BLASTED XANDRED!

Me: OH SICK!

Eli: YUCK! Look!

We saw a girl with magenta hair and red eyes and black clothes and wings and had a tiara with Upchuck on it.

Me: (GASP) Wendy Upchuck!

Nico: Upchuck's embodiment! WHOA!

Me: YEAH!

But then Xandred grabbed me in a hold!

Me: HEY! LET GO!

Xandred: (Weakly) J.D., hear me now! You have won this battle but our quest to rule your world will never end! You may have defeated me but the Nighlok will rise again!

Me: I wouldn't count on it!

Then he glowed and then...

SUPER EXTREMELY MASSIVE AND INTENSELY POWERFUL FIERY EXPLOSION OF ULTRA POWERFUL NOVA PROPORTIONS!

HE EXPLODED!

Nico: OH NO! J.D.!

Eli: BIG BROTHER!

Carol: NOOOOOOOOOOOOO!

But when the smoke cleared, they saw it was only a charred wooden stump and I appeared behind everyone.

Me: Substitution. Praise the log!

Leaf Ninjas back in the Leaf: AMEN!

Nico: YOU SCARED US!

Me: Sorry.

Eli: That was a close one!

Me: But he was banished to the Warp.

Wendy Upchuck: Yeah.

Wendy lost control as Nico fired an energy blast at her. But she opens her mouth and all four of her tongues burst out to catch the blast. She then spit it out at Doctor Octopus.

He dodged it and It hit the ground and exploded!

I fired the cure ray and injected her!

Me: There!

Doc Ock: Nice try!

He grabbed Wendy with his tentacles!

Courtney charged at her and kicked her in her face.

She used her Wonder Ride Book and fired a vertigo ray and Wendy threw up blood! YUCK!

Me: YUCK! We need to get her to the infirmary after this.

Nico: Noted.

Francis: Like old times sis?

Sunny: You know it!

Francis and Sunny: PHOENIX FLARE FIRESTORM BLAST!

They fired waves of fire and blasted her down!

The antidote took effect and her green eyes were back.

Wendy Upchuck: (Groans) What hit me? (VOMITS ALL OVER THE GROUND!)

Me: Oh sick! Ugly story.

We later came back and had Wendy put into the Infirmary.

May: What happened?

We told them everything.

May: WHOA!

Qin: Xandred came back and did the same thing to you J.D.?!

Me: Yep. But he ended up blowing himself up for nothing.

Qin: Good.

Camie: Nice!

Nico: Next time, 2003 Leo, Aurico, and Rainbow Dash should come.

Me: Good idea!

Rainbow Dash: AWESOME! This is gonna be fun!

2003 Leo: Yeah!

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our final showdown with Dark Sebastian, Alaister Necroshade, and Malphas finally starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Me: Yep.

Lisa Loud: We have something to show you all.

Dexter: Jimmy made an amazing new invention And me and Lisa helped iron out all the bugs from it.

Me: Cool!

Cindy Vortex: If this invention screws up, I may have to jump off a bridge

Me: Cindy don't talk like that.

Jimmy came in with an amazing new ray gun. It was a pink ray gun and it had swirls on it.

Jimmy Neutron: May I present the Neutronic Candy Transmogrification Ray!

Me: Cool! What does it do?

Jimmy Neutron: This ray will turn anything into any kind of candy you can think of.

Lisa brought out lots of metal pipes.

Jimmy Neutron: Observe.

He fired a beam of pink energy and it hit the pipes and it turned them into HUGE STALKS OF RED LICORICE!

Me: WHOA!

Jimmy Neutron: What do you guys think?

Me: It's amazing!

Qin: Yeah!

I tasted the licorice and it was delicious!

Me: (Eating) Mmm! Strawberry!

Nico: Yummy!

Jimmy Neutron: It's a success!

Me: Cool!

Bonecrusher: And it won't backfire?

Lisa Loud: Negative. We made sure to iron out the bugs and the problems that would have come.

Jimmy Neutron: Turns out my inventions had shorts and all that which would cause them to malfunction.

Lola: Wow!

Punch: Who knew?

Me: Yeah.

Nico: Well we will make sure no invention shorts out again too.

Qin: Cool.

King Dedede: Let's make more candy!

I pulled out a bunch of metals and we made LOTS OF candy!

Jawbreakers, gumbrops, nerds and more!

Me: At least with this ray gun we won't run out of candy.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was King Goobot V, he's kidnapped all of Retroville's parents again and is planning on sacrificing them to Poultra once more. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we just saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: to our anger, it was King Goobot V, he's kidnapped all of Retroville's parents again and is planning on sacrificing them to Poultra once more.

EVERYONE GASPED!

May: What?! Again?! Does this guy have a one-track mind or something!?

Jimmy Neutron: Afraid so, and Lincoln's right. All of our parents in Retroville have vanished, this is no doubt Goobot's doing.

Lincoln: I have an idea: we're sending them to prison after we turn them into fried eggs, and no, we are not eating them, so don't get any ideas, Lana.

Lana: Aw man.

Lincoln: But, I am going to suck in and absorb the core of Yolkus along with the planet itself just like what happened at Planet Cochle.

Poromon: SAY WHAT?!

POROMON OPENED HIS MOUTH WIDE OPEN AND HIS SKELETON CAME OUT ONLY FOR NICO TO GRAB IT AND PUT IT BACK IN!

Poromon: Thanks, Nico. Great, who had put up a bet and said Lincoln was gonna do something as crazy as what he did to Planet Cochle?

Manaphy got out the calendar, and it had J.D.'s picture circled.

Manaphy: J.D.

The Mascots grumbled and gave me $50 each.

Nico: (To me) You made a bet with them, didn't you?

Me: Yep.

Nico: Figures. (Sensed a dark energy) Speak of the Devil, Dark Sebastian's there along with Alaister Necroshade and Malphas and he's already causing havoc. Let's go, team, it's time we brought an end to The Yolkians for good.

Lincoln: Time to put an end to those slimy eggheads for good.

Then, Deker, Abis Mal, Nergal, Motor Ed, Mojo Jojo, Po Kong, Radioactive Man, Gizmo, Private HIVE, Penguin, and New Wave came in.

Deker: Can me, Abis Mal, Nergal, Motor Ed, Mojo Jojo, Po Kong, Radioactive Man, Gizmo, Private HIVE, Penguin, and New Wave come with you?

Nico: Of course.

Abis Mal: We already told Vypra about this, the others are also coming as well.

Lincoln: We'll need help in freeing all the parents, and if he says anything to the next group about ordering you guys to help kill us, please give him a nasty hi on the head, same with Dark Sebastian, Alaister Necroshade, and Malphas?

Motor Ed: Gladly. We've had it with the villains always ordering us to help them kill you, and we're also sick and tired of Dark Sebastian and his minions doing the same thing. Looks like the final showdown's finally come.

Me: Yep!

Qin: This is gonna be big.

Me: Wait.

I looked at the scanners and it showed that there were no parents in Retroville!

Me: Oh man! No parents! Look!

Nico: He's right!

Me: The Yolkians did this before you joined us Nico.

Motor Ed: We gotta make sure Retroville's calmed down. Seriously!

Me: Yeah the last time this happened Jimmy and friends ended up attacking Alexis, Ben and Leslie in a case of mistaken identity.

Nico: Did they really?

Leslie Gesneria: Yeah it was crazy.

Jimmy Neutron: Yeah.

Nico: I wasn't with you guys when all that happened, can you tell me everything?

Me: Sure.

I went over what happened in chapter 338. When it was done everyone that hadn't heard about it was shocked!

Qin: WHOA!

Camie: So that's how you guys met Jimmy and friends.

Me: Yep. And how we destroyed the Yolkians the first time.

Gru: Nico, which Gene Slammer do you think you'll meet next?

Nico: Number 80: Rhapsody in Berserk and Number 79: Battling Boxer Nova Kaiser

Me: Nice!

Qin Yep.

Me: Jimmy get all your friends and kids in the Retroville sector and have them all come here. Meet here in less than an hour.

Jimmy nodded and teleported.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figures were in the vision: Dark Sebastian Mendez, The Black Ooze of The Eldritch and Leader of The Order of The Dark Universe, Alaister Necroshade, Leader of The Dark Church of Malphas, and Malphas, Demon Prince of Hell, and they're also there and causing havoc. When we saw it, we knew it meant trouble.

Lincoln: They're finally on the move.

Me: Was that?!

Lincoln: Dark Sebastian Mendez, The Black Ooze of The Eldritch and Leader of The Order of The Dark Universe, Alaister Necroshade, Leader of The Dark Church of Malphas, and Malphas, Demon Prince of Hell, they're also there on Yolkus as well.

Selena Mendez: So, the Dark Side of my brother along with Alaister Necroshade and Malphas have finally made their move. We'll need to keep those three monsters contained before we take down Goobot.

Camie Elextor: When we destroy Dark Sebastian's traps, we'll make sure they get put in a force field and kept from attacking us.

Nico: Ooh, now this should be good. Alright, team, let's go, the time to end Goobot's reign has finally come.

Lincoln: He and the Yolkians are done, they're going straight to prison, and this time for good, and once we get done with them, you're next, Dark Sebastian Mendez, The Black Ooze of The Eldritch and Leader of The Order of The Dark Universe, Alaister Necroshade, Leader of The Dark Church of Malphas, and Malphas, Demon Prince of Hell.

Selena Mendez: The time has finally arrived, Dark Sebastian Mendez, The Black Ooze of The Eldritch and Leader of The Order of The Dark Universe, Alaister Necroshade, Leader of The Dark Church of Malphas, and Malphas, Demon Prince of Hell, you will both pay for the atrocities you madmen have committed after we get done with Goobot! This time, you three die here and now!

Jimmy came back with all the kids of Retroville and Lincoln put up a powerful rainbow energy field around The World Tree Estate and all of us headed to The U.S.S. Valorous Phoenix and we set off to Planet Yolkus to rescue all of the kidnapped parents of Retroville and take down King Goobot V and the Yolkians and send them to prison, and once we get done with them and Lincoln absorbs the core of Yolkus and the planet itself, Selena Mendez and Lincoln are going to destroy Dark Sebastian Mendez, The Black Ooze of The Eldritch and Leader of The Order of The Dark Universe, Alaister

Necroshade, Leader of The Dark Church of Malphas, and Malphas, Demon Prince of Hell and finally send those Satanic demons to The Black Abyss once and for all.

We were off to Yolkus

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 13033.6: The U.S.S. Valorous Phoenix is en route to the planet Yolkus, home planet of the Yolkians and we're going there to rescue all the parents in a third attempt to sacrifice the parents to Poultra. Our mission is to arrest Goobot and destroy Yolkus yet again.

Me: Just like 6 years ago in 2018.

Abis Mal: Lets call Griffin.

Me: Good idea.

We did so.

Griffin appeared.

Griffin: I'm here.

Me: Cool.

Jimmy Neutron: The Yolkians have caused so much trouble for all of us in Retroville. And it was all my fault

Me: What do you mean Jimmy?

Numbuh 274: How is this your fault exactly?

Jimmy Neutron: Because I made a satellite out of a toaster and we launched it and the Yolkians received it.

Me: Jimmy it wasn't your fault. You had no idea they would answer that.

Nico: Yeah Jimmy there wasn't any way you could have known.

Po Kong: You didn't know what was going to happen

Me: Yeah and besides, back then our best space monitor systems and satellite communication devices couldn't pick up where the devices were at back then. Even if they were that far away.

Nico: He's right on that.

Me: Besides Jimmy, long before we showed up you fought the Yolkians before and rescued your parents. And we helped you the second time. Now third time is the charm.

Goddard barked in agreement.

Jewel Man: Let's not forget that Goobat was part of the Sullen 6.

Nico: That's right.

Me: Also we killed him once so that is more than enough for us. And with Anti-monitor and the rest of our enemies at large out there, Goobot is not worth it anymore.

Jimmy Neutron: You're right! We got to rescue our parents again!

Qin: Back then there wasn't many of you. Now here we are 6 years later with thousands of us.

Jewel Man: Let's not forget that Goobat was part of the Sullen 6.

Nico: That's right.

Me: Also we killed him once so that is more than enough for us. And with Anti-monitor and the rest of our enemies at large out there, Goobot is not worth it anymore.

Jimmy Neutron: You're right! We got to rescue our parents again!

Qin: Back then there wasn't many of you. Now here we are 6 years later with thousands of us.

Ymir: WOW! But I'm confused. Who is Goobot?

Me: Oh his name is King Goobot V. He's the king of the planet Yolkus.

I went over his history

King Goobot V, better known simply as King Goobot or Goobot, is the overarching antagonist of Nickelodeon's Jimmy Neutron franchise.

He is the King of Yolkus and the employer of the Yokian Fleet Commander, who serves as one of the two arch-nemesis (alongside Professor Calamitous) of Jimmy Neutron.

In the film, he was voiced by Sir Patrick Stewart, who also played Locutus in Star Trek: The Next Generation, Dr. Jonas in Conspiracy Theory, Rafe Bentley in Masterminds, Pharaoh Seti I in The Prince of Egypt, Napoleon in the 1999 Animal Farm film, Avery Bullock in American Dad!, King Claudius in the 2008 Hamlet stage play, Zobek in the Castlevania video game series, the Master of the Hunt in Futurama, Darcy Banker in Green Room, John Bosley in the 2019 Charlie's Angels film and Nettlebrand in Dragon Rider. In the TV show, he was voiced by S. Scott Bullock, who also voiced Barthandelus from Final Fantasy XIII and Hades from Kid Icarus.

In the movie, King Goobot tries to kidnap the parents of Jimmy Neutron and his friends, so he can feed them to Poultra, the god of Yolkus. He was assisted by his younger brother, Ooblar, and although he tried to off Jimmy and his friends after they rescued their parents, Jimmy grew to a huge size and defeated him.

In the TV show, King Goobot arrives on Earth and pretends to be nice to the citizens and he even invite the citizens to a party (which it's actually a trap), but Jimmy suspects something about Goobot's scheme before Goobot bans him from the party as the citizens believe that Jimmy's a bully to the Yolkians. Later, he steals one of Jimmy's inventions to revive Poultra and trap the citizens as he tries to feed them to Poultra, but then Jimmy puts some Purple Flurp in Poultra's water bowl and then Poultra explodes after she belched. Then King Goobot goes back into space in a giant eggshell spaceship along with the other Yokians and Ooblar before the citizens apologize to Jimmy for not believing him earlier, and then they praise him as a hero.

King Goobot's also the leader of the League of Villains, whose goal was to get revenge on Jimmy Neutron. Later he was trapped in the Cretaceous period along with the other villains, and remained there.

When it was done everyone that hadn't heard about it was shocked.

Camie: WHOA!

Ymir: He is nasty!

Laney: He sure is.

Me: Yeah.

Nico: Back then there was only a few of you guys. Now here we are 6 years later with more members and more powerful levels of strength and power.

Qin: Yep.

Gizmo: Let me work on something to make that barfbrain's followers baked eggs.

Qin: Cool.

Ymir: I wonder how his egg followers would taste.

Me: We'll find out soon.

Jimmy Neutron: I still remember Nick screaming like a little girl when he saw Poultra's eyes the first time.

Nick: (GROANS) You just had to bring that up Neutron!

We laughed!

Me: Sorry Nick.

Jimmy Neutron: (sighs) Although to be fair, I did wish for our parents to be gone.

Donna Diego: Say what now?

Jimmy Neutron: I wished for our parents to be gone and it turned out they were abducted by Aliens.

Me: I guess you had to learn the hard way that even children need their parents.

New Wave: The words be careful what you wish for comes to mind.

Me: Or you just might get it.

New Wave: Exactly.

Lily: Guys something is up ahead. Ion energy signals up ahead at 400,000,000 kilometers.

Nico: On screen.

We saw a planet approaching and it was the planet Yolkus!

Me: Planet Yolkus!

Charmcaster: So, this is the place, huh?

Me: Yep. They are probably going to be prepared for us.

Nico: Better be ready. All hands go to yellow alert. Stand by battlestations. Engage cloaking and landing procedures.

We went invisible and landed on the planet and we were outside the city of Yolkus.

Me: Here we are.

We got out and saw the city.

Me: Welcome to Yolkus everyone.

Nico: So this is Yolkus.

Kaito: Doesn't look that bad.

Private HIVE: Too bad we have to destroy it like any other enemy fortress.

Me: Too true.

But then we smelled a REALLY HORRIBLE SMELL!

Me: (SEAL BARK!) OH GOOD GOD! What the fuck is that smell!? Ed!?

Ed: Wasn't me!

Lincoln: Oh man! It's actually Jimmys Akuma, Doombrain! The Hypothetical Akuma of Jimmy Neutron and he is a DISGUSTING ROTTEN BRAIN and he smells REALLY HORRIBLE! He smells worse than Crocker's brain and has blood and shapeshifting powers! He was made because of Cindy Vortex hurting him emotionally and his parents being complete idiots and the final straw that broke the camel's back was the Yolkians kidnapping the parents and killing them and he vowed to kill everyone in Retroville and kill the Yolkians!

WE GASPED!

Lincoln showed us a sketch and it was HORRIFYING! It was an ugly rotten brain with spider legs and tentacles and had piercing red eyes!

Me: That is gruesome! Reminds me of the brain monsters from horror movies!

Motor Ed: I remember seriously seeing movies like that back when I was a kid!

Qin: Gruesome!

Pacifica: And he can shapeshift? Can he turn into anyone?

Me: He sure can.

Qin: Lets keep our eyes peeled.

Me: But the smell gives him away.

Qin: Easy to figure out.

?: (PSYCHOTIC LAUGHTER) I WILL KILL THAT SPAWN OF SATAN!

We saw Margaret White!?

Me: Margaret White!?

Carrie White: My former mother!?

Me: Wait a second! She's back in Tartarus Canyon!

I fired a blast of energy and it hit her and she reverted back and turned into DOOMBRAIN!

Me: OH THAT IS DISGUSTING!

Doombrain: (INSANE LAUGHTER) You all will die!

Radioactive Man: Jimmy? Is that you?

Doombrain blasted him with lightning and knocked him down!

Radioactive Man: Ouch.

Me: He is really nuts!

I fired waves of lightning and blasted Doombrain!

Me: Okay you neurologically fucked up monstrosity! Time to give you the worst ELECTROSHOCK THERAPY EVER!

I fired a massive blast of lightning and it hit him and electrocuted him!

Griffin: You need to calm down!

All he did was laugh insanely!

Lincoln: That's out of the question.

Lincoln and Linka fired lightning blasts.

Griffin fired blasts of energy and blasted him.

Me: Had enough you brainless moron!?

Doombrain: My turn!

He turned into May!

WE GASPED!

Me: Uh oh.

I fired waves of energy and blasted Doombrain and she reverted back!

I fired waves of energy and blasted him and he was knocked him out! He was back to normal brain size and I put him in a jar that said DO NOT OPEN EVER!

Me: Yuck!

Scavenger: Good thing none of us ate him.

Me: Too true.

But then...

CRASH!

A Yolkian Guard crashed into a rock and Firestorm Shimmer grabbed him and cooked him.

Firestorm Shimmer: Lets see how they taste.

Mojo Jojo: Who knocked him into that rock?

Firestorm Shimmer: Me and I'm going to eat him.

She cooked him and she and Chalcanthite Aurora ate him.

Firestorm Shimmer: (Eating) (POINK) (VOMITS) OH BLECH! THAT TASTES REALLY AWFUL! It takes like rotten socks dipped in raw sewage and rotten chum! BLECH!

Chalcanthite Aurora: (British Accent) YUCK!

Gizmo: Guess eating them is out of the question.

Tayuya: No shit.

Me: They really TASTE AWFUL!

I gave Firestorm and Chalcanthite a jug of mouthwash and she guzzled it and cleaned her mouth.

We heard the malevolent laughter of King Goobot V

We went and checked it out.

Jimmy Neutron: Goddard Binoscope Mode!

He turned into a Binoscope and we saw the parents dancing to the Chicken Dance with mind control helmets on their heads!

Me: Okay that dancing is pathetic.

Qin: No kidding.

Lola: They are dancing the Chicken Dance? How gross!

Nergal: Lets get those helmets off.

King Goobot: Begin the Incubation!

We saw them awaken Poultra!

Me: Lets go! Entrance time!

As they've awakened Poultra who's about to devour the parents, and we also heard the demonic and deranged laughter of Dark Sebastian, Alaister Necroshade, and Malphas from far away.

Nico: Poultra's awakened and they're about to feed the parents to him. Figures Dark Sebastian was also behind this, that bastard. Time to end their madness forever.

Lincoln: But, first. Selena.

Selena Mendez: On it.

Selena Mendez, Camie Elextor, Wendy Sauron, Varie Yulinova, Lorena Cavenstein, Solla Nexcrota, Kira Textington, Gina Thunderton, Xenia Vola Dappra, and Tania Tornadora raised their staves as they chanted an incantation and we then saw the symbol of The Nightflame Sun appear in the sky and a magic circle appeared where Goobot V is at, and it glowed with purple energy as we saw it through a viewing window. Then, we saw the chaos erupt as beams of purple energy and magic were fired from nowhere and they forced out the many armies of demons and monsters hiding and got destroyed in a split second. Alaister Necroshade, Malphas, Goobot V, and Dark Sebastian saw it, and they let out a scream of rage!

The viewing window closed as we were laughing hysterically!

Me: Hah! Serves you right, monsters.

Nico: Okay, now we can get after Goobot V without any other nasty surprises from those pack of snakes.

We took off, and we got there in time to see Alaister Necroshade, Malphas, Goobot V, and Dark Sebastian raging, raving, and screaming and shrieking like monsters and our energy auras flared up extremely as we grew stronger from their toxic hate, but it grew even stronger because of the hatred of Dark Sebastian, Malphas, and Alaister Necroshade.

Lincoln: Keep it up, you snakes. In the end, you're just going to make things worse for yourselves.

Suddenly, the spirits of Retroville's kids appeared and they attacked Alaister Necroshade, Malphas, Goobot V, and Dark Sebastian and they really thrashed them all over the place showing them no mercy whatsoever, and then, the spirits converged and they crashed down

and then...

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOMMMMM!

A massive explosion erupted as a Thunderbird Screech and Phoenix Cry was heard and we appeared, and this made Alaister Necroshade, Malphas, Goobot V, and Dark Sebastian even more pissed off than ever.

Me: Hello Eggface! Miss us?

King Goobot V: How dare you interfere with the sacrifice, Team Loud Phoenix Storm. I will destroy all of...!

But, then, Lincoln fired a blast of holy magic and holy light that hit King Goobot V, and he screamed in agonizing pain, and his deep sapphire eyes and the rainbow iris of his Third Eye turned golden yellow as heavenly lights shined down and a divine force surrounded him as the Angels and Archangels of Heaven descended and unholstered their broadswords.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) You are the one who has committed the ultimate blasphemy, Goobot V. To kidnap the parents of Retroville and sacrifice them to Poultra, as it stands, you are already eternally damned, you and every last Yolkian.

Malphas: (Demonic Voice) I won't make the same mistake twice! FALLEN ANGELS! ATTACK!

Hordes of Fallen Angels appeared to attack us, but Lincoln fired blades of light from his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings that hit The Fallen Angels and destroyed them.

Then, Dark Sebastian, Alaister Necroshade, and Malphas came after Lincoln!

Dark Sebastian and Alaister Necroshade: YOU LITTLE, YOU WILL ALL DIE IN MALPHAS' NAME!

SLASH! SLASH! SLASH!

LINCOLN SLASHED DARK SEBASTIAN, ALAISTER NECROSHADE, AND MALPHAS RIGHT IN THE CHEST WITH HIS GOLD-PLATED CLAWS OVER HIS FINGERS, AND TRAPPED THEM IN AN ANTI-SATANIC MAGIC BARRIER!

Jimmy Neutron: I knew you'd be on the move again, and you'd try the same thing as before, Goobot.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) But, this is where your blasphemous sacrilege against Earth ends here.

Lincoln fired a massive beam of light that turned into a massive sword and cleaved Poultra in two and destroyed him.

Nico: We'll have Poultra put in the M.O.E.

Me: Good idea.

Suddenly, hordes of male hellhounds loyal to Malphas arose from Hell and they charged at us.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) Time to end this.

Lincoln went after the massive 12'6" male hellhounds, and he really went wild on them showing them who's the top werewolf around here, and he was really working up a sweat, and finally, he knocked

them down.

Then, Lincoln morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive 12'6" hellhound and its' massive pack of 12'6" massive hellhounds, and he began absorbing them and he assimilated their massive superhuman and demonic upper body and lower body strength, massive muscle mass, virility, testosterone, and immense demonic and dark powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange, golden yellow, and aurora tips underneath his massive white angel wings spread out even more and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings behind his head glowed.

Lincoln: (Thinking) (GROWLS) Oh man, the raw immense power of these beasts is incredible.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) (Thinking) In addition to the powers of Heaven and the Gods and Goddesses of the Pantheons of the ancient world, you have the power to absorb devils, demons, and hellhounds and assimilate their powers and abilities. Even that was more than enough to scare The Demon Princes of Hell.

Then, when Lincoln was done and the stingers changed back, nothing was left of the hellhounds and Lincoln drained the hellhounds' souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Suddenly, the full moon appeared behind Andre Lupescu as darkness fell upon the ruins of Hallow Bastion only lit by the full moon and clusters of ice formed on the ground as we heard the sounds of wolves howling in the distance.

Me: You heard him, it's payback time!

Nico: The howling of the wolf means that justice is coming for you!

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) There is no escape for you, Maleficent. It is time for you to face your judgement for all of your crimes.

HEAVENLY LIGHTS SHINED DOWN FROM THE HEAVENS AS WE SAW MORE OF HEAVEN'S ARMIES DESCEND ON EARTH: JUDGEMENT DAY'S COME FOR MALEFICENT.

Caleb Maxwell: What's with more of Heaven's armies descending on Earth? You already drove Malphas and those monstrous demons back into the darkness forever.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) That may be true, but don't forget there are the other Demon Princes of Hell to worry about as well, Caleb Maxwell.

Nico: Along with Lucifer himself, and before you ask, yes, we've taken him down before.

Me: And we intend to banish him to The Black Abyss forever for the eons of pain and suffering that he caused to every last man, woman, and child on Earth, every last child that inhabit Earth, the kingdom of man that God had created.

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF KING GOOBOT V TO NO END! NOW, THE BATTLE TO FINALLY TAKE DOWN KING GOOBOT V AND THE YOLKIANS WAS ON!

Lincoln, Jimmy Neutron, Crash Bandicoot, Red Savarin, Von Lycaon, Nico, and I and the rest of us went after King Goobot V and the Yolkians, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at King Goobot V and the Yolkians and they exploded with incredible power as they hit them.

Then, we attacked then with powerful slashes from our massive greatswords leaving scars on then and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at then as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well, and Lincoln, Jimmy Neutron, Crash Bandicoot, Red Savarin, Von Lycaon, Ricky, Nico, and I and the rest of us attacked them super hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making King Goobot V and the Yolkians even angrier than ever.

Lincoln fired rainbow, white, golden yellow, and blue energy blasts from his left hand and the smaller planets orbiting around his fingers like rings, and they hit King Goobot V and he got hit hard, and one of the blasts hit The Monitor Orb embedded in King Goobot V's forehead, and not only did we get a massive power boost, but King Goobot V screamed in agonizing pain.

Suddenly, Lincoln's massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit King Goobot V and the Yolkians and we all found ourselves not only in Heaven, but also, in space.

Ed Cowart: Ok, you slimy egghead, now you get yours!

Ed Cowart proceeds to insult King Goobot V.

Ed Cowart: Really? A slime egg for a king? No offense, but you suck as a villain! Even Seymour Skinner would do a better job as a king than you and he was a principal!

Skinner: You got that right!

Ed Cowart: You fail as a king and a villain! You are also an F-Ranked villain even below Kite Man of all people! and Kite Man even has a TV show now!

Then, Lincoln went deep into the planet, and there he found the core of the planet: it was orange and yellow with a core temperature of 100,392 Fahrenheit, and the heat coming off the core was incredibly hot. Lincoln flew into the core, and he began sucking in and absorbing the core of the planet along with the immense and incredibly hot heat of the core into his body as he began growing stronger and gained a planetary power boost, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange, golden yellow, and aurora tips underneath his massive white angel wings spread out even more and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings behind his head glowed.

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well. Then, he teleported back onto the ship and we got off Planet Yolkus as it became a brown lifeless planet and it fell apart, and we came back home.

King Goobot V: No..., our home! My Kingdom!

God: (Through Lincoln's body) (Divine Heavenly Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship Almighty Eternal Celestial Cosmic Elemental Almighty Hinon Eternal Friendship Universal Cosmic Elemental Heaven Cosmos Storm Shining Rainbow Ultimate Harmony True Unbreakable Eternal Bonds True Immortal God Hero Thunderbird Buffalo Vampire Werewolf Mythological Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship Almighty Eternal Celestial Cosmic Elemental Almighty Hinon Eternal Friendship Universal Cosmic Elemental Heaven Cosmos Storm Shining Rainbow Ultimate Harmony True Unbreakable Eternal Bonds True Immortal God Hero Thunderbird Buffalo Vampire Werewolf Mythological Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your kingdom is now gone, and you deserve to lose your home because of the crimes you've committed. Now, to send you to prison forever.

Lincoln beamed the imprisoned Yolkians to The Sun Prison where they'll remain there forever. We cheered as we holstered our weapons and powered down.

Nico: And that is that for The Yolkians!

Me: And we got the parents freed and Poultra was also killed as well.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) Yes, that is true. Now, there is one last thing to do: get rid of Dark Sebastian Mendez, The Black Ooze of The Eldritch and Leader of The Order of The Dark Universe, Alaister Necroshade, Leader of The Dark Church of Malphas, and Malphas, Demon Prince of Hell.

We turn our attention to Dark Sebastian Mendez, The Black Ooze of The Eldritch and Leader of The Order of The Dark Universe, Alaister Necroshade, Leader of The Dark Church of Malphas, and Malphas, Demon Prince of Hell still inside the holy barrier, and when Lincoln brought down the holy barrier, they were extremely pissed!

Alaister Necroshade: DAMN YOU! DAMN YOU ALL! WE'RE GONNA KILL ALL OF YOU HERE AND NOW!

Malphas: (Demonic Voice) I WILL MAKE ALL OF YOU PAY FOR THIS!

Dark Sebastian: GET THEM! AND GET THE MASTERS OF EVIL TOO! THEY HAVE TURNED THEIR BACKS ON EVIL ITSELF! PUT THEM BACK IN THEIR PLACE AS SLAVES TO THEIR MASTERS!

with four orbiting large gold rings surrounding the corners behind our heads were glowing, and that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Lincoln formed a massive and indestructible diamond barrier infused with light energy that protected all of us from a sudden barrage of infernal darkness blasts those snakes fired at us and the blasts were destroyed.

Selena Mendez: Looks like what we did to King Goobot V and the Yolkians and what you did to them really drove them madder than ever, but now, it's time we put an end to this once and for all along with ending this whole nightmare for good.

Suddenly, Selena Mendez's purple eyes turned neon purple and she was surrounded by a black, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, darkness, dark magic, black magic, night flames, phoenixes, and angels, she unholstered her staff, and as she approached Dark Sebastian, Alaister Necroshade, and Malphas, she left black, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, dark magic, black magic, night flames, phoenixes, and angels with every step.

Selena Mendez: For so many years, so many innocent people have suffered because of your insane desire to destroy the world, and in many worst case scenarios, you murdered a lot of them in cold blood. I will never forgive you three for what you did. Dark Sebastian, Alaister Necroshade, Malphas, as The Leader of The Hunters of The Nightflame Sun and Master of The Nightflame Sun and Divine Darkness, I hereby sentence you three Satanic monsters to death. When all is said and done, what little did you achieve through your actions. You walk the path of a coward always creeping your way through the dark. That's a path that all villains like you have taken, and it's one that'll follow you into death once more. Dark Sebastian, Alaister Necroshade, and Malphas, may you suffer for eternity with not a kindred soul to give you any solace, this is where we end this once and for all!

Time to die, you Satanic Demons! This is where it all ends for you!

Lincoln, Selena Mendez, Camie Elextor, Wendy Sauron, Varie Yulinova, Lorena Cavenstein, Solla Nexcrota, Kira Textington, Gina Thunderton, Xenia Vola Dappra, Tania Tornadora, Nico, and I went after Dark Sebastian, Alaister Necroshade, and Malphas and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Dark Sebastian, Alaister Necroshade, and Malphas, and they exploded with incredible power as they hit them.

Then, we attacked them with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and The Hunters of The Nightflame Sun did the same by firing black, white, golden yellow, and blue energy slashes from their gold-armored dragon claws and their massive Mage's staffs, and Lincoln, The Hunters of The Nightflame Sun, Nico, and I attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Dark Sebastian, Alaister Necroshade, and Malphas even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Dark Sebastian, Alaister Necroshade, and Malphas and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 10'9" massive, wide, double-edged gold blade of his massive greatsword.

Suddenly, The Angels and Archangels that were summoned threw their broadswords into the air and Lincoln infused them with holy magic and holy light, and he sent them flying right at Malphas and he was pierced and slashed by the enchanted broadswords, then...!

SHEEN!

THE LAST ENCHANTED BROADSWORD PIERCED MALPHAS' CHEST AND IMPALED HIS BLACK HEART, AND BEAMS OF LIGHT EXPLODED OUT OF THE DEMON PRINCE OF HELL UNTIL HE LET OUT ONE LAST SCREAM AS HE EXPLODED IN A MASSIVE EXPLOSION OF LIGHT AND HE WAS FOREVER REDUCED TO ASHES!

FINALLY, DARK SEBASTIAN LOST IT AND THE SKIES TURNED BLACK AND RED AND HE FORMED A MASSIVE BLACK AND RED DEATH BALL IN THE SKIES!

Eli: THAT PIECE OF SHIT! HE'S GONNA USE THE DEATH BALL TO DESTROY THE EARTH!

Gohan: Just like what Frieza did to Planet Namek! I knew Sebastian was even worse than Frieza because of that thing inside him, but ever since J.D. and Lincoln separated them, now Dark Sebastian has become completely unhinged and deranged!

Dark Sebastian: (DEMONIC VOICE) NOW, YOU WILL ALL DIE!

Dark Sebastian: (DEMONIC VOICE) MAY THE KINGDOM OF MAN BE DESTROYED FOR ALL ETERNITY AND MAY ALL JOY, HARMONY, AND VIRTUE BE DESTROYED FOREVER! (CACKLING DERANGEDLY)

Suddenly, Lincoln deflected the massive death ball and sent it into space and it exploded without a single planet being destroyed.

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

Dark Sebastian: GET IT! GET IT!

Alaister Necroshade went and grabbed the match!

Alaister Necroshade: Why, you stupid idiot! What are you trying to do?! Blow us to smithereens?!

Lincoln lit another match and threw it down into the explosives!

Alaister Necroshade: NO!

He went and grabbed the match and came back!

Alaister Necroshade: You stupid fleabag! If you do that one more time, I'm not going after it!

Lincoln called his bluff and lit another match and threw it down into the explosives!

Alaister Necroshade was about to get it, but he ignored it and he hummed and tapped his foot and played a yo-yo and jacks while Lincoln was filing his sharp fingernails as his gold-armored dragon claws came off.

Alaister Necroshade: OH NO!

But then...!

KRABOOM!

EXTREMELY MASSIVE AND POWERFUL EXPLOSION!

A massive fiery explosion blasted him and Dark Sebastian into a huge mountain and smashed into the rubble, and they were really hurt and in a lot of pain!

Lincoln went over to Dark Sebastian and Alaister Necroshade who were hurt in the rubble.

Then, he pulled them out, but then.

Lincoln whacked them with a fiery board in their stomachs and then grabbed their tongues and painted them green! BLECH!

Lincoln smirked!

Dark Sebastian and Alaister Necroshade: YOU DARE TO MAKE FUN OF US! (SCREAMING IN EXPLOSIVELY INTENSE DEMONIC RAGE) NO ONE MAKES FUN OF THE DISCIPLES OF MALPHAS!

THEN THEY SCREAMED AND ROARED IN INTENSE AND EXPLOSIVELY DEMONIC FURY! THE TWO SNAKES ROARED IN RAGE AND WENT AT LINCOLN AND HE DODGED ALL THEIR STRIKES AND THEY ROARED IN MORE FURY AND MORE RAGE! THEY WERE COMPLETELY OUT OF THEIR FUCKING MINDS WITH SO MUCH RAGE AND FURY THAT IT WAS INCOMPREHENSIBLE!

Lincoln kicked them down and they were beaten.

Finally, Dark Sebastian finally went fucked-up ballistic and he finally lost control of his form and we saw Dark Sebastian suddenly transform into a demon as the sclera of his eyes turn dark red and the iris of his red eyes became brighter with goat eye pupils, his white skin turned grey and he had black fur grow and sprout out, his feet changed to that of a goat's cloven hooves, and his face turned into that of a black wolf with goat horns on top of his head, and he roared in pure rage and he went full all-out berserk.

Alaister Necroshade also finally went fucked-up ballistic and he finally lost control of his form and we saw Dark Sebastian suddenly transform into a demon as the sclera of his eyes turn dark red and the iris of his red eyes became brighter with goat eye pupils, his white skin turned grey and he had black fur grow and sprout out, his feet changed to that of a goat's cloven hooves, and his face turned into that of a black wolf with goat horns on top of his head, and he roared in pure rage and he went full all-out berserk.

Lincoln swung his massive greatsword and fired two powerful rainbow light helix blasts which hit Dark Sebastian and Alaister Necroshade, and not only did they transform back into human form, but the blasts also destroyed their dark powers forever, and Lincoln swung his massive greatsword again and fired blades of light which hit Dark Sebastian and Alaister Necroshade right in the chest and the blades pierced their black hearts, and we saw bright lights burst out from behind their backs, Dark Sebastian survived, but as for Alaister Necroshade, he went up in flames and was turned to ashes as his black soul was forever sent to The Black Abyss for eternity.

Nico and I had chills running down our spine!

Then, Selena Mendez fires blasts of darkness with eldritch runes and eyes from her massive black angel wings and ninety-nine sets of large black angel wings underneath her massive black angel wings, and as they hit Dark Sebastian, the curse's effects take hold as he hears the Eldritch chants and he winds up underwater and sees the minions of Nyaghoggua and his insanity starts to become infinite-times worse than ever, and finally, the final stage of the curse comes when he finally gazes upon The Great Old One, Nyaghoggua, and he lets out one last truly bloodcurdling scream as his decayed mind forever breaks and dissolves right into darkness, and his dark powers are destroyed forever and his soul is sent to The Black Abyss forever.

FINALLY, AFTER DAYS OF TERROR AND CHAOS, DARK

Babs Bunny: Finally, after days of terror and chaos, it's finally over!

Hampton Pig: Don't forget about the years of chaos and terror he'd also wrought upon all of us in the past.

Plucky Duck: That too, Hampton! He's finally gone for good!

Fifi La Fume: (French Accent) Oui, good riddance to that pile of garbage.

Shirley the Loon: Like, you said it, Fifi. That slimeball and his friends deserved it.

Lola Bunny: Same with Malphas. And I can't believe he tried to pull a move that we'd expect from Frieza.

Eli: Well, Elly did say he was worse than Frieza entirely, and look what happened to him.

Me: Now Sebastian is forever free of the evil that plagued him!

Selena Mendez: At long last! My brother can redeem himself!

We cheered wildly as we holstered our weapons and powered down and the new bodies, clothes, weapons, jewelry, Third Eyes, large gold halos and large gold Yata no Kagami mirror with gold crescent moon-shaped frame around it with embedded midnight blue gems behind the gold halos with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold crescent moon-shaped frames around them with embedded midnight blue gems behind the gold rings behind the heads, one-hundred large black planets orbiting around her legs, one-hundred smaller black planets orbiting around the waists, smaller planets orbiting around her fingers, medium sized black planets orbiting around the wrists and ankles, and massive black angel wings and ninety-nine sets of large black angel wings underneath the massive black angel wings of Selena Mendez, Camie Elextor, Wendy Sauron, Varie Yulinova, Lorena Cavenstein, Solla Nexcrota, Kira Textington, Gina Thunderton, Xenia Vola Dappra, and Tania Tornadora are permanent.

Selena Mendez: We did it, it's finally over! Dark Sebastian's gone, along with Alaister Necroshade!

Lincoln hugged Selena Mendez.

Lincoln: Along with Malphas, Selena.

Me: That was so awesome! Plus, you've unlocked your Rainbow Power, Lincoln!

Lincoln: I sure did.

Nico: You gained the same Rainbow Power as J.D., and you really pissed off those demons.

Lincoln: Yep, that's right.

Lincoln 3: (Through Lincoln's sun and moon crest on his chest) Plus, the sun and moon crest on your chest, this is also another new evolution that you've undergone, Lincoln.

Lincoln: (Through Lincoln's Ebonwu emblem) Indeed. Plus, all your powers, abilities, strength, skills, and everything you'd gained in the past eight years have been enhanced infinite-fold, and the same goes with your elemental forms that you can also turn into.

Lincoln: That's right, I didn't forget about my elemental forms. But, it has been a while since I've turned into them.

Me: We'll try them out again, but you and Selena did it. Now, we're rid of Dark Sebastian and Alaister Necroshade forever along with

Malphas.

Nico: The Order of The Dark Universe and The Dark Church of Malphas is finally gone forever.

Selena Mendez: That's for sure.

Suddenly, we heard an inhuman demonic roar coming from Hell!

Camie Elextor: And we pissed off the other Demon Princes.

Varie Yulinova: Now that The Black Ooze of The Eldritch is gone forever along with Malphas, it appears we've pissed off the other Demon Princes of Hell big time.

Brittney: We'll keep a closer eye on the other Demon Princes of Hell along with Lucifer himself.

Me: Yep. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the Vegvisir appear in the skies along with the Duel Monster, Guldfaxe of the Nordic Beasts, and the Nordic horse himself, Guldfaxe.

Lincoln: The Vegvisir and the Duel Monster, Guldfaxe of the Nordic Beasts, and the Nordic horse, Guldfaxe.

Astrid Michelsen: (Norwegian Accent) There's one person who fits that: Anna Andreasen, Avatar and Gene-Slammer of Guldfaxe of the Nordic Beasts, and you guys are going to love meeting her, Anna Andreasen, Avatar and Gene-Slammer of Guldfaxe of the Nordic Beasts, is Lincoln's Guardian Angel from Norway and she's a skilled and very powerful warrior and master of war and battle and she's a powerful master of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Fenrir. Carina Johansen is a member of a powerful group of Lincoln's Guardian Angels known as The Nordic Order of Odin's Justice, they're a group of girls from Norway who are skilled and very powerful warriors and masters of war and battle who are born with Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic

Awareness, and the powers of the Nordic Gods and creatures of Norse Myth, and their goal: to hunt down and kill the most dangerous and irredeemable of souls and send them to Hel, the Norse version of The Underworld to suffer true eternal damnation, and they have hunted down many of these individuals all over Norway and sent them to Hel, and they were also tasked by Heaven and the Norse Gods to protect Lincoln. Anna Andreasen moved to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Guldfaxe, and war and battle, and he gained omnipotent power and the powers of Cosmic Cryokinesis, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Guldfaxe, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's kept all of Lincoln's enemies in line, but there is one person whom she'd been wanting to kill all her life: a dangerous killer named Ryan Carson, he's a cruel, selfish, psychotic sadistic serial killer driven by a sadistic lust for blood who murdered tens of thousands of innocent men and women all across seven states in The U.S., and when she got the word that cruel, selfish, bloodthirsty asshole swore to kill Lincoln to slake his lust for blood, and she swore to tear him apart with the power of Guldfaxe.

Me: Oh man, I've heard about Ryan Carson, he's a dangerous bastard whom the cops have been after for years.

Nico: Are we going to face him tomorrow?

Lincoln: No, we're not. I've got a feeling Dark Chase Young's gonna pull something tomorrow on my rescue, but we'll be ready for that.

Me: We will.

Suddenly, heavenly lights shined down and Lincoln flew into the air, and his massive white angel wings and ninety-nine sets of large white angel wings underneath spread out as he absorbed the flames from our battle with The Yolkians.

Dixie: The only Sullen 6 members left are Crocker and Burns.

Atomic Skull: We'll save them for the far future.

Me: I've got some special plans for them.

Steam Smythe: For now, another victory for us.

Hydrax: Let's celebrate with real eggs.

Tala: That's breakfast food. But I'll take it

Me: Good idea.

Firestorm Shimmer: Better than the eggs of Yolkus.

Nico: Yeah. Great job today everyone.

I went over to Judy and Hugh.

Me: You guys okay?

Hugh: Thanks to you guys.

Judy: Yes we owe you again.

Me: No problem.

Jimmy Neutron: We're just glad our parents are back.

Me: We are too. This is twice we've done this over the last 6 years.

Judy Neutron: Sure feels like forever.

Jimmy Neutron: I know. (To the viewers) This was awesome and amazing too.

Me: Yep. And as a bonus we rid the world of Malphas and Dark Sebastian and the Order of The Dark Universe forever.

Nico: We sure did.

Qin: Good riddance.

We went to Lynn's Table and had eggs and more.

We returned home, and hours later, night fell on the city, and Lincoln was heading to his room.

Lincoln: We took down the evil versions of Lori, Lynn, Lola, Lisa, and Luan and sent them to The Black Abyss and sent my warning to Dark Chase Young, and we got rid of Connor Maxwell in New York, and we also got rid of The Yolkians, and we finally got rid of Dark Sebastian, Alaister Necroshade, and Malphas for good. The Order of The Dark Universe and The Dark Church of Malphas are gone forever along with Malphas himself, now the battle against Dark Chase Young will have no snags.

Then, just as Lincoln was about to step inside, he caught the scent of roses in the air, and as he opened the door, there on his massive extra-extra-extra large never-ending expanding bed for him and his expanding harem was his entire harem dressed only in strapless bras and panties, and when he saw them, he had an atomic red blush on his cheeks and muzzle and his wolf nose gushed out blood.

Girl Jordan went up to Lincoln.

Girl Jordan: (Rubs Lincoln's massive pecs) I knew that old trick wound up getting you once more. (Seductive Voice) And it got you aroused once more. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and

genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him as he went up to his harem.

Amara Roshansa: (Seductive Voice) Uh oh, looks like someone's about to get really...wild.

Suddenly, Lincoln lifted Girl Jordan and brought her to the bed with him joining the rest of his harem and he was on top of Girl Jordan and the others.

Lincoln: (Seductive Voice) (Smirks) You said a mouthful.

Lincoln used his one-hundred massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Carina Johansen is a member of a powerful group of Lincoln's Guardian

Angels known as The Nordic Order of Odin's Justice, they're a group of girls from Norway who are skilled and very powerful warriors and masters of war and battle who are born with Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of the Nordic Gods and creatures of Norse Myth, and their goal: to hunt down and kill the most dangerous and irredeemable of souls and send them to Hel, the Norse version of The Underworld to suffer true eternal damnation, and they have hunted down many of these individuals all over Norway and sent them to Hel, and they were also tasked by Heaven and the Norse Gods to protect Lincoln. Anna Andreasen moved to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Guldfaxe, and war and battle, and he gained omnipotent power and the powers of Cosmic Cryokinesis, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Guldfaxe, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's kept all of Lincoln's enemies in line, but there is one person whom she'd been wanting to kill all her life: a dangerous killer named Ryan Carson, he's a cruel, selfish, psychotic sadistic serial killer driven by a sadistic lust for blood who murdered tens of thousands of innocent men and women all across seven states in The U.S., and when she got the word that cruel, selfish, bloodthirsty asshole swore to kill Lincoln to slake his lust for blood, and she swore to tear him apart with the power of Guldfaxe.

Revenge of the Dino Thunder Terror

Zeltrax is back for revenge!

In the early morning hours of 12:24 AM, Lincoln was asleep along with his harem and he had a dream as it took him to an underwater planet known as Planet Gearshockus. Suddenly, he saw a girl with long electric blue hair with blue eyes and blue angel wings and dressed only in a black two-piece bikini in spirit sleep along with the Cybertronians from 150,000 years hence. Lincoln woke up, and so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln: I just had a dream, and this is gonna shock J.D. when we tell him.

Lincoln explained everything, and when he was done, his harem were shocked.

Talia Houou Flameheart: (Irish Accent) Oh man, it's her: the third of your Guardian Angels!

Selene Arcangela: And we also found the Cybertronians from 150,000 years hence, they were in spirit sleep this whole time.

Suddenly, Lincoln got up and got dressed along with his harem, then Nico and I came in.

Me: Lincoln, what is it?

Lincoln explained, and I was shocked.

Me: No way, you found the Cybertronians from 150,000 years hence!

Nico: Along with the third of your Guardian Angels from 150,000 years hence, awesome.

Me: So, what do you intend to do?

Lincoln: I'm going to bring Planet Gearshockus to our solar system, then, we're heading over to awaken Raikiri, and once that happens, that'll cause the Cybertronians from 150,000 years hence to also awaken, but they'll eventually merge with the Cybertronians.

We headed outside, and...!

SNAPS FINGERS!

Lincoln brought Planet Gearshockus to our system, and we headed over, and it was an awesome planet of metal, technology, and lightning combined, and Lincoln was getting stronger thanks to the powerful lightning bolts striking the place.

Me: Wow, this place is awesome.

Tara Toonamine: That's for sure.

Suddenly, Lincoln sensed it, and we headed on over to a hyperbolic spirit sleep chamber, and we saw Raikiri Thundergear asleep in one chamber.

Me: That's Raikiri Thundergear? Whoa, hubba hubba!

Nico: Dude, you know Lincoln's here, right? Watch it or he'll clean your clock.

Lincoln: Hey, be nice, he knows she's my Guardian Angel.

Then, we saw the Cybertronians from 150,000 years hence in multiple chambers.

Nico: Whoa. Oh man...!

Michelle Emperyous: They're all asleep.

Lincoln: Being asleep for 150,000 years in that state of spirit sleep and not knowing what happened to the others...! Dark Chase Young, you really are an absolute monster.

Lincoln placed his hand on the pod where Raikiri Thundergear was sleeping. Suddenly, it started to glow and it opened up, and then, she started to awaken as Lincoln caught her in his arms.

Raikiri Thundergear: (Groans) W-where am I?

Suddenly, her eyes came into focus, and she saw Lincoln recognizing the deep sapphire blue eyes.

Raikiri Thundergear: L-Lincoln? Is that you?

Lincoln: Yes, it's me from the Earth that hasn't been destroyed by the asteroid, the one you found, though I've really grown up a lot.

Lincoln wrapped his abnormally massive and muscular arms around Raikiri Thundergear's waist and hugged her, and Raikiri Thundergear is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and ninety-nine sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, one-hundred massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Raikiri Thundergear: That you have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 12'6" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and ninety-nine sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and one-hundred massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome. But, wait, where am I?

Me: You're in our world. Lincoln brought the planet and all of you here to our world, and in our world, we destroyed the asteroid heading for Earth when we went after Tim Scam.

Nico: And foiled one of Dark Chase Young's schemes to prevent the prophecy from coming true in our world. Lincoln already fulfilled the first part of the prophecy by getting 403 years of divine retribution for his ancestors by taking down Morag and killing Aggie.

Lincoln: Now, all that's left is for the second part: killing the monster responsible for everything he did to my family in 1621 and for 1,500 years of pain and suffering, Dark Chase Young.

Raikiri Thundergear: Perfect.

Suddenly, Shanan came to us.

Shanan: Guys, I just saw a planet come into our solar system, and who is...?

Selene Emperyous: Shanan, meet Raikiri Thundergear, she's the third of Lincoln's Guardian Angels from her home Planet Gearshockus where people are human-like Cybertronians. Raikiri Thundergear was born with omnipotent power, immortality, invincibility, lightning, technology and the powers of all Cybertronians. Raikiri came from the Earth prior to its destruction in the other timeline, and as she was observing Earth, she found Lincoln, and like Tara Toonamine, she ended up falling in love to the point of swearing that she would do everything in her power to protect him, and God heard her swearing to do everything in her power to protect him, and she took The Sacred Oath, thus becoming the third of Lincoln's Guardian Angels. Before the Earth of the other timeline was destroyed, while Tara came and rescued Lincoln and his harem from its destruction and got them to her home planet, Techwater, Raikiri rescued all the Cybertronians, and took them Gearshockus, where she placed herself and all the Cybertronians in spirit sleep until she, all the Cybetronians, and Planet Gearshockus can be transported to the time where the asteroid that was coming to destroy Earth was destroyed when we went after Tim Scam, along with Planet Techwater and the other planets.

Shanan: (GASPS) Whoa! So, she saved her Earth's Cybertronians before the Earth of that timeline got destroyed?! And they were in spirit sleep. Dark Chase Young, you vile monster.

Lincoln: Yep, and I brought the planet here. This is Planet Gearshockus.

Shanan: Wow.

Lincoln went up to the pods where the Cybertronians of 150,000 years hence were sleeping in, and as soon as he touched them, the pods glowed and they opened. Suddenly, they merged with the Cybertronians, and the Cybertronians grew stronger than ever gaining 150,000 years of experience in combat and power beyond any imagination.

Lincoln: Whoa!

Selene Emperyous: Incredible, now the Cybertronians are even stronger than ever!

Lincoln then went up to Raikiri Thundergear and he pinned her to the floor and he kissed her deeply and passionately on the lips and she returned it after recovering from the shock, then, he leaned down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out even more and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed with intense light. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Raikiri Thundergear with electric blue gems on the gold lightning bolts and electric blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Lincoln then helped her up and carried her bridal style as we came back home and went back to our rooms and Lincoln brought Raikiri Thundergear to his massive extra-extra-extra large never-ending expanding bed for him and his expanding harem and he had her sleeping on top with her head on his massive pecs.

Raikiri Thundergear: (Rubs Lincoln's massive pecs) This feels really nice, and it's so good to finally be home.

Lincoln: Us too.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. Guys, there's something I need to tell you guys. Last night, my dream took me to a planet called Gearshockus.

Then, Lincoln, Nico, and I explained everything that happened last night, and when we got done, everyone was floored.

Qin: HOLY COW! So, you guys found the Cybertronians of 150,000 years in spirit sleep on the planet?!

Then, Raikiri Thundergear came in.

Nico: Along with the third of Lincoln's Guardian Angels from the Earth of 150,000 years hence that got destroyed, and she's a human-like Cybertronian.

Me: Yep, she was born with omnipotent power, immortality, invincibility, lightning, technology and the powers of all Cybertronians. Just like what happened to me, and Lincoln has added her omnipotent power, immortality, invincibility, lightning, technology and the powers of all Cybertronians to his arsenal when he fed on her blood last night.

May: But, that means if you were able to find the Cybertronians from 150,000 years hence, that means...!

Maria: Ourselves from 150,000 years hence must be on different planets that were from that same timeline. But, how can we find them?

Lincoln: Just leave that to us.

Suddenly, Lincoln's deep sapphire eyes and the rainbow iris of his Third Eye turned golden yellow as we felt a massive divine force and heavenly lights shined down from Heaven as all the Angels and Archangels of Heaven descended.

Me: My Lord, what's wrong?

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) I'm afraid there is bad news in Paris, France: Judge Claude Frollo, the self-righteous blackhearted heretic, has mobilized his men once again to kill Quasimodo and Esmerelda once again.

WE GASPED!

Me: That blasphemous heretic!

Nico: So, he's the next Disney villain to show up, huh? Well, then, we're going to unleash your divine wrath upon him, My Lord.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) Of course, Nicholas, and I have a few words to say unto that heretic and make his sins public once again and have them etched onto his body never to be forgotten.

Eli: That will no doubt be a perfect end to that heretic.

Suddenly, The Undead Symbol on Crash Bandicoot's True Cosmic Eternal Harmony Heaven Cosmos Planetary Savior Skylands Guardian Ten Elemental Fury Skylanders Knight Life Skylanders Brawler Sensei Draconic Bandicoot Seraphim Phoenix God Archangel Greatsword of True Cosmic Eternal Harmony Heaven Cosmos Planetary Savior Skylands Guardian Ten Elemental Fury Skylanders Knight Life Skylanders Brawler Sensei Draconic

Bandicoot Seraphim Phoenix God Archangel Justice and the Element of Harmony for Starlight Glimmer started glowing.

Crash Bandicoot: The Undead symbol's glowing, this means, you're up next, Starlight Glimmer.

Starlight Glimmer: Frollo's gonna pay for all his crimes, and it'll be like before in Paris, and with you joining in, this time, we shall make sure Claude Frollo pays for all of his crimes.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) Yes. Now, let's finish up and head for Paris, France.

Nico: Claude Frollo, your hour of holy judgement is close at hand, and this time, we shall make sure you pay for your crimes as you suffer for eternity in Hell where you belong.

Connor woke up to see Tyrunt staring at him

Tyrunt: Morning Connor! Time for breakfast!

Connor: Oh be right down.

He went and got dressed and went to the table and was piling on the steaks and protein.

We finished our breakfast, and we headed out to Paris, France to help Starlight Glimmer unlock her Rainbow Power and hunt down and kill Judge Claude Frollo as we unleash the Divine Wrath of God on him!

Me: I have a feeling this is gonna be really brutal and bloody.

Qin: Same here.

Nico: If I know Frollo, he is in every way like the devil and will not stop till he has won.

Camie: Man what a jerk!

Xenia: I know and we killed him numerous times before.

Me: He is a blasphemous heretic that deserves infinitely worse than the 9 Circles of Hell.

Laney: That is for sure!

Nico: Yep. Invincible I want to thank you and Dinosaurus and your teams for coming.

Invincible: No problem Nico. This is gonna be awesome and fun.

Me: It sure will.

Nora Northern: I'm looking forward to it.

Nico: Nora, what do you like to do in your free time?

Nora Northern: I like showing everyone the beauty of the Aurora, the Northern and Southern Lights as well as the beauty of the Northern Stars. It's fun.

Nico: Cool!

Nora Northern: Also I like bringing the beauty of them to hospitals to help the patients be in peace for when they go under the knife

Nico: Cool job.

Varie: It's true. Nora brings beauty and love to the patients and it's soothing.

Camie: Cool!

Poromon: What does go under the knife mean?

Me: It's an idiom that means they are getting you ready for surgery.

Poromon: Oh!

Nico: Oh!

Poromon: Just wanted to be sure

Me: Yeah.

Nora Northern: Yeah it helps.

Me: Cool.

Qin: Man yesterday was EGG-Ceptionally fun!

Sunny Starscout: It was one that CRACKS up the power!

WE LAUGHED!

Luan: (LAUGHS) Good one Sunny and Qin!

Eddy: (LAUGHS) That was funny!

Nico: We took down another Sullen 6 member.

Me: Yep.

Firestorm Shimmer: But that doesn't get the rotten taste of Yolkians out of my mouth!

Chalcanthite Aurora: (British Accent) BLECH! That was terrible!

Me: The Yolkians sure tasted terrible. No doubt about that.

Lola: Yeah.

Me: But man we battled the Yolkians all over the place! They came at us like swarms of locusts!

Xenia: They sure did! Because of those cloning machines.

Me: Yeah but we got the parents out of there and back safe.

Laney: Thank goodness for that.

Nico: I didn't expect the cloning machines honestly

Me: Me neither. But it wouldn't be a challenge unless there was some source of the clones or whatever.

Nico: True.

Me: Jimmy's akuma was a REALLY HORRIBLE smelling brain!

Nico: No kidding!

Me: He smelled worse than Ed's feet!

Ed: (Offended) HEY!

Qin: Yeah he was gross.

Me: But it was a fun day for us.

Nico: It sure was.

Qin: Yeah.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) We've made it to Paris, France, and as we discussed this morning, we are here to help Starlight Glimmer unlock her Rainbow Power and hunt down and kill Judge Claude Frollo.

The rest of the team's with us, and we saw that Paris, France is in flames and utter chaos is running loose on the streets.

WE GASPED!

Me: Oh man!

Qin: What a mess!

Me: And it looks like Frollo's already causing utter chaos.

Nico: Let's douse the flames first.

Suddenly, Lincoln's massive white angel wings and ninety-nine sets of large white angel wings underneath spread out as he absorbed the flames into his body and we saw the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and one-hundred massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glow extremely, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings with orange, golden yellow, and aurora tips underneath his massive white angel wings spread out even more and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings behind his head glowed as he grew stronger.

When Lincoln was done, he was now even stronger than ever.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) That should do it. Now, to confront Frollo, he's at Notre Dame.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) Lincoln did a good thing in increasing the strength and potency of his Min's Egyptian Virility Drain Curse on those two. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Judge Claude Frollo) Ah, there you are, you blasphemer. I've found Judge Claude Frollo, he's in the town center, now it's time we stop him once and for all.

Nico: Frollo's escaped his divine punishment for too long, now this is where he meets his end once and for all.

Me: That is for sure!

Stella heard a Pokemon cry.

Stella (Winx Club): Look guys.

We saw a Mega Beautifly!

Me: Cool a Mega Beautifly!

Nico: Wow!

Mega Beautifly: What happened here?

Me: Frollo that's what.

Stella: Are you hungry?

She gave her apples.

Mega Beautifly: Thank you.

She ate them.

Stella: You're welcome. Wanna come with?

Mega Beautifly: Sure!

Poromon: Yay!

Maria: Yeah!

But then a Bayleef came and jumped Maria and knocked her and Horsea down and was nuzzling them both!

Me: Cool a Bayleef!

Nico: How did that get there?

Maria: No idea but she sure is friendly.

Horsea: No kidding.

Ash: My Bayleef did that to me too.

Carol: Really? Wow. Lets see.

She used telepathy and gasped!

Carol: Oh man! It's Connie Lewis!

Maria: Wait Connie!? Kangors little sister!? Oh wow!

Carol: Wow!

Me: Wait Kangor has a sister? That is cool!

Nico: We should call him here.

I did so.

Kangor came.

Kangor: (Jamaican Accent) I'm here mon! So Connie is a Bayleef?

Me: Yes she sure is.

Kangor: That's amazing. Let me help mon.

Maria: Connie it's okay?

Kangor: It's okay Connie mon. It's me Kangor.

She charged and Horsea closed her eyes...only to open them and find that she charged at Ash and she knocked him down and nuzzled him.

Me: Boy Grass Pokemon are sure friendly with their trainers.

James: Take it from me.

Qin: No kidding.

Ash: (LAUGHS) I've missed this though.

Me: I can tell.

Kangor: Ash you and James are lucky to have friendly Grass Pokemon mon.

Ash: I know.

I snapped my fingers and she reverted back and was a girl with green hair and green eyes and had green angel wings and had Bayleef on her forehead and had a Mahi Mahi and a pineapple, bananas, a papaya and a coconut drink on her arm.

I wrapped her in a blanket and we brought her over to a bench.

She woke up to see Horsea staring at her.

Connie Lewis: (Jamaican Accent) Huh? A Horsea mon?

Horsea: Yep.

Kangor: Connie it's good you're okay mon.

Connie Lewis: (GASP) Kangor!

She hugged him.

Connie Lewis: It's good to see you mon.

Kangor: Same here Connie.

Connie Lewis: I was looking all over for you mon. I was afraid something happened to you after the Big Bang.

Kangor: Well you aren't the only one that got caught in the Big Bang mon.

Carol: It's a long story Connie.

Connie Lewis: Carol, Maria!

Maria: Good to see you Connie.

They hugged.

Carol: We're glad you're okay.

Me: You were turned into a Bayleef by Dark Gale and you nuzzled Ash and Maria. Bayleef is very friendly with its trainers.

Connie Lewis: Oh wow! Sorry about that mon but I remember!

She was in a green suit and injected and she turned into Bayleef and busted out.

FLASHBACK ENDS

Connie Lewis: It was crazy mon.

Me: I know but we destroyed Dark Gale.

Carol: Also Connie has plant powers. She grows tropical fruit trees and plants to help the homeless and makes drinks for them. She has the Superhero name Jamaica Tropical.

Connie Lewis: It's true mon and it's really fun.

Me: Can you show us?

Connie Lewis: Sure.

She touched the ground and out of the ground growing instantly was a papaya tree!

Me: WHOA!

It had fresh papayas.

I picked one and ate it.

Me: (Eating) MMM! Juicy and delicious!

Horsea: (To Ash) Better you than me!

Ash: Very funny.

Me: But that is cool Connie!

Connie Lewis: It sure is mon. I am the smoothie and drink maker of Sonya's team and use fruits to bring down our enemies. Outside the team I make smoothies and juice drinks.

Me: You and Sunny here would get along great.

Sunny Starscout: I make smoothies too and it's great.

Connie Lewis: I know we will mon.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new green, orange and dark purple clothes and a blue sword.

Connie Lewis: I look amazing mon.

Me: You sure do.

Nico: Those were very good!

Me: Yep. Now we got a big fight on our hands!

We then took off into the air to help Starlight Glimmer unlock her Rainbow Power and hunt down and kill Judge Claude Frollo as we unleash the Divine Wrath of God on him!

We were flying in the air, and we saw our target: Judge Claude Frollo along with his army.

Nico: There's that blasphemous heathen, and no Heartless to get in the way.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) Perhaps so, but he's still a dangerous threat along with his men. Allow me to handle the entrance.

Suddenly, Lincoln's heavenly golden yellow eyes glowed, and the lights of Heaven shined down upon Paris, and then, everyone saw the auras of Frollo and his men: they were pitch black and red with the eyes of evil behind them: they were the eyes of The Devil!

Paris Citizen: The Eyes of The Devil, they are the servants of Hell here to destroy us!

The citizens of Paris were horrified.

Frollo: No, no, I am a man of God! I would never serve the evil one!

?: (Divine Heavenly Godly Voice) Would a Man of God commit horrific atrocities such as the slaughter and murder of thousands of innocent people?!

Suddenly, the spirits of the Angels and Archangels of Heaven appeared and they fired energy blasts at Claude Frollo and his men, and then, the spirits converged on Claude Frollo and his men as Angels and Archangels of Heaven appeared as they drew their swords and pointed them at them.

Archangel: Judge Claude Frollo, you have been found guilty for the multitude of murders you have committed against the people of Paris, France along with the murder of Quasimodo's mother and the attempted murders of Quasimodo and Esmerelda, you have blasphemed against God and all for your own desire to slake your own thirst for blood, and that is truly unforgiveable.

Then, the spirits converged and they crashed down and a massive explosion erupted as a Thunderbird Screech and Phoenix Cry was heard and we appeared.

Me: And as such, you are hereby sentenced to death for your foul misdeeds, you heretic.

CLAUDE FROLLO SCREAMED IN RAGE!

Claude Frollo: Team Loud Phoenix Storm! GET THEM! KILL THEM ALL! IT IS GOD'S WILL!

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) Take one more step, and I will send your souls to The Circle of Violence for all eternity!

The men were frozen in shock.

Claude Frollo: What are you doing?! I order you to kill them in God's name!

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) And who do you think you are to use my name like that, Claude Frollo?! To use my name like that, that is nothing more than blasphemy!

Claude Frollo was shocked!

Claude Frollo: M-my Lord! I...I was just...!

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) Do not try to lie. I have seen what you were really doing: you have been falsely accusing many innocent women of being witches and burning them on the stake and claiming that this was my will. No, this was not my divine will, this is nothing more than the shameless and depraved act of a heretic who has committed all seven deadly sins and lied to all of Paris claiming that this was my will. And on top of that, you were the one who murdered Quasimodo's mother so long ago.

The heavenly lights were shining down on Paris as more Angels and Archangels appeared and they drew their broadswords, and they aimed them at Judge Frollo's neck.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) I may be a merciful deity, but there are exceptions: my former lightbringer, Lucifer, and the angels who rebelled alongside him and mortals whose hearts are completely black and full of the Seven Deadly Sins, and you are among them, Claude Frollo.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) You do not deserve any forgiveness for what you have done, there is only one punishment that you deserve. Your crimes and sins shall be etched unto your flesh, and because of what the people had seen, they now see you and your men as servants of The Devil, and that fits you perfectly.

Then, the 10'9" massive, wide, double-edged gold blade of Lincoln's massive greatsword glowed with white heavenly light, and he etched all of Judge Frollo's crimes right onto his flesh: the murder of Quasimodo's mother so many years ago, the false accusations of people who crossed him and their eventual execution of being burned at the stake, using God's name to cover his crimes, and finally, the attempted murders of Quasimodo and Esmerelda, and they were displayed in full view of the Parisian people.

Soon, all of Paris could see for themselves: Judge Claude Frollo was not a Man of God, he was a blackhearted blasphemous heretic who has used God's name in vain to murder so many innocent people and cover his tracks, and it wasn't long before the people began condemning him as a devil and a witch who has made a pact to do The Devil's bidding.

Eli: It's too late for you, Frollo. Because of what Our Lord did in etching all of your crimes onto your flesh, now all of Paris has seen for themselves: you are not a Man of God.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) That is correct, you are nothing more than a blackhearted blasphemous heretic who used my name in vain to murder so many innocent people and cover your tracks, and now, everyone is condemning you as a devil and a witch who has made a pact to do The Devil's bidding, the same with your men. It's too late for you to repent for your crimes, your time of judgement has come. Judge Claude Frollo, for your blasphemous crimes against mankind and The Kingdom of Heaven, you and your men are hereby sentenced to death!

Nico: You heard our Lord and Savior!

Phoebus: CITIZENS OF PARIS! FROLLO HAS PERSECUTED OUR PEOPLE, RANSACKED OUR CITY, AND NOW HE HAS DECLARED WAR ON NOTRE DAME HERSELF! WILL WE ALLOW IT!?

Everyone has had enough of Frollo and his men and they broke all of the gypsies out and a huge war broke out!

(As the crowd begins to break loose the gypsies, the guards continue their assault. Soon, the crowd swarms around the door.)

Me: It's over Frollo! You took God's law into your own hands and killed thousands of innocent people all for your own selfish goals!

Frollo: It was my duty!

Me: Duty My ASS! You are nothing but a murderer! You've killed thousands of innocent people and destroyed much of Paris and sent it to Hell unjustly! Now you will die! Prepare to face the divine wrath of God!

Maria: Time for you to burn in Hell! Literally.

William: Or we can just burn you.

I punched him in the face and we engaged in a massive sword fight!

We clashed violently and sparks were flying all over the place and setting much of Paris on fire! Lori punched a soldier in the face and knocked out most of his teeth and she fired a powerful blast of wind and blew him into a spear and impaled him!

Andre Lupescu came back to us before he could recover.

Starlight Glimmer: Your time is done, Frollo, now your victims must be avenged here and now. I am the Guardian of Empathy and my Aurora shines bright, My Cutie Mark comes to life, my Empathy brings the light!

The Aurora swirled around her intensely.

Starlight Glimmer held up her greatsword into the air, and A MASSIVE AND INTENSE POWERFUL SURGE OF INTENSE AND POWERFUL ENERGY AND MAGIC WAS FELT!

Nico: WHOA!

Me: INCREDIBLE!

When we are all different

But one and the same

Like starlight and moonshine

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

If you could only see everything you could be

You would spend your whole life shinin'

So let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

We are all different

But one and the same

Like starlight and moonshine

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild

So let your magic run wild

Inside a rainbow sphere with intense flames and elemental forces, Starlight Glimmer then underwent an intense and amazing transformation! Starlight Glimmer had Rainbow Flame patterns and rings appear on her legs and obliques and rainbow sun and moon on her shirt and skirt and she also gained intense flame and star and aurora patterns on her forearms, she also got cyan blue lines on her hair and tail. She then had her Cutie Mark change into many stars and aurora and her massive light violet angel wings and twelve sets of large light violet angel wings underneath her massive light violet angel wings had intense rainbow fire on them.

SHE UNLOCKED HER RAINBOW POWER FORM! HER INNER KINDNESS! THE RAINBOW AURORA OF EMPATHY!

EVERYONE GASPED!

Nico: WHOA! WHAT POWER!

Me: SHE DID IT! STARLIGHT GLIMMER'S UNLOCKED HER INNER RAINBOW POWER!

Twilight Sparkle: THAT'S AMAZING!

Moonlight Glimmer: WAY TO GO, SIS!

Starlight Glimmer: Your time has come, now pay for your sins.

She fired rainbow aurora and rainbow stars and blasted Frollo all over the place!

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) You're not getting out of this alive, Frollo.

Live Action Optimus Prime charged at him and smashed him into the ground!

Connie: Like old times?

Kangor: You know it mon!

Connie and Kangor: JAMAICAN FRUIT BARRAGE!

They fired waves of energy and fruit and smashing stomps and bashed him down!

Horsea squirted ink and blinded him.

Maria: My mother is a much better judge than you ever will be!

Frollo: HOW DARE YOU!?

Maria: Only she's more modern!

Horsea: YEAH!

Then a figure crashed into the ground and it was Xaldin!

Me: Xaldin!?

Out came the next Daughter of Organization XIII!

Dahlia Dilan Xaldin: Lets bring the wind of Despair!

Lincoln: Dahlia Dilan Xaldin! Wow!

Dahlia Dilan Xaldin: Good to see you Lincoln.

Me: Care to introduce us?

Anna Anyanova: Sure this is Dahlia Dilan Xaldin, Daughter of Xaldin, she's Lincoln's Guardian Angel from The World That Never Was, she's a powerful master of the forces of wind, and she's known as The Tornado Wind Lance Master of The Daughters of Organization XIII, they are the daughters of the members of Organization XIII and they have elemental angel wings and black clothes and the weapons of Organization XIII and the kanjis of the elements on their foreheads, and Aniya and her friends absolutely loathe Xehanort with a bloodstained vengeance. She came to Royal Woods where she met Lincoln and swore to protect him from all threats and it not only included Dark Chase Young, but also, Xehanort as well, because Lincoln also had a hand in killing the evil Xehanort. She trained Lincoln in mastering the forces of wind, and in a split second, he mastered the powers of wind, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lori with a passion.

Me: WHOA! Awesome to meet you.

Dahlia Dilan Xaldin: Same here. Lori I may hate you for what you did but I can tell it wasn't your fault. Can you help me here?

Lori: I would literally be honored since it's my turn for this anyway.

She went and helped her.

Lincoln got out a massive industrial can of spinach, and he opened it up. Then...!

LINCOLN DEVOURED THE MASSIVE INDUSTRIAL CAN OF SPINACH!

Me: OH CRAP!

Nico: THIS IS GONNA GET UGLY!

Suddenly, Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and one-hundred massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed, and a massive aura of rainbow, white, golden yellow, and blue fire surround his rainbow protective aura, and he'd gained a massively astronomical power boost.

Then, he flexed his massive muscles, and we saw two cannons exploding in his massive biceps and the Death Star exploding in his massive pecs and he let out a massive wolf roar.

Lincoln went at Frollo and he began brutally smashing him all over the place with his massive godly superhuman strength. Then, he punched him hard in the face and kicked him in the stomach and he sent him flying into a wall, he got back up, but he was so mad, he ordered more men to attack us, but Lincoln flew at and bit them on the neck and sucked them dry of all their blood and organs and he left them as mummified dried-up corpses.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) You are only delaying the inevitable, Frollo. Give it up.

Suddenly, we heard vampiric shrieks, and we saw vampires coming right at us, and then, the skies turned red and it started raining down blood.

Me and Nico: Great, now things have really gone bad.

Then, Sherlock Hound attacked one of the vampires and we felt Sherlock Hound grow even stronger as the blade literally sucked the life out of the vampire as he died and turned to dust. Then, he swung his massive greatsword again and fired projectiles of ice that hit and froze more of the vampires before he struck them with his greatsword and sucked the life out of them and he grew stronger from that as well as they too turned to dust.

Then, we saw the 9'11 massive, wide, double-edged hulking midnight black blade of his massive greatsword was suddenly surrounded by a red flame. Then, Sherlock Hound attacks another vampire and the blade slashed the vampire and he turned to ashes.

God: (Through Lincoln's body)(Divine Heavenly Godly Voice) And now that Dark Sebastian and his minions are gone, the sudden attacks from them have also stopped as well.

Suddenly, we heard a roar, and we saw a massive army of vampires, werewolves, dragons, goblins, trolls, golems, chimeras, wendigos, demons, griffins, Hippogriffs, Minotaurs, Incubi, Succubi, Manticores, Gorgons, Changelings, and Elementals coming at us.

God: (Through Lincoln's body)(Divine Heavenly Godly Voice) I spoke too soon. But, these creatures were no doubt sent by Dracula.

Lincoln morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive army of vampires, werewolves, dragons, goblins, trolls, golems, chimeras, wendigos, demons, griffins, Hippogriffs, Minotaurs, Incubi, Succubi, Manticores, Gorgons, Changelings, and Elementals, and he began absorbing them into his body and he assimilated the massive superhuman upper body and lower body strength, massive muscle mass, virility, testosterone, and powers of the werewolves, and immense physical superhuman strength and immense powers of the vampires, dragons, goblins, trolls, golems, chimeras, wendigos, demons, griffins, Hippogriffs, Minotaurs, Incubi, Succubi, Manticores, Gorgons, Changelings, and Elementals, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and one-hundred massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (Thinking)(GROWLS) Oh man, the raw immense power of these beasts is incredible.

Then, when Lincoln was done and the stingers changed back, nothing was left of the massive army of vampires, werewolves, dragons, goblins, trolls, golems, chimeras, wendigos, demons, griffins, Hippogriffs, Minotaurs, Incubi, Succubi, Manticores, Gorgons, Changelings, and Elementals and Lincoln drained their souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

King Kai: (Telepathically) Everyone, can you hear me?

Me: What's wrong, King Kai?

King Kai: (Telepathically) Dark Chase Young has crossed a very, and I mean very serious line: ever since you guys destroyed Dark Sebastian, The Order of The Dark Universe, The Dark Church of Malphas, and Malphas himself and sent them to The Black Abyss, Dark Chase Young enraged beyond reason decided to do one last gambit and summoned the worst of the worst villains to attack some various locations around the world.

King Kai beamed us the list.

And Bryan Fury from Tekken in Scotland.

When we saw it, we were pissed off beyond anyone's imagination! DARK CHASE YOUNG, YOU'VE REALLY CROSSED THE LINE!

Me: THAT DRACONIC SON OF A...!

Nico: THAT IMMORTAL DRACONIC NIGHTMARE! NOW, HE'S GONE AND FUCKING DONE IT!

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) He knows this is his last gambit. King Kai, I am going to cast a spell that'll weaken them as we are going to battle The Anothers now and keep them from doing too much damage, and then, Lincoln is going to absorb them and assimilate their powers.

God chanted in Enochian and sent beams of light that weakened the villains Dark Chase Young had summoned and resurrected.

King Kai: (Telepathically) Excellent. This'll fix that immortal draconic nightmare's wagon.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) Yes, it will.

Nico: That takes care of him

Me: Yes it does.

I snapped my fingers and we fixed all of Paris.

This is where you die.

Lincoln, Ricky, Sherlock Hound, Skippy the Bush Kangaroo, Red Savarin, Von Lycaon, and Sly Cooper went after Bryan Fury, and they fired extremely powerful blasts of rainbow, royal blue, black and blood red, red and yellow, white and black, blue, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, darkness, dark magic, black magic, Satanic Magic, fire, flames, lightning, snow, ice, snowflakes, ice crystals, kangaroos, wolves, raccoons, devil hounds, demons, devils, phoenixes, and angels at him, and they exploded with incredible power as they hit her. Then, Von Lycaon and Skippy the Bush

Kangaroo punched him hard with their gauntlets and kicked him with their greaves and he got hit hard, and Red Savarin slashed at him with his massive greatsword and shot him with bullets and stun blasts and Sly Cooper whacked him hard with his new cane, same with Ricky when he hit him on the head with a swing of his staff.

Then, Skippy balanced himself on his tail and delivered a hard kick to Bryan Fury's crotch, and he screamed in agonizing pain.

Then, he also attacked him by flashing the Strobulb in his face and blinded him, and the ring of Boos around the flashlight's head fired purple energy beams at Bryan Fury which hit him hard.

Lincoln continued smashing Bryan Fury hard with his extremely massive godly superhuman strength, and he was no match due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering him.

Then Lincoln morphed one of the tips of his one-hundred massive and long brown wolf tails into Cell's stingers which opened up into a large sucker and he latched it onto Bryan Fury's head subduing him, and he began absorbing him into his body and he assimilated Bryan Fury's Expertise in martial arts, Superhuman strength, Superhuman endurance, and Limitless stamina, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and one-hundred massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed.

Finally, Lincoln began draining the souls of Yuga, Ghirahim, Ajax, Singularity, Carmilla, Azazel, Hades, Dracula, Ridley, Nemesis, Empress Siren, Long Feng, Raven Beak, Sanctus, Alraune, Cursa, Kefka Palazzo, Deathborn, Grandmaster Meio, and Bryan Fury of every last bit of energy, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and one-hundred massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, when he was done draining their souls of energy, he then banished them to The Black Abyss and he let out a massive wolf roar as he pounded his chest like a gorilla. We cheered as we holstered our weapons and powered down and we returned home to The World Tree Estate.

Lincoln: And that is that, Dark Chase Young's last gambit has failed.

Nico: That's for sure. Plus, this was the largest record of villains you've absorbed, Lincoln.

Anna Andresen: (Norwegian Accent)(Norwegian Accent) You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Anna Andresen had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Anna Andresen was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Matilda Roo: (Australian Accent) Same here.

Anna Andresen: (Norwegian Accent) Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Anna Andresen's waist and hugged her, and Anna Andresen is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and ninety-nine sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, one-hundred massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Anna Andresen: (Norwegian Accent) My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 12'6" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and ninety-nine sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and one-hundred massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Anna Andreasen, Avatar and Gene-Slammer of Guldfaxe of the Nordic Beasts, she's

Lincoln's Guardian Angel from Norway and she's a skilled and very powerful warrior and master of war and battle and she's a powerful master of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Fenrir. Carina Johansen is a member of a powerful group of Lincoln's Guardian Angels known as The Nordic Order of Odin's Justice, they're a group of girls from Norway who are skilled and very powerful warriors and masters of war and battle who are born with Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of the Nordic Gods and creatures of Norse Myth, and their goal: to hunt down and kill the most dangerous and irredeemable of souls and send them to Hel, the Norse version of The Underworld to suffer true eternal damnation, and they have hunted down many of these individuals all over Norway and sent them to Hel, and they were also tasked by Heaven and the Norse Gods to protect Lincoln. Anna Andreasen moved to Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Guldfaxe, and war and battle, and he gained omnipotent power and the powers of Cosmic Cryokinesis, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Guldfaxe, and he was already born with immortality and invincibility and he also became a very powerful and skilled warrior and tactician in battle, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence and knowledge. Lincoln made her an awesome ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's kept all of Lincoln's enemies in line, but there is one person whom she'd been wanting to kill all her life: a dangerous killer named Ryan Carson, he's a cruel, selfish, psychotic sadistic serial killer driven by a sadistic lust for blood who murdered tens of thousands of innocent men and women all across seven states in The U.S., and when she got the word that cruel, selfish, bloodthirsty asshole swore to kill Lincoln to slake his lust for blood, and she swore to tear him apart with the power of Guldfaxe.

Me: Awesome. Too bad we didn't get after Ryan today.

Lincoln: True, but. (Sensed Ryan Carson) Well, look who showed up.

A person came out, it was a male with black hair, black eyes of hatred, and he was really muscular and had tattoos on his arms and chest: it was Ryan Carson.

Ryan Carson: DIE!

Ryan Carson went after Lincoln, but he stabbed Ryan Carson in the chest with his tails and Lincoln sucked out his massive muscle mass, strength, virility, and testosterone, and Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and one-hundred massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, when Lincoln was done, Ryan Carson was left a weakened and thin twig, and then, Lincoln slammed him into the ground and he exploded into a bloody mess and he was sent to The Black Abyss.

Lincoln: And that is another serial killer put down forever, and now that you're here, Anna.

Lincoln with his massive muscular arms still wrapped around Anna Andresen's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and one-hundred massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Anna Andresen: (Norwegian Accent) You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Anna Andresen with yellow gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Anna Andresen: (Norwegian Accent) (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives,

Anna Andresen.

Anna Andresen had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Anna Andresen's waist, and he leaned down to her face and kissed her on the lips, and with Anna Andresen's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Anna Andresen had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Anna Andresen: (Norwegian Accent) (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The fourteen girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the fourteen girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the fourteen girls are Shinobu Fukuhara and Yano from Bust to Bust and Angelica Knoll Pertsovka, Ascension Sulu Barbancourt, Demerara Orendain, Meishao Sea Gaoliangjiu, Eleanor Est Rothschild, Leoville Barton, Tao, Zytnia Knoll Butka, Brigitte Centrair Hennessy, Gertrude Eyguebelle, Lucifugus, and Marguerite Centrair Hennessy from You're Cheeky for a Demon Lord!

Lincoln: Oh whoa, it's Shinobu Fukuhara and Yano from Bust to Bust and Angelica Knoll Pertsovka, Ascension Sulu Barbancourt, Demerara Orendain, Meishao Sea Gaoliangjiu, Eleanor Est Rothschild, Leoville Barton, Tao, Zytnia Knoll Butka, Brigitte Centrair Hennessy, Gertrude Eyguebelle, Lucifugus, and Marguerite Centrair Hennessy from You're Cheeky for a Demon Lord!

Nicole: Uh oh, so those were the girls Ingrid rescued, and it's no wonder Travis and Red said that kind of warning, the fourteen girls here are really voluptuous.

Lincoln: And they almost got killed by the scheme of that bastard.

Well, when we face him, he's dead. Are you girls okay?

Shinobu Fukuhara: Yes, we're okay, thanks to you.

Then, when Shinobu Fukuhara and the thirteen other girls saw who it was that saved them from the villains in Dark Chase Young's last gambit, their faces turned atomic red upon seeing the 12'6" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair, large brown wolf ears with rainbow markings and intense rainbow flame patterns on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of The Magic of Friendship is a gem shaped like The Crystal Heart and a ring of hands made of gold around it with colored gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold resembling The Sun behind his head and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo and four large orbiting gold rings on each corner with embedded gems shaped like The Elements of Harmony and below the gems shaped like The Element of The Magic of Friendship are four gems shaped like The Crystal Heart and four rings of hands made of gold with colored gems in the palms around them and around the rings of hands made of gold are four rings of fire with spikes made of gold resembling The Sun four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting gold rings, intense rainbow flame patterns and fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec and rainbow sun and moon and rainbow flame patterns and rings appear on his legs and obliques, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon and The Gods and Goddesses of The World, Reincarnation of Amaterasu, Almighty Master of Light, The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, Defender of The Digital World, Emissary of The Royal Knights, The Olympos XII, The 10 Legendary Warriors, The Digimon Sovereign, and The Celestial Digimon, Member of Athena's Saints, The Loud House's Man With A Plan, Voice of Reason, Almighty Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Almighty Loving Grandson of Albert Loud and Samuel Loud, Almighty Loving Nephew of Lance and Sharon Loud, Almighty Loving Cousin of Shane Loud, Shelby Loud, Shiloh Loud, and Dipper and Mabel Pines, True Immortal, God, and Powerful Omnipotent Warrior of The Universe, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful True Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of Seventeenth Century Duke Lachlan McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Dark Chase Young, and Killjoy Huggins, Archenemy of Max Dillon Also Known as Electro and Comic Book Guy, True Immortal and God, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave

Maria: Okay, guys, come on out.

We came back out.

Maria: Okay, that was one awesome galaxy and worldwide rescue!

May: And Dark Chase Young's last gambit has blown right up in his face.

Lincoln: You said it. (Smirks) I can bet he's stewing in absolute hatred right now in The Warp after what we did.

Nico: I can bet. And you're taking joy in making that asshole suffer,

Lincoln.

Me: After what we found out about him, he deserves every bit of suffering before we kill him on Kimiko's big day for good.

Eli: That's for sure, and I don't know why, but I got a bad feeling we're not done with a certain you-know-who.

Eli's words were chilling, and we already know of that certain you-know-who: we also got a bad feeling that we're not even done with Dark Sebastian and that he's pulled something so evil, he's basically saying fuck you to us even while suffering in The Black Abyss. But, whatever he's done, we are ready for his contingency stunt.

After Lincoln and all of us foiled Dark Chase Young's final gambit, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Anna Andreasen saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Anna Andreasen: (Norwegian Accent) My God, I was right that

Lincoln's really grown into an 18-year-old 12'6" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 900,000,000,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Anna, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Anna Andreasen: (Norwegian Accent) That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to

become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Anna Andreasen: (Norwegian Accent) I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my fifty massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Travis Tackett got out a tape, but this one had a black and red color theme and it was really ominous.

Nico: (GULPS) W-what's that?

Cage Blunt: Uh oh, I think I know what that tape is about. This incident took place in 1985, a month before The Hallowshade Bloodbath. This was where Caleb got into a nasty fight with the both of us along with Drake and his cronies who showed up, and he along with his mom and sister Allie, Mabel, Junie, and the other patrons of The Hallowshade Bar were hiding at their apartment to get away from Drake.

Travis Tackett: But, what we didn't know was Caleb snagged a bottle of Demon Blood away from us before he fled to their location and he was cleansed of the Demon Blood inside him after that last encounter, and Mabel, Junie, and the other patrons of The Hallowshade Bar were hiding at a nearby alley to get away from Drake, and the fight you're gonna see is violent and bloody.

Travis Tackett put the tape in, and it played on the big screen showing New York at night in 1985, and Caleb Maxwell was running yet again from Cage Blunt and Travis Tackett, and he ducked into an alley.

Past Caleb Maxwell: Damn it, I don't know how much longer I can keep running from them, they're faster, stronger, and natural born hunters.

Caleb Maxwell got out of the alley and he ran again only to run into Cage Blunt and Travis Tackett who were on top of a nearby roof and he was cornered by them.

Past Caleb Maxwell: Shit...!

Past Cage Blunt: (Smirks) Nice try, Caleb. Now, then...!

Suddenly, lights appeared, but when Caleb saw the black car, his blood ran cold, and when he saw Drake Maxwell and his group get out with guns out, he got pissed.

Past Caleb Maxwell: You've got to be kidding me!

Past Drake Maxwell: Time to die, older brother!

Past Caleb Maxwell: SCREW YOU, YOU PIECE OF SHIT!

Caleb Maxwell tried to sweep-kick Cage Blunt and Travis Tackett, but they jumped and dodged it, but Travis dropped a bottle of Demon Blood which Caleb grabbed and ran off back to the apartment he lives in with his mom and Allie and the other members of his mom's family.

Past Caleb Maxwell: Mom, what's wrong?

Past Marlene Maxwell: Caleb, we got trouble. Mabel, Junie, and the other patrons from The Hallowshade Bar are hiding in a nearby alley. It's not long before Drake finds and kills them before those two vampires do as well.

Suddenly, Caleb got pissed off even more, and something in his mind snapped.

Past Caleb Maxwell: That's it, he's dead. I don't care about arresting him, it's because of him that I'm gonna die in a year's time. But, you know what, if I'm to die, I'll be sure to kill him too and take him with me to Hell!

Then, he got out the Demon Blood.

Past Caleb Maxwell: Mom, when they're looking at me, call Mabel and tell her and the others to run to our apartment.

Past Marlene Maxwell: Y-you're gonna fight them on your own?

Past Caleb Maxwell: I have to. I've lost too many people in a short amount of time, I have to end this or their anguish will be on my conscience for eternity. Once I drink this, I know there's no going back, but I'll bear this darkness forever. I'm so sorry, Mom, for everything, I shut out my heart and I shut you and Allie out as well, and I kept all my pain to myself not realizing the consequences. Please, if I don't make it back take care of Allie. I love you and Allie with all my heart.

Marlene saw the love in her son's heart: she knew her eldest son is still the same person she raised, but she finally saw the pain in his heart. Then, Caleb popped the top off the bottle and drank the Demon Blood, and tossed the bottle in the trash can. Suddenly, Caleb felt a sharp pain course in his body as the demon blood coursed through his veins as he closed his eyes tightly, only to open them and the sclera start to darken a bit and his nails on his finger tips grew into black claws. Then, a few minutes later, it stopped.

Past Christiano Maxwell: Marlene, what did Caleb do?

Past Marlene Maxwell: I wish I could explain it.

Suddenly, Caleb's nose twitched.

Past Caleb Maxwell: I can smell your blood, Mom.

Caleb opened his eyes, they were still normal for the moment.

Past Marlene Maxwell: You can't fight them all, Caleb, you're still one person.

Past Caleb Maxwell: I don't need to, I need to get the person behind it.

Caleb Maxwell then walked out of the apartment, but then, he really felt the demon blood course through his body even more as he closed his eyes and covered his face, only to drop his hands and open his eyes and we saw the sclera of his eyes were now black and the iris of his eyes were crimson red. He kept his control not letting the bloodlust get to him again, and he winced in pain as he then continued to walk to confront his brother and his minions.

Past Caleb Maxwell: (From the distance) HEY!

Drake Maxwell heard him, and he turned around, and he and his minions got pissed, and Cage Blunt and Travis Tackett who already killed some of Drake's minions by draining them dry of blood turned to see Caleb Maxwell. Then, Marlene contacted Mabel from inside.

Past Marlene Maxwell: Mabel, it's Marlene. Get out of there now! Run!

But, before they could, they saw Caleb heading for the group.

Past Drake Maxwell: You shithead! Get him!

Two of Drake's minions tried to attack him, but then...!

SLASH! SLASH! SQUELCH! SQUELCH!

CALEB SLASHED THEM HARD IN THE CHEST WITH HIS CLAWS AND HE TORE THEIR JAWS OUT AND THEY DIED!

Drake Maxwell was horrified, his brother's now crossed into the border of no return, but Caleb didn't care: he was coming for Drake Maxwell.

Past Caleb Maxwell: You're dead, you beady-eyed little bastard!

Past Drake Maxwell: SCREW YOU! MARK! KILL HIM!

A big musclebound brown-furred cat with blue hair and brown tail came out: from the looks of it, he was Drake's bodyguard, Mark

Williams, a big brute and enforcer of The Syndicate. He came charging at Caleb, but he dodged and slashed at his back with his claws. They both were fighting like animals and drawing blood, and it was getting ugly.

Nico: Damn, this is getting ugly!

Me: Especially with drawing blood!

Suddenly, Mark grabbed Caleb's arm and was about to break it only for Caleb to kick him hard in the crotch!

Nico: You kicked him hard in the kiwis?!

Caleb Maxwell: I also had metal plates in the tips of my boots. Comes in really handy for something like this.

Mark covered his pain-filled crotch, and Drake Maxwell was pissed off as he stabbed Caleb Maxwell in the right shoulder with a knife and Caleb kicked him hard in the stomach and removed the knife.

Past Drake Maxwell: MARK! WHAT ARE YOU WAITING FOR?! KILL HIM!

Mark Williams charged at Caleb Maxwell who threw a hard punch right through to the brute's chest, and then, he pulled his hand out and he also removed his heart too as Mark's dead body fell to the ground. Caleb Maxwell looked at Drake Maxwell and the surviving gang members who sneered and growled angrily at him as he also stood ready to attack, but then, they ran away like the cowards that they are leaving Caleb standing. Cage Blunt and Travis Tackett fled as Mabel, Junie, and the patrons came out, and Mabel walked towards Caleb who turned to see her.

Past Mabel Jensen: What did you do?

Past Caleb Maxwell: What I should've done: fought back against my brother.

Then, they looked up at the sky as the moon shined down.

Past Caleb Maxwell: We made it out alive at least.

Then, Caleb's mom, sister, and his relatives on his mom's side came out.

Past Marlene Maxwell: You fought back, but Drake isn't giving up.

Past Caleb Maxwell: I know, if anything, he's bound to seek revenge.

Caleb began walking back to the apartment, but he felt a pain in his heart.

Past Caleb Maxwell: (Thinking) And it won't be long before his revenge comes full circle and my life that was destined to end a year later would end much earlier than expected and you and Allie will be put in grave danger.

The video ends.

Me: (GULPS) Well, that was...gut-wrenchingly violent.

Nico: (Shudders) I knew you tend to do some crazy things, but this was on another level of nuts!

Cage Blunt: That it was. But, it drove Drake and his surviving herd away, and Caleb wound up getting cleansed of the demon blood in his veins again because of his unique ability, but the black finger claws remained same with the crimson red eyes, and it stayed with him even after his death and his resurrection eight years later.

Michael: But, we were able to figure out that it was Caleb, and the rest of us were stunned he'd do something as crazy as this. Not long after, everyone at his university steered clear of him, they knew what he did in killing two of Drake's minions and his enforcer was now being talked about all over the city and the university. At one point, they were thinking of expelling him, but should they do so, he would show them Hell.

James Blunt: At first, this was the same kid they thought who wouldn't fight back. Though, thanks to Cage and Travis' pursuits of him and the repeated attacks from his brother, he changed into a fighter, and he was going to fight back hard if anyone got on his bad side.

Tucker Williams: From what we gathered, Caleb was calm and gentle, but anger him, and he can easily turn into a dangerous monster.

Lincoln: And someone no one wants to cross.

Caleb Maxwell: Not unless they want to die.

We got a shower, and then, Lincoln, Rebeccarren, Termagax, Houou the Phoenix Goddess, Sellia Yonda the Goddess of Lava and Fire, and Hayley Fyra the Fire Witch of the Inferno are heading to Emerald Coast.

Lincoln snapped his fingers, and the 12'6", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Rebeccarren, Termagax, Houou the Phoenix Goddess, Sellia Yonda the Goddess of Lava and Fire, and Hayley Fyra the Fire Witch of the Inferno were dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Rebeccarren, Termagax, Houou the Phoenix Goddess, Sellia Yonda the Goddess of Lava and Fire, and Hayley Fyra the Fire Witch of the Inferno had feelings for Lincoln, and he also had feelings for them, and he also saved them from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Houou the Phoenix Goddess: Wow, we're here in Emerald Coast, it sure is beautiful.

Lincoln: It sure is, Houou, and it's perfect for our first date, shall we?

Lincoln, Rebeccarren, Termagax, Houou the Phoenix Goddess, Sellia Yonda the Goddess of Lava and Fire, and Hayley Fyra the

Fire Witch of the Inferno dived into the waters and as they started swimming, they saw the marine life that live in the sea. Then, they returned to the beach, and the girls gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he did the same thing giving the girls a deep tissue massage, and when he was done, the girls were literally relaxed. Then, they had a game of volleyball, and they went to a workout area Lincoln created, and Rebeccarren, Termagax, Houou the Phoenix Goddess, Sellia Yonda the Goddess of Lava and Fire, and Hayley Fyra the Fire Witch of the Inferno got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift one-hundred and two massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and one-hundred massive and long brown wolf tails, and she was really swooning over him especially when he started showing off by flexing his muscles.

Sellia Yonda the Goddess of Lava and Fire: (Swooning) What a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and they went up to Rebeccarren, Termagax, Houou the Phoenix Goddess, Sellia Yonda the Goddess of Lava and Fire, and Hayley Fyra the Fire Witch of the Inferno and hugged them in their abnormally massive and powerful muscular arms, and Rebeccarren, Termagax, Houou the Phoenix Goddess, Sellia Yonda the Goddess of Lava and Fire, and Hayley Fyra the Fire Witch of the Inferno placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right trapezius of Rebeccarren, Termagax, Houou the Phoenix Goddess, Sellia Yonda the Goddess of Lava and Fire, and Hayley Fyra the Fire Witch of the Inferno and fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and one-hundred massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed..

He slowly unlatched his fangs from their right trapezius as it healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Emerald Coast, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Rebeccarren, Termagax, Houou the Phoenix Goddess, Sellia Yonda the Goddess of Lava and Fire, and Hayley Fyra the Fire Witch of the Inferno with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with seven white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Rebeccarren, Termagax, Houou the Phoenix Goddess, Sellia Yonda the Goddess of Lava and Fire, and Hayley Fyra the Fire Witch of the Inferno are now in your harem, Linky.

Rebeccarren, Termagax, Houou the Phoenix Goddess, Sellia Yonda the Goddess of Lava and Fire, and Hayley Fyra the Fire Witch of the Inferno showed the marks Lincoln made on the right sides of her neck.

Me: I was actually stunned that Houou, Sellia, and Hayley also had feelings for Lincoln.

Nico: And I'm still surprised you knew them.

Sakura Knudson: Since high school, but they were just friends, but when they met Lincoln, it was love at first sight

Jenna: You had no trouble at all.

Sellia Yonda the Goddess of Lava and Fire: Not at all, and I not only gave Lincoln a deep tissue massage, but he also gave me the same deep tissue massage, and he certainly had me swooning when he lifted one-hundred and two massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and one-hundred massive and long wolf brown tails, and I was really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his one-hundred massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our final showdown with Zeltrax finally starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on

their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

In the garage he mascots were having their meeting

Manaphy: All right, Mevya, time for the ultimate dare.

Horsea: We dare you to drive Kevin's car.

Mevya: No way! Kevin will get angry!

Poliwag: Oh, we see how it is. Then we hereby declare you chicken for life.

Poromon: Every morning, you'll wake up to "Good morning, chicken." At your wedding, we'll sing this!

The 4 main mascots sing Here Comes the Bride with chicken voices

THEN MEVYA GROWLED!

Mevya: OKAY THEN I'LL DO IT!

UH OH!

Mevya got into Kevin's car and drove off

VROOM VROOM

He was off.

I sensed something.

Me: Uh oh. Something is going on in the garage.

Kira: Kevin, you might want to check the garage

Kevin: Why?

He went to check and saw HIS CAR GONE!

Kevin Levin: MY CAR!

Me: UH OH! Where did it go?

Nico: (SIGHS) It's gonna be one of those days!

Connor: Who took Kevin's car?!

I heard snickering.

Me: I'll give you one guess.

I pointed to the mascots.

Nico: (Sternly) Okay you guys what did you do with it? Where is Kevin's car?

Poromon: Mevya took it! We tried to stop him but he didn't listen!

Lana: They are lying. I heard them dare Mevya to take the car and called him a chicken.

BUSTED!

Kevin: (ENRAGED) WHAT!?

He turned into metal and went at the mascots!

Me: UH OH!

I grabbed Kevin and held him!

Me: Kevin calm down!

Nico helped and stopped him!

Kevin: This isn't just about my car! Mevya has no license! Crashing it is one thing but he might run people over!

Me: Kevin we know! But Mevya is one of the mascots too! You can't squish them! We can scold them later. First lets find Mevya and your car!

We were off.

Mevya was going on a joyride!

Mevya: I'll show them who's chicken!

He drove fast! Then...

CRASH! SMASH!

He crashed a tree and smashed into a fire hydrant!

We came and saw the wreck and saw no one hurt.

Me: No one was hurt thank goodness.

Mevya came out.

Mevya: WOOHOO!

SMASH!

A tree fell onto the car!

Mevya: Hi, Levin!

Kevin (sternly): Out of the car. NOW.

He whimpered and went up to him.

Me: At least it wasn't Crackhouse Goofy that did it. Fucking bitch!

Nico: True.

Crackhouse Goofy: OH HELL NO!

Me: Speak of the devil.

We saw him.

Crackhouse Goofy: I am going to be the new leader of Team Loud Phoenix Storm now! I run this bitch now! NO ONE MESSES WITH GOOFY!

Me: Except me!

I went at him and bashed and bashed and smashed him all over the place.

Kevin (to Mevya): What were you thinking? Driving my car without a license!

Mevya: It was all Poromon's idea! He and the mascots forced me into it by calling me a chicken and I snapped!

Lana: He's right! Also I got this.

Lana went and fixed Kevin's car good as new.

Kevin: Thanks.

I punched Crackhouse Goofy and blasted him in his stomach. Then I punched him and he was sent flying far!

Poromon: We even made a song!

The 4 main mascots sing Here Comes the Bride with chicken voices

Octane: You know this is serious, right?!

Me: (To the mascots) Guys that is NOT FUNNY!

Eli: Yeah!

Mevya: Yeah they did that and it made me angry!

Kevin: Okay, guys. I want you to promise me you won't do this again.

Sandstorm: And we mean it!

Me: Or else!

I pointed to Gatomon and she had a fork and knife and was hungry!

They gulped!

Homer: Didn't I sing that kind of song before?

Ned Flanders: Yeah you sure diddily did Homer. It was when the Trappuccino incident came. (Simpsons Movie)

Homer: Oh yeah! I remember!

Mevya: Did he really?

Me: Yeah crazy story!

But then...

ZAPP!

May got turned into a block of ice!

Manaphy: MAMA!

Me: What the!

I fired a blast of fire and thawed her.

May: Whew!

Me: Okay who's the wiseass!?

Lana: LOOK!

We saw a Cryogonal!

Me: Cool a Cryogonal!

Nico: Where did that come from?

Me: I think I know. It's one of Dark Gale's work.

Qin: Yeah.

Kevin: First, I want you guys to apologize to Mevya.

Poromon: We're sorry, Mevya.

Mevya: Aw it's okay guys. I can never stay mad at you guys.

Poromon: Thank you.

Then the Cryogonal saw Maureen and went over and nuzzled her.

Maureen Connor: Wow you're a friendly one. Lets see.

She used telepathy and gasped!

Maureen Connor: (GASP) MELINDA!

She hugged it.

Carol: Wait Melinda Connor! Oh man!

Maria: We haven't seen her in a while!

Me: You know her?

Carol: We sure do. She was one of our closest friends and she got back from military duty in Iraq to be with Maureen after her mom died.

Maria: But after the Big Bang happened she couldn't find her.

Me: Because she was living on the streets.

She froze Horsea in a block of ice!

I fired waves of fire and thawed her out.

Horsea: WHEW! Thanks J.D.

Me: No problem. Lets turn her back.

I snapped my fingers and she reverted back. She was a girl with aqua blue hair and had dark blue eyes and had blue wings and had Cryogonal on her forehead and a snowflake and Christmas angel for a cutie mark on her arm.

We wrapped her in a blanket and we saw a bench and brought her over to it.

Me: There.

Nico: Wow

She woke up to see Horsea's stern gaze

Melinda Connor: A Horsea? Huh?

Horsea: You froze me!

Maria picked her up.

Maria: Horsea has been through a lot.

Carol: Been a while Melinda.

Maureen: Hey sis!

Melinda Connor: (GASP) Carol! Maria! And Maureen!

She hugged them!

Melinda Connor: I'm so happy to see you guys!

Carol: We are too.

Melinda Connor: Maureen I was so worried! I looked all over for you! I couldn't find you anywhere!

Maureen: I had a very traumatic thing happen to me when mom dad.

Melinda Connor: I heard you went and lived out on the streets for a while. I'm so sorry I wasn't there.

Maureen: It's okay.

Melinda Connor: It was because of that monster stepfather of ours!

Me: What do you mean Melinda?

Melinda Connor: HE Caused our mother to die!

WE GASPED!

Me: Do you have any proof?

Nico: Yeah that's a very strong accusation.

Sheila: Actually we ran a forensic investigation earlier and we found out that Maureen and Melinda's mother on the night she died was poisoned with a lethal level of Strychnine!

Me: WHAT!?

Nico: THAT SON OF A FUCK!

Static: He caused her a lot of pain!

Me: No shit there virgil!

Nico: Yeah! What was the motive?

Melinda: He wanted a massive life insurance payout on her. It was $900,000.00

Me: Figures.

Melinda: Yeah. I went out to find Maureen but I found the house empty and on the market. I looked for her all over but couldn't find her and feared the worst. As I was looking for her this weird purple cloud rolled in and covered me and then I got ice powers.

Me: That was the Quantum Vapor. It's an experimental biohazardous mutagenic gas. It mutated you and gave you ice powers.

Carol: Yep. She was given the powers of arctic ice, extreme cold, the aurora, snow, blizzards and subzero freezing temperatures.

Me: WHOA!

Carol: It's how she became known as Princess Arctic.

Laney: I like that hero name.

Melinda Connor: Yeah. But that is amazing.

Me: You aren't the only one however. Lots of people got exposed to it and became Bang Babies. Hence giving rise to the event called The Big Bang.

Lola: Long story.

Melinda Connor: Oh man! That's awful. But at least I know where I got my powers from.

Me: Yeah and Maureen got her powers the same way as well.

Maureen: Yeah I have ice powers as well. I adopted the name Permafrost because of it.

Melinda Connor: Amazing!

Me: Yeah. Also you were turned into a Cryogonal by Dark Gale.

Melinda gasped!

Melinda: I remember!

She was in a purple suit and injected and turned into a Cryogonal! She flew out!

FLASHBACK ENDS

Melinda: It was awful.

Me: I know but we destroyed Dark Gale.

Melinda Connor: Good. Also I work as the Cryomancer of the team and outside I gather evidence to bring down our former stepfather.

Sheila: Well me and my fellow officers seem to have done that for you. We have more than enough evidence to charge your stepfather with all kinds of crimes.

Horsea: She did nothing to deserve this!

Melinda: I agree!

Maureen: I know. But the important thing is I have my sister back.

Me: You sure do.

Rarity: Lets get you some clothes darling.

The fashion brigade gave her new purple and blue clothes and had an ice sword.

Melinda: I look awesome.

Me: You sure do.

Dreamcatcher (to Horsea): That's your first time being frozen

Horsea: I know.

Melinda: (Stomach Growls) Oh man I am hungry.

Chef Pepperjack: (Cajun Accent) OOOWEE! Lets get you some good food than.

We went back home and gave her lots of food.

She ate lots of bowls of spaghetti and chicken meatballs.

She ate 5 bowls of it.

Nico: Like it?

Melinda was stuffed!

Melinda: (LOUD BELCH) Oh excuse me!

Me: No worries but that is a big yes.

We laughed!

Melinda: Sorry I was more hungry than I thought.

Maria: Shiv felt the same way all the time. He was really hungry during my days in the Metabreed.

Nico: Yeah.

Horsea started crying over the recent revelation

Maria: Horsea what's wrong?

May: Oh what's wrong?

Horsea: She did nothing to deserve this!

Maria comforted her.

Maria: I know Horsea. I know.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Zeltrax, he's at Reefside, and he's causing havoc. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: Uh oh, he's back!

Eli: Please, tell me that wasn't who I think we just saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it was Zeltrax, he's at Reefside, and he's causing havoc.

EVERYONE GASPED!

May: I should've known Zeltrax would come back.

Me: I knew it was coing!

Connor McKnight: Now, we can finally deal with him once and for all, and we'll make sure Mesogog is watching, letting him know he's next.

Me: Good idea. Now that we're fully warmed up to face him we're more than ready for him.

Nico: Awesome. We already pissed off Scorpius when we showed him what we did to Trakeena, now we'll show the death of Zeltrax to Mesogog, and on some future rescues for me, we'll end them both: Scorpius and Mesogog. Alright, let's go, team, we've got some unfinished business with Zeltrax.

Lincoln: This time, we'll make sure Zeltrax dies here and now, and he will never come back.

Qin: Yeah!

The previous group came.

Atomic Skull: Can me, Grodd, Iceage, Six Gum Gang, Whiteout, Evil Green Ranger, Living Laser, Steam Smythe, Hydrax and Tala go with you guys?

Dixie: And why's Horsea crying?

Me: She was upset because of what Maureen went through.

Nico: Yeah and Yes you all can come with.

Atomic Skull: It's a good thing you guys had that warmup battle with Zeltrax before.

Me: Thank goodness. Now we are fully prepared for him.

Camie: We sure are.

Ymir: Yeah!

Teen Titans Thunder: Nico, which Gene Slammer do you think you'll meet next?

Wilbur: I hope it's a powerful one

Nico: Oh it is. Number 78: Number Archive and Number 77: The Seven Sins.

Me: WHOA! Twilight will like Number 78: Number Archive. That is a huge library monster.

Twilight Sparkle: Library!? That is so cool!

Me: It sure is.

Nico: Yep I had a feeling that would get you going.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and ninety-nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figures were in the vision: it was Evil Carol Pingrey, Lisa Cadieux and the Evil Cadieux relatives, Anthony McCann, Draven Jacobs, and Amara Emerson. They're free and are heading for us to get revenge. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Me: You got to be kidding me! That was...!

Lincoln: Evil Carol Pingrey, Lisa Cadieux and the Evil Cadieux relatives, Anthony McCann, Draven Jacobs, and Amara Emerson, but how? (Realizes Eli's premonition) Oh, that explains Eli's haunting words that we hadn't seen the last of Dark Sebastian. He had that plan set in case he got sent to The Black Abyss!

WE WERE PISSED: THAT SATANIC SLUDGE BALL SENT US A FINAL FUCK YOU BEFORE HE GOT THE BLACK ABYSS!

Me: That damn psycho!

Emily Anderson: Let me take Evil Carol down. But, what has she done to anger you guys?

Me: Well lets just say that she is a monster. She is from another universe where she raped Lincoln and kidnapped him to make him a sex slave.

We explained, and when we were done, everyone was disgusted at that bitch!

Camie: I don't fucking believe it! She raped her world's Lincoln and traumatized him?! He was 11 in that world! That bitch is so dead!

Me: BIG TIME!

Emily Anderson: Not before we get through with her!

Nico: Uh oh...! Not good! I'd hate to be in the shoes of that bitch, Evil Carol. Alright, team, let's go, the time to destroy Zeltrax has come!

Lincoln: Time to send this bastard straight to The Black Abyss for good where he belongs, and once we get done with him, you're finished, Evil Carol Pingrey, you poisonous viper!

Emily Anderson: You've done some really messed up things to your world's Lincoln, and all because of your hatred towards Lori, that is the final straw this time, you're never coming back.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and all of us headed to Reefside to destroy Zeltrax once and for all, and once we get done with him, Emily Anderson A.K.A. Glitter Lucky and Lincoln are going to destroy Evil Carol Pingrey and send that poison-spitting viper to The Black Abyss where that rapist belongs.

We were off to Reefside.

* * *

We arrived.

Grodd: Good old Reefside.

Connor: Feels good to be home.

Kira: You said it.

Goof: Let's call Beetle.

Me: Good idea.

We did so.

Beetle: I'm here guys.

Me: Cool. Boy the last time we were here was to battle Mesogog.

Nico: Yeah no kidding.

Qin: He sure put up a good fight.

Me: Well too bad we didn't battle him this time. But there is always another time.

Camie: Yeah.

Sunny Tennyson: Might want to get the Tyrannozord ready

Me: Good idea.

Connor: We'll be ready for anything.

Lola: Yep.

Cat McKnight: Mesogog caused lots of problems for everyone.

Me: Yeah what a jerk!

Horsea: MAUREEN'S STEPDAD MUST DIE!

Whiteout: I get it. I'm pissed off too.

Sheila: We already have him in prison for unrelated crimes. He got 20 years for armed robbery.

Me: Good.

Horsea: Yeah. I hope he gets the chair!

Horsea was still crying.

Meowth: Hey, you got every right to be upset about this!

POOR HORSEA

Horsea: I just feel sorry for her! (CRYING)

Maria: I know Horsea. I know.

Horsea: MAUREEN'S STEPDAD MUST DIE!

Living Laser: You yelling about that is completely understandable

Sheila: I know but we will make sure he gets what's coming.

Horsea cried hard and Maria comforted her.

Qin: Poor Horsea.

Melinda Connor: Our stepfather will die. I promise. Mom should have never married that jerk!

Cynder: Someone cheer Horsea up.

Poliwag: I'll do it!

Poliwag pulled down Nico's pants!

Nico: HEY!

Hydrax: Horsea, look!

Horsea was still crying.

Me: I think I got an idea.

I called the Three Stooges.

Three Stooges: (In Acapella) HELLO HELLO HELLO!

Me: Moe Nico called you a pumpkinhead.

Moe: Oh wise guy huh?

BONK! CRUNCH! HONK BOOF SLAP!

Moe bonked Nico on the head, twisted his ears, honked his nose, hit his stomach and slapped his face!

Moe: See that?

He held out his fist.

Nico slapped it.

Moe swung it and bonked his head!

BONK!

Nico: HEY!

Nadira: Horsea, watch this!

Nadira kicked him in his butt and snapped a bear trap on his butt!

CLANG!

Nico: YEOWCH!

Horsea then started laughing hysterically!

I grabbed Nico and put him in a head lock!

Nico: HEY STOP!

Me: NOOGIE!

I gave him a nasty noogie!

BUZZSAW NOISES!

Tala: Feel better, Horsea?

Horsea: I sure do!

Nico: Great! Uh J.D. can you let go of my head now?

Me: Oh sorry Nico

I let him go.

Nico: Thanks.

Me: You're welcome.

Laney: Wait what's that?

We saw a red puddle on the ground.

Eli: Is that red paint?

I wiped my finger in it and saw that it was blood.

Me: It's blood!

Horsea: BUT MAUREEN'S STEPDAD STILL MUST DIE!

Nico: We know.

Qin: Yeah!

Me: Guys we got blood here!

Nico: Where did that come from?

I smelled it and it smelled REALLY HORRIBLE!

Me: YUCK! This blood REALLY SMELLS HORRIBLE!

Xenia: Yuck!

Lincoln: WHOA! This blood is from Connor's Akuma. His name is Zomtyranno! The Hypothetical Akuma of Connor McKnight and he is a scary zombie tyrannosaurus! He is also a master of intense strength and has all the powers of dinosaurs. He was made when Tommy Oliver died in Zeltrax's ship when it exploded and now he wants revenge on him!

WE GASPED!

He showed us a sketch of it and it looked like a ZOMBIE TYRANNOSAURUS WITH SCARY WINGS!

WE WERE SHOCKED!

Me: WHOA MAN! That is a disgusting monstrosity!

Aylene Carter: It looks so much like a tyrannosaurus version of the Zombie Argentinosaurus!

Starlight Glimmer: Deja vu!

Me: Yeah!

But then we felt stomps. We then saw ZOMTYRANNO!

Me: There he is!

Qin: OH MAN!

But then...

MASSIVE VOMIT!

HE VOMITED A MASSIVE STREAM OF BLOOD AND IT DRENCHED BOTH RAINBOW DASH AND MAY FROM HEAD TO TOE IN BLOOD THAT REALLY SMELLED HORRIBLE!

Me: OH SICK!

Qin: YUCK!

I smelled the blood!

Me: OH GOOD GOD! THAT BLOOD REALLY SMELLS HORRIBLE! IT SMELLS WORSE THAN ED'S ROTTEN SOCKS AND BULK BICEPS YEAR OLD GYM SOCKS!

May: THIS IS SO WRONG!

Manaphy: (GAGS AND COUGHS FROM THE STENCH!)

Steam Smythe: Connor? Is that you?

HE ROARED AND FIRED MORE BLOOD VOMIT!

We dodged it!

Me: One of those feral types!

Beetle: You need to calm down!

All he did was vomit more and it hit Beetle and made him smell horrible!

Beetle: YUCK!

I fired was of fire and blasted him.

Beetle fired waves of energy and blasted him.

He roared and fired more blood blasts. We dodged the blasts.

I fired waves of fire and blasted the Akuma and blasted him all over and he was blasted down.

Papillon: Are you okay, Manaphy?

Manaphy: MAMA SMELLS REALLY AWFUL!

All of us smelled the blood and it was WORSE THAN ANYTHING EVER!

Me: GOOD GOD! After we get home, you girls are going right into the tub! We'll scrub you down till you're raw if we have to!

Evil Green Ranger: Seeing as I'm also Tommy Oliver, I'm really looking forward to this.

Me: I can tell you are.

We heard the malevolent laughter of Zeltrax as he's causing havoc in Reefside.

Nico: Typical, Zeltrax is causing havoc again. Time to put a dampener on his mood.

Lincoln: Let me. I've got a surprise for that monster.

Lincoln summoned something, and we saw what it was: it was an Orange Lion.

Me: (Gasps) An Orange Lion?! Wait, that means you're...!

Lincoln: A member of The Voltron Force, and I've helped The Voltron Force deal with Lotor and his minions, and even dealt with Zarkon before.

Hunk: We've got a lot of explaining to do one day, right now, we better take care of Zeltrax.

Lincoln got in The Orange Lion. Suddenly, Caleb fired and it hit someone hiding in the bushes: it was Evil Carol Pingrey. Lori tied her up.

Lori: We'll deal with you later, you viper!

We took off into the air.

Me: Lincoln, we got Tyrannodrones causing havoc.

Lincoln: Already on it.

Lincoln activated something, and his Orange Lion fired blasts of fire and they hit and burned the Tyrannodrones, and then, his Orange Lion fired blasts of Water, Wind, Earth, Wood, Sand, Metal and Lightning, and the powers of the other elements and hit more Tyrannodrones and destroyed them. That really got Zeltrax pissed off!

Nico: Whoo! Nice one, Lincoln! Alright, let's get that monster cyborg!

Suddenly, the spirits of The Dino Thunder Zords appeared and they attacked Zeltrax and we also threw Evil Carol Pingrey in as well and they really thrashed them all over the place showing them no mercy whatsoever, and then, the spirits converged and they crashed down and then...

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

A massive explosion erupted as a Thunderbird Screech and Phoenix Cry was heard and we appeared, and this made Zeltrax even more pissed off than ever. Lincoln got out of The Orange Lion.

Me: Figures you'd break out of The Warp, Zeltrax. But, we've been ready for you ever since you showed up.

Nico: Our warm-up fight was just the start. This time, it's personal.

Connor McKnight: We've had it with you for the last time, Zeltrax, this time, you're going to disappear forever!

Zeltrax: We'll see about that! This time, I will destroy you all along with this entire world!

Lincoln morphed the tips of his one-hundred massive and long brown wolf tails into Cell's stingers and he stabbed them into Zeltrax's chest, and he began sucking out and assimilating Zeltrax's Strength in Normal and Super form, Durability in Normal and Super form, Resilience in Normal and Super form, Tyrannodrones Summoning, Triptoids Summoning, Tractor Beam, Lightning Beams in Normal and Super form, Lasers in Normal and Super form, Helmet Blasts, Teleportation in Normal and Super form, Transformation, Master Hand to Hand Combatant, Master Swordsman, Extraordinary Leaper, Lightning Cloud, Lightning Vision, Mirage Creation, and Darkness Spreading and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and one-hundred massive and long brown wolf tails along with the rainbow tips and rainbow markings and phoenix feathers on the tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, Zeltrax was severely weakened and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Zeltrax: (Weakened) W-what did you do to me?

Now, you can either surrender and we can make it quick and painless, or if you choose to attack, you're gonna make it slow and painful. Either way, you're finished and you're going to die here.

Suddenly, the full moon appeared behind Andre Lupescu as darkness fell upon the ruins of Reefside only lit by the full moon and clusters of ice formed on the ground as we heard the sounds of wolves howling in the distance.

Me: You heard him, it's payback time!

Nico: The howling of the wolf means that justice is coming for you!

Lincoln: And it's going to hurt, Zeltrax.

Me: We had a good warmup Zeltrax! Now it's time to finish you forever!

Zeltrax: I don't think so. After I kill you all, Mesogog will be pleased!
